This Association has no Baptist school, Orphanage, Hospital, Encampment, South Wide Board, or Institution within its bounds; nor has it any of the main offices of any such organization.

This Association does not have any Laymen's Movement, or any Laymen's Convention within its bounds.

Organization Meeting of the Yates Baptist Association

At 2:30 o'clock on the afternoon of Sunday, November 7, 1948, in the Durham First Baptist Church, pusuant to a call of the "Steering Committee," appointed some weeks ago, to arrange a meeting for the organization of a new association, messengers, ordained ministers and visitors from the thirty-four churches, who on October 12, 1948, applied for and were granted letters of dismission from the Mount Zion Association, met in the beautiful auditorium of this church. This committee was comprised of Rev. J. Winston Pearce, Chairman, Rev. B. E. Morris, Mr. W. E. Stanley, Mr. J. J. Thornton and Rev. Charles C. Smith, the latter of whom was its secretary.

In the absence of Mr. Pearce from the city, Mr. Morris called the meeting to order and presided over it. After the meeting began, Rev. Claude White, Minister of Music of the West Durham Church, accompanied by Miss Mary Johnson, of the same church, led the assembly in singing, "All Hail the Power of Jesus' Name," after which Rev. G. Fred Lipe, pastor of the Olive Branch Church, offered the invocation. The congregation then heartily sang, "Faith of Our Fathers."

Mr. Morris stated that the purpose of the meeting was to organize a new Baptist Association in this immediate section, and he called on Mr. Smith to read the names of the churches. He read the letter of dismission from the Mt. Zion Association, which was dated October 12, 1948 and signed by C. N. Royal, Moderator, and Charles C. Smith, Clerk. The thirty-four churches are: Bells, Berea, Cedar Fork; the following Durham churches, Alston Avenue, Angier Avenue, Bethesda, Braggtown, Cheek Heights, Durham Memorial, Edgemont, Faith, First, Grace, Guess Road, Holloway Street, Immanuel, Lakewood, Temple, Watts Street, West Durham and Yates; Ebenezer, Ephesus, Gorman, Lowe's Grove, Lystra, Mount Gilead, Mount Hermon, Mount Moriah, Olive Branch, Pleasant Hill, Red Mountain, and Rose of Sharon.

Rev. W. Bryant Carr, pastor of Edgemont Church, moved that these churches constitute the new Association. Rev. R. H. Dalehite, pastor of Faith Church, seconded the motion, which was unanimously carried. New members of the Association were then called for, and the Secretary read the application of the newly organized Calvary Church. Rev. Truett Cox moved that this chucrh be received as a charter member and into full fellowship. The motion was seconded. On assurance that the articles of Faith, and other requirements were the same as those of the other nine new churches organized in this vicinity during the past ten years, the group heartily voted the new church, into full fellowship with us.

A proposed Constitution was read on behalf of the Committee by W. E. Stanley. No name was suggested, but sentiment was seemingly against the name, "Durham," which had been freely discussed by numbers, and Rev. C. E. Byrd, pastor of Mount Pisgah Church, moved that the name be, "The Yates Baptist Association," inasmuch as the great missionary, Matthew T. Yates, was born and reared within the bounds of this Association, and his membership was with Mount Pisgah Church. On being seconded the motion was enthusiastically carried by a rising vote.

After much discussion and a few amendments the instrument was adopted. (This Constitution is not published in these 1949 Minutes, inasmuch as this Constitution was greately revised at the first regular annual meeting of the Association, and the Association, by vote, ordered the old one not be included, but only the one adopted by the 1949 session.—*Clerk.*)

J. J. Thornton, for the Steering Committee, then nominated officers and members of the Executive Committee as follows:

Moderator, Horace G. Hammett; *Vice-Moderator,* Downey J. Booth; *Clerk,* Charles C. Smith; *Treasurer,* O. A. Johnson; *Historian,* C. E. Byrd; *Associational Sunday School Superintendent,* Claude W. White; *Associational Training Union Director,* Floyd Rhodes; *Chairman of Committee on Evangelism,* H. B. Anderson, *Members of the Executive Committee:* M. G. Hall, J. H. Anderson, J. J. Thornton, G. F. Lipe, W. W. Scott, Stewart Greene, T. O. Sorrell, Cary Cole, W. E. Stanley, W. B. Carr, C. H. Shelton and O. H. Burnett.

It was then moved that these be elected, and the motion was seconded. Nominations were then asked for from the floor, and T. D. Collins nominated Rev. J. T. Edwards. Motion was made and seconded that the nominations be closed, but that motion was defeated, and nominations continued to be made; and Rev. John H. Knight and Rev. W. T. Carr were then nominated. A motion that the nominations be closed then prevailed. It was decided to vote by messengers standing, and it was also decided that the one receiving the highest vote be declared elected. The Secretary then announced that Edwards had been given the largest vote, and the presiding officer declared him duly elected. C. E. Byrd declared that under no circumstances would he serve as Historian as he was entirely unfitted for that kind of work, and he moved that Charles C. Smith be elected to that office in addition to that of Clerk, and the motion prevailed. All of the other nominees were then elected.

The Chairman then announced this committee on "Place and Preacher," C. N. Royal, D. J. Booth and H. B. Anderson. These brethren retired and in a few minutes reported as follows: The first day, Tuesday, October 25, at Ephesus, and on the second day, at West Durham; with the preacher, H. G. Hammett, and the alternate, W. B. Carr. The Association adopted the report.

Secretary M. A. Huggins, of the State Board, had been invited to address the body, and he was presented by Chairman Morris, but the hour was so late, that he spoke only a few minutes, but with his usual charm and force, and all regretted that there was not time for his full address.

After singing "Blest Be the Tie That Binds," the newly elected Moderator, Rev. John T. Edwards, pronounced the benediction. This organization meeting of the Yates Baptist Association then adjourned.

Charles C. Smith, *Secretary* B. E. Morris, *Chairman*

However, many more came in shortly after the opening hour, as did the messengers from the two churches not present at the roll call.

5. Roberson Grove and Olive Chapel Baptist churches, on presentation of their letters of dismission from the Mount Zion Association by the Clerk of this Association, were, on recommendation of our Executive Committee, unanimously and heartily received on the basis of Charter members, inasmuch as they were until a year ago members with us of the Mount Zion Association. All are glad to receive them as fellow-members of the Yates Association.

6. There was recognition of new pastors, and the Moderator stated that inasmuch as all pastors were "new" as far as being members of the Yates Association, he asked that all pastors come to the front of the church, and all of their names were called. Those pastors who have moved into our territory within the past twelve months are: Revs. Charles S. Norville, who is pastor of the Mount Hermon Church; Sidney Denman, pastor the Rose of Sharon Church, and E. L. Kincaid, now serving the Red Mountain Church, the later two living within the City of Durham.

Scarlett. *Committee on Resolutions*, Truett Cox, Chairman, Mrs. Harrell Perry, and Leo T. Bridgers. *Orphanage Representative for the Association*, C. N. Royal.

9. The Committee on Nominations, through its chairman, James P. Morgan, made its report as follows: Moderator, H. G. Hammett; Vice-Moderator, John Knight; Clerk, Charles C. Smith; Treasurer, O. A. Johnson; Historian, Charles C. Smith; Associational Sunday School Superintendent, Claude W. White; Associational Training Union Director, John T. Lennon; Associational W.M.U. Superintendent, Mrs. M. V. Byers; Chairman of Committee on Evangelism, H. B. Anderson. All of these were unanimously elected, and are the officers of the Association through the meeting of the Association in 1950.

10. Dr. Zeno Wall, Superintendent of the North Carolina Baptist Orphanage, presented that institution with great clarity and power.

11. Under Christian Education, the Moderator, asked B. E. Morris, representative for the Wake Forest Enlargement Campaign for this Association, to tell the present status of that Campaign; this he did, and told something of what the churches of this Association have done. He then presented the Rev. Eugene Olive, of Wake Forest, who spoke most enlighteningly on "Christian Education."

12. The Moderator, then presented H. G. Hammett, to preach the Association sermon. First, he read several passages of Scripture, then Mrs. Hammett, accompanied on the piano by Mrs. R. B. Wilkins, sang most acceptably, "The Church's One Foundation," after which the Preacher gave a great sermon on "Spiritual Foundations for a New World."

13. The Association then adjourned until 1:45 o'clock for the lunch hour.

AFTERNOON SESSION

14. Song Service, led by Claude White.

15. Scripture, and Prayer by Sidney Denman.

16. For the period devoted to the *Biblical Recorder*, Leo T. Bridgers, associational representative for that journal, presented its editor, Dr. L. L. Carpenter, who delighted the body with his presentation of that great Baptist paper.

17. Moderator Edwards then requested all Assistant Pastors, Education Directors, Music Directors, and other full-time workers in the churches to

stand and give their names, official positions, and the churches with which they are associated.

18. Associational Missions was then clearly presented in the details of the objects of Associational Missions, and its work, by Oren Bradley, Associational Missionary.

19. The Report of the Executive Committee was presented by D. J. Booth, Associational Vice-President, who presided while the different items of this report were placed before the Association.

(1) The revision of the Constitution was presented by W. B. Carr, and the revised Constitution was then adopted. The Clerk at this time stated that the Constitution adopted at the organizational meting of the Association held on November 7, 1948, had never been published inasmuch as this is the first regular meeting, and stated that as the new Constitution is not materially different from the old one it would seem a needless expense that both Constitutions be printed in the Minutes of the Association, and he asked what was the pleasure of the body as to this. W. B. Carr moved that only the new one be placed in the minutes, and that the new one be made effective as of this morning, thus superseding the old one. This motion prevailed without division.

(2) Mr. Bradley then, on behalf of the Executive Committee, offered a suggested Program of Activities for the Association for the year 1949-50. Part of these activities make an Associational-wide religious census by all the churches most desirable if some of these activities are to achieve the full success deserved. After a short discussion of this Lennon moved that all of our churches be requested to make a survey of their communities and of the whole territory embraced in the Association, and that the date or dates for this survey be decided by the Executive Board. This motion, being seconded, was made part of the program of activities, was carried.

(3) H. B. Anderson moved that that part of the program as to the simultaneous evangelistic meetings to be held in the spring of 1950 and a central meeting to be held in Durham at a later date of that year, be approved. This motion was seconded and carried and this becomes part of the Program of Activities.

(4) A Budget for the Association and for its churches was offered by Treasurer O. A. Johnson, was approved by the body. That, also, becomes part of the Program of Activities. Program of Activities, and Proposed Budget appear in a section of the Minutes immediately following these Proceedings.

20. W. B. Carr moved that all of the recommendations of the Executive

Committee be adopted and that the Association also approve of the employing of R. O. Bradley as Associational Missionary. This motion was seconded, and unanimously carried.

21. O. A. Johnson, as Treasurer of the Association, submitted his report for the period November 7, 1948, to September 30, 1949; this was received by the body and is included in the Section of Reports.

22. The Moderator announced the following to comprise the Committee on Committees: John H. Knight, Chairman, Robert L. Holt, G. Fred Lipe, W. Ezra Stanley, and Z. B. Teel.

23. The closing number on the day's Order of Business was a magnificent and challenging address on Evangelism by Henry B. Anderson, who, at the end of his talk pronounced the benediction.

The Association then adjourned to meet with the West Durham Church tomorow at ten o'clock in the morning.

SECOND DAY

WEDNESDAY, OCTOBER 26, 1949

West Durham Baptist Church, Durham

MORNING SESSION

24. Claude White, who is conducting the music for this session of the Association, led the body in a happy, spirited and worshipful service of song.

25. The worship service was led by John T. Lennon, pastor of the Ephesus Church, which with its pastor, so graciously entertained the Association yesterday. He read Ephesians 2:1-10, and offered a most fervent prayer.

26. The Moderator recognized B. E. Morris, pastor of the entertaining church for today, who, in a few well chosen words graciously welcomed the meeting of the Association in this beautiful and spacious church building.

27. The Baptist Hospital was then forcefully presented by Dr. W. K. McGhee, the hospital's Director of Religious Activities.

28. Mrs. W. V. Byers, Associational Superintendent of W.M.U., submitted her report of that efficient organization.

After making her report Mrs. Byers addressed the Association on "Missions," and so inspiring was this message that the Association, on motion, ordered it printed in our Minutes for this year.

Mrs. Byers' report and address appear in a section of these Minutes immediately following the Proceedings.

29. J. Harold Anderson, pastor of Lowe's Grove Church, stated that he has been made chairman of the CROP committee for this Association,

asked the cooperation of pastors and their churches in getting commodities for the Christian Overseas Program, and said that each would receive an explanatory letter from him.

30. J. Floyd Rhodes, Associational Training Union Director, submitted his report, which was adopted. This report appears in a section of these Minutes immediately following the Proceedings.

31. Charles C. Smith, Historian, stated that he had prepared a historical sketch of Bells Church, and moved that it be ordered printed in these Minutes, and this motion carried. This history appears in a section of these Minutes imediately following the Proceedings.

31. Fritz D. Hemphill, a former pastor in this Association, and Durham's first Superintendent of Missions, now pastor in Hickory, and Earle Bradley, of the State Missions Board, were recognized as among our welcome visitors.

23. Miscellaneous Business. Oren Bradley presented the application of Butner Church for membership with us. This was favorably acted on, and the church was most hospitably welcomed into our ranks.

34. Hammett moved that a map of the territory covered by this Association, with the locations of our churches, and that the map be published in these Minutes. This motion met with hearty approval.

35. The pastor of the entertaining church made announcement as to how the dinner was to be served.

36. A magnificent presentation of the work of the State Board in its manifold phases was given by Earle Bradley, a representative of the Board. The body was adjourned for an hour of lunch and fellowship.

(2) For Committee on Place and Preacher, T. D. Collins reported:

For the first day of the 1950 meeting: Lowe's Grove Church; for the second day, Temple Church.

These were duly elected.

(3). Leo T. Bridges reported for the Committee on Resolutions:

In behalf of the Committee on Resolutions we wish to report:

(a). That the Yates Association, meeting in its first annual session, extend to the Ephesus Baptist Church and the West Durham Baptist Church and their pastors, our deep appreciation for their gracious hospitality in entertaining the Association, and to the ladies of the churches for serving such well-prepared food.

(b). That we express our love and appreciation to our retiring Moderator, Brother John T. Edwards, and our Associational Clerk, Brother Charles C. Smith, for their faithful services.

(c). Resolved that we are grateful to each and every one who brought us information and inspiration in music and word;

(d). Resolved that to our officers and committees who shall seek to lead us during the coming year our full cooperation in the support of our Lord's work as committed to us.

Respectfully submitted,

C. E. Byrd, *Chairman*,
Leo T. Bridgers,
Roberta M. Perry.

40. Claude W. White reported for the Associational Sunday School work, and Mrs. Roberta Perry reported for the Vacation Bible Schools of the Association.

41. The Rev. R. M. Hauss, Executive Secretary of the Allied Church League, made a strong address and a stirring appeal to the church forces of the state to work for the control and abolition of the legal sale of all alcoholic beverages.

H. G. Hammett presented some strongly worded resolutions expressing the attitude of this Association, as follows:

We, the messengers and representatives from 37 Baptist churches composing the Yates Baptist Association, realizing the tragic, disastrous devestation of beverage alcohol, sold legally or illegally, wish to express ourselves as follows:

1. First, we deplore the liquor traffic and desire to place ourselves on record as being absolutely opposed to liquor, beer, wine, sold legally or illegally in North Carolina in general, and Durham County in particular.

2. Second, we seek ultimately a state referendum on this problem, and in the meantime elections in Durham County aimed to outlaw beer and wine and the ABC stores.

J. H. Knight moved that we endorse the Allied Church League, and this motion prevailed without dissent.

42. At this juncture retiring Moderator Edwards, presented H. G. Hammett, moderator-elect for the coming year, asked him to say what he would to the Association, and to present the last speaker of this session. Mr. Hammett spoke encouragingly of the work done in this, our first annual session, declaring that much history has been made in these two days, and in brief he outlined some of the work that all can do in making the coming year great for the ongoing of God's Kingdom among us. He then presented J. Winston Pearce, pastor of the Durham First Church, who made one of the best addresses of these days, and one calculated to inspire all who so intently listened to his stirring appeal to do larger things for our Master.

After prayer by Mr. Pearce the Frist Annual Session of the Yates Baptist Association adjourned until Tuesday after the fourth Sunday in October, 1950.

YATES BAPTIST TRAINING UNION

The year just concluded is the first in the history of the aYtes Associational Training Union. It is not until a baby is nearly a year old, that it learns to walk. Figuratively speaking, the Training Union has crawled during the past year.

There were a number of factors which retarded the progress of the Training Union. The first was the delay in the beginning of the year's work caused by the organization of the new Association. Secondly, the lack of adequate financial support due to the fact that the Association had very few funds available. Thirdly, the inability of a number of the elected officers to serve. And finally, the director's inability to devote the amount of time required to properly promote the Associational program.

Against his better judgment, the director agreed to serve after his election because the Association was new and because of his previous experience and close connection with the work. However, the promotion of the Regional work and convention required a large portion of his time and prevented him from devoting the proper time to the new Association at the time when it was needed most. During a portion of the past year he was Director of the Training Union in the First Baptist Church and Director of the Fourth Regional Training Union in addition to trying to serve the Association.

Despite the handicaps, four mass meetings were held during the year and one officers' and leaders' council in conjunction with the first meeting held December 5 in the First Church. The Associational elimination tournaments were conducted at the March 27th meeting in Temple Church with the following winners who represented our Association at the Regional Convention in Sanford April 22 and 23.

Adult Scripture Reading—Miss Clarine Perry, Temple Church.
Young Peoples Better Speakers Tournament—Miss Ernestine Mangum, Temple Church.
Intermediate Sword Drill—Emma Jean Ingram, Bethesda Church.
Junior Memory Work—Patsy Ingram, Bethesda Church.

The June 26 meeting was held at the Lowe's Grove Church and the concluding meeting of the year was at the West Durham Church, September 26. The year's total attendance was about 375.

The officers for the 1948-49 year were:

Director, Floyd Rhodes, Jr.
Associate Director, Miss Ruby Lee Lowe
Pastor-Adviser, Rev. H. G. Hammett
Secretary-Treasurer, Mrs. Harrell Perry
Story Hour Leader, Mrs. James L. Logan
Junior Leader, Miss Flora Lloyd
Intermediate Leader, Rev. John T. Lennon
Young Peoples Leader, Mrs. Charles E. McKinnon
Adult Leader, Rev. John H. Knight
Chorister, Rev. Claude W. White
Pianist, Cleo Faucette

Nearly five hundred cards and letters were sent during the year.

In conclusion this writer wishes to express his sincere appreciation and gratitude for the wonderful privilege of serving the Mount Zion and the Yates Associations during the past five years. He can but look back on them as some of the happiest years of his life and an experience with which he would not part for any price.

Floyd Rhodes, Jr., *Associational Training Union Director.*

Mrs. Byers' Address

What a wonderful people you are! This morning for the first time, as a representative of the Woman's Missionary Union, I stand before the general assemblage of the Yates Association and look into the faces of those who are present. I see before me preachers and teachers, educational directors, ministrs of music, B.T.U. directors, deacons, W.M.U. officers, financial secretaries, leaders and members of the "body of Christ" in all phases of our denominational work. Truly you are His chosen ones. "Of His fullness have all ye received and grace for grace." I am aware as I have never been before that as long as the missionary principles of the teaching of Christ stand, there can be no separate woman's missionary union, but that all of us together form the missionary union of the church. The Woman's Missionary Union is but one arm. Oh, how we need the strong right arm of the manhood of our church enlisted in the study and the pusuit of missions that an informed membership in our churches may be able to look intelligently and compassionately upon a field that is white unto harvest! A young lady sat talking at dinner with a world-famous diplomat and discussed with him conditions in his homeland and throughout the world. "You must have traveled extensively," he remarked. "Oh no," she replied, "I am just a member of the Woman's Missionary Union back home." Miss Margaret Bruce, our southwide young people's leader says, "If we know, we will pray; if we pray, we will give; if we give, we will go. Therefore study to know." My plea is for a presentation of the needs of the world to the membership of our churches in a vivid, more forceful way than they have ever been presented before, that the manhood as well as the womanhood of our churches may really know. If we study to know we will have impressed upon our hearts the fact that the needs are critically urgent, that the world is filled with people who are disillusioned and hungry of heart. We will see the unparalleled opportunities and will realize the inescapable responsibilities that are ours. We will be impressed by the unenlightened ignorance, by the unconquered sin, by the uncomforted sorrow, and will seek to answer the needs of the world by sharing Christ with the people of the world. If we really know, we will pray, we will give, we will go.

The W.M.U. theme for the new year is "Advancing with Christ Now." We appeal to you as leaders in the Yates Association to help make that advance possible. In the preparation of the budgets of the various churches may we keep in proper perspective the needs of the world that they may not be overshadowed by the urgency of the needs at home. As a member of a Baptist church you are inescapably a member of a missionary union, and, as such, you cannot be satisfied as long as an average of only three cents out of every dollar reaches foreign mission fields. The need for "advance" you must admit, the urgency of the "now" you cannot deny, but it is the "with Christ" that makes our missionary effort worthwhile. Can we "advance now with Christ" without giving unselfishly, unstintingly of our best?

Finally, if we would succeed as a missionary union, we must have faith in the work we are doing, faith in our influence, faith in the one who entrusted to us this task. As someone has said, "The adequacy of Christ is the guarantee of our endeavor." A young girl, one of our Margaret students, was informed of the death of her father upon the foreign mission field. As her tears flowed in the first agony of grief, a friend remarked, "Today your father sees Christ as he could never see Him here in this world!" The girl dried her tears, and began to write her term paper, which she entitled "Christ Unlimited." It is the "Christ Unlimited" that gives us faith that in a world obsessed by darkness the morning light will break.

"' I do believe the world is swinging toward the light'
So spoke a soul on fire with holy flame,
Amid the dark such faith pierced through the night.
The dreamer wrought, and living fruitage came.
"To give of self, and not to count the cost,
To learn, to teach, to labor, and to pray,
To serve like Christ the least, the last, the lost,
These were the beacon fires that lit the way.
"Our light grows dim; the air is thick with doom,
And everywhere men's souls are crushed with fears.
Yet high above the carnage and the gloom
The call resounds across the teeming years,
'Lift high Christ's cross! Serve God and trust His might.
I do believe the world is swinging toward the light.' "

(MRS. W. V.) CAROLYN M. BYERS.

PROCEEDINGS OF THE FIRST SESSION, YATES BAPTIST ASSOCIATION W.M.U.

The first session of the Yates Baptist Association W.M.U. was held at the Bethesda Baptist Church, on Friday, April 22, beginning at 10:00 o'clock, Mrs. Walton V. Byers, the superintendent, presiding.

The meeting was opened with the hymn for the year, "O For a Thousand Tongues to Sing," and the three Watchwords were repeated in unison.

Mrs. H. G. Hammett, sperintendent of the Raleigh Division, led the devotional, using John 3:16. She spoke of the different gods that were worshiped in ancient times but none of them loved the worshipers. Only the true God loved enough to give His own Son to save the world He loved.

A double quartette from the First Baptist Church rendered a beautiful selection, "God So Loved the World."

Mrs. John H. Knight, wife of the pastor of the hostess church, gave the welcome address, and Mrs. J. H. Fulghum of Edgemont Church responded.

Mrs. C. L. Haywood, who was the first superintendent of the Mt. Zion Association spoke on the life of Matthew T. Yates, for whom this Association was named.

Lowe's Grove and Watts Street societies were recognized as having been A-1 in 1948. The only two societies to attain this distinction.

Mrs. R. H. Dalehite, Community Missions Chairmen, introduced Rev. Klein Parks Secretary of Baptist Student Union at Duke University who spoke on her report. He told interestingly of his work there.

Miss Cora Lee Cannon spoke for Mrs. Clarence T. Poe, Stewardship Chairman. She brought a stewardship message using posters to more effectively point out the meaning of true stewardship. Mrs. Bessie H. Hilliard, Mission Study Chairman, in her report described Mission Study as the windows through which W.M.U. sees the world and its mission needs. Mrs. J. M. Bullock, Literature Chairman, used several ladies to represent the different periodicals of the W.M.U. showing their importance in the work of the Union.

Miss Hilda Mayo, State Young People's Leader, spoke on the urgency of making Christ known. She told especially of her visit to the River Front mission in New Orleans. A solo, "I Know That My Redeemer Liveth," sung by Mrs. C. S. Sullivan with Miss Jean Bowman, accompanist was greatly enjoyed.

Mrs. Byers introduced Miss Minnie Berry, a missionary to the mountain people of Alabama, who brought the main address of the morning. In introducing Miss Berry, Mrs. Byers spoke of her as one who wears golden sandals and where she walks the land is healed and the little lambs are brought to God.

The closing prayer was led by Rev. Oren Bradley and the Association adjourned for lunch which was prepared and served by the women of Bethesda Church.

The afternoon session was opened with the hymn, "Christ for the World We Sing" and the devotional was led by Mrs. W. Bryant Carr, wife of the pastor of Edgemont Church. Her scripture was Psalm 145: 12, the Watchword for the year.

Mrs. C. H. Walton, Associational Young People's Leader, and Harry Byrd, Royal Ambassador Counselor, were in charge of the next part of the program. The speakers were Miss Jean Randolph, who spoke for the Girl's Auxiliary, Miss Lellon Carden, who spoke for the Young Woman's Auxiliary, Mason Wilkins and Tommy Roberts, who spoke for the Royal Ambassadors. They each spoke on what the organization had meant to them.

Miss Hilda Mayo spoke on "Training for Service" through the Margaret Fund and the W.M.U. Training School.

Mrs. Chas. D. Faucette, Asso-Supt. was in charge of a memorial service for those who have been called to higher service during the year. As each name was called Mrs. B. A. Hayes placed a white carnation on a wreath. The wreath was sent to Mt. Pisgah Church and placed on a marker there honoring Matthew T. Yates.

The committees appointed for the day made their reports. Mrs. Carl Bishop read resolutions of appreciation. Mrs. B. A. Hayes reported for Time and Place. Mrs. S. E. Dennis who was in charge of registration reported an attendance of two hundred sixty-five with twenty-seven of the thirty-five churches represented.

Mrs. C. L. Haywood presented the Association with a copy of the book, "The Life of Matthew T. Yates" which was greatly appreciated.

Mrs. J. T. Craig read the report of the nominating committee and Mrs. J. M. Cheek was in charge of the installation service. Rev. John H. Knight, pastor of the hostess church brought the closing meditation.

REPORT OF SUPERINTENDENT

Making Him Known Through Our Association

It is with abundant joy in our hearts that we have served during these several months as your superintendent. When God calls and we answer, we find that somehow the weak vessel becomes adequate to His use, and the empty cup is filled to overflowing. Paul wrote with an understanding heart when he said, "When am weak then am I strong." As the Lord spoke to him and said, "My grace is sufficient for thee, for my strength is made perfect in weakness," so He speaks to you and me as we enter together upon the work of our Association.

There are, as you perhaps know, thirty-five churches in the Yates Association. Of this number all except one have at least one missionary organization. There are thirty-four Woman's Missionary Societies and one hundred and three Young People's Organizations, five of which are new. The total membership of the Woman's Missionary Societies are 2048, of the young people 1396, with a grand total of the W.M.U. of the Yates Association of 3444 members.

The opportunities of Making Him Known through our Association is manifold. As we reach out with our prayers, with our gifts, with our ministries, even to the uttermost parts of the earth, we find that by so doing we are fitting ourselves in to God's great plan for our lives that His kingdom may come and His will be done on the earth as it is done in heaven. This is our golden opportunity of fulfilling our mission, of living as He would have us live.

In the hush of the early morning three women stood on the eastern slope of a hillside and watched the sunrise. As the first golden shafts of light streamed across the horizon, they stretched out eager hands and caught the golden sunbeams, which somehow turned to golden treasure in their grasp. One clad in shining raiment stood beside them saying, "As ye have received, go; and when the evening sun is setting, meet me on the other side of the mountain." With eager feet and heart Maurya fled down the hillside, into the village, and turned into her own little home. Placing the treasure upon a table, she called all the members of her household to come and see. As in their eagerness they crowded around the table, the treasure seemed to vanish and the room to be filled with a golden glow. People passing by the house in the street outside were amazed and cried out, "Behold a house with golden windows!"

Aurethia walked slowly down the mountainside with the wonder of morning on her countenance and in her heart. Turning into a little garden, as she looked sadly at the weeds that were growing there, her gaze fell upon a cluster of bleeding-hearts growing in a wooded dell. Laying aside her treasure she knelt beside the fragile flowers and touched them with her gentle fingers. Suddenly she was aware of a fragrance that filled the air. Turning, she saw that the treasure had vanished and that beside the bleeding-hearts, there had sprung up lilies with calyxes of gold.

Eliama walked upon the mountain top with the glory of the sun shining down upon her. Holding close against her heart her treasure, with face uplifted to the blue of the sky above, she walked; and a deep joy filled her inmost being. Suddenly there came upon her ears the sound of bleating, and looking down into the deep ravine, she caught sight of a tiny lamb held fast in the bushes. Still clutching her treasure, Eliama sought to climb down to the lamb, but her sandals were torn by the rocks and her feet were bleeding ere she reached him. There, in order to free the lamb, she laid down her treasure; and in turning to take the lamb in her arms, her foot touched the golden treasure, which rolled into the deep chasm below. Eliama climbed again to the top carrying the lamb close against her heart. Looking down she saw that her feet were clad in golden sandals.

In the evening as the sun was setting, three women gathered on the western slope of the mountain. As the sun sank in all its splendor there stood beside them one clad in shining raiment and wearing a crown of gold. The three women knelt in awe before him as they held out empty hands. "We have come" they said, "but without any treasure."

"Without any treasure?" replied the shining one, "Open your eyes and look!"

They turned their heads and looked. Lo, in the village where there had been one cottage with shining windows, there were hundreds of homes with golden windows. Again the voice said, "Look" and lo, where there had been one cluster of lilies with calyxes of gold, the valley was full of them, and where weeds and brambles had been flowers had sprung up.

"Look!" said the voice a third time. And as they looked, behold the land had been healed, the ravine had disappeared, and where the golden sandals had walked were children singing, "How beautiful upon the mountains are the feet of him that bringeth glad tidings, that publisheth peace." And the voice said, "Behold thy gifts! Arise, shine, for thy light has truly come."

You and I stand upon the eastern slope of the hillside. The treasure is ours. What shall we do with it to make Him known through our Association? Your heart and mine must answer.

"He giveth more grace as the burdens grow greater,
He giveth more strength as the labors increase,
To added affliction He addeth His mercy,
And to multiplied sorrows He multiplies peace.
When we have reached the end of endurance,
When our strength has failed ere the day is half done,
When we reach the end of our human resources,
Our Father's full giving is only begun.
His love has no limit, His grace has no measure,
His power no boundary known unto men,
For out of His infinite riches in Jesus,
He giveth, and giveth, and giveth again."—Anon.

Respectfully submitted,
MRS. WALTON V. BYERS, *Superintendent.*

REPORT OF THE YOUNG PEOPLE'S LEADER

That the world may know through our young people, we need to realize the responsibility of training our young people in Christian service. Until we understand the value of a child in the eyes of Jesus we are far from the Kingdom. Children who learn to love Jesus will be the leaders of the world tomorrow. We can do much in our Young People's Auxiliaries to encourage and train our young people.

Respectfully submitted,
MRS. C. H. WALTON,
Young People's Leader.

TIME AND PLACE

Group No. 1, Mrs. Wayland A. Godwin, Group Leader, will be hostess. The time will be set by the State W.M.U. office in Raleigh at a later date.

Respectfully submitted,
MRS. B. A. HAYES, *Chairman*
MRS. W. A. GODWIN,

INSTALLATION OF OFFICERS

Mrs. J. M. Cheek, in charge of the installation service

"Consecrate me now to Thy service, Lord, by the power of grace divine, Let my soul look up with a steadfast hope and my will be lost in Thine."

Submission to God's will and a desire to serve must be the purpose of each and every one who call themselves Christians, but especially does this apply to those chosen as you have been to lead the membership of this Association by precept and example to higher spiritual living and greater achievement during the coming year.

We read it is required of a steward that he be faithful—I, therefore, charge you that you be faithful in the work whereunto you have put your hand. That you deport yourselves at all times as to bring honor to the organization that has set you apart as leaders.

In order to do this strength and wisdom must be given—It will not come from within but from above—Proverbs: 2:6, tells us "For the Lord giveth wisdom, out of His mouth cometh knowledge and understanding." James 1:5, says: "If any of you lack wisdom let him ask of God who giveth to all men liberally and upbraideth not, and it shall be given him."

Let nothing be too great to attempt, for with St. Paul you can say, "I can do all things through Christ, who strengtheneth me."

To you who have chosen these officers, I ask you to receive them, remembering they will succeed or fail in the measure in which you cooperate or refuse to help them. Give them your prayers, hold you their hands and together great things will be accomplished in this Association during the coming year. And may we all so live in this world that in the world to come we may have life everlasting.

HISTORICAL SKETCH OF BELLS BAPTIST CHURCH

In the year, 1815, Bells Baptist Church, whis is now located at Apex, Rt. 3, received its charter. The church was first known as Lassiter's Meeting House; later it was called Pleasant Grove Baptist Church. It later became affiliated with the Mount Zion Association, though the record of that date is not available. Messengers from Bells to an association meeting held at Cedar Fork in 1836, though that association was not the Mount Zion, as this association was not organized until 1870, were W. T. Horton and W. L. Pope.

The name and date of service are not known of any pastor prior to 1886, when J. C. Wilson served from 1886 to 1890. From those dates the list of pastors is long, and all of their names cannot be given here for lack of space available in these Minutes, but a short list shows some splendid men of God, such as: W. A. Smith, 1893, and 1894; C. A. Upchurch, 1899-1901; J. C. Hocutt, a name very dear to many in this section, 1902-1914; W. S. Olive, 1912; H. G. Dirsett, still living, 1920-22; G. T. Mills, 1929-43; K. E. Bryant, 1944-47, and, the present pastor, David Poe, 1948 and 1949.

Three churches have been built upon the church site. The records of the first church are not available, however the second church was built in 1910. She was a wooden structure and had a seating capacity of 300. The church property in 1920 was valued at $3000.00.

The Mount Zion Association held its annual meeting at Bells Baptist Church in

1910. W. C. Barrett was the moderator; C. P. Norris was the clerk, and J. W. Lynch was the preacher of the Annual Sermon.

The church in conference March 23, 1939, appointed Troy Howard, J. V. Horton, W. E. Sexton, A. A. Johnson, and Mrs. J. M. Cochran to see the membership of the church to solicit funds for a new church.

On October 27, 1940, plans were discussed for raising funds for a new church. The following were appointed as a committee: L. W. Holleman, John Horton, Pittman Harward, and Mrs. Lois Harward.

On April 26, 1942, the church voted to purchase War Bonds with the money that was in the building fund.

On December 10, 1944, the building committee was appointed for the new church that was to be constructed. The members of the commitee were J. E. Lasater, Ray Fearrington, Eustace Horton, Mrs. R. G. Beckwith, Mrs. Jessie Cochran, and Mr. O. M. Page of Raleigh was selected to draw the plans for the church.

On September 3, 1945, the ground breaking service was held. A large portion of the church participated in the service. The work has progressed steadily under the leadership of the building committee. On March 21, 1948, the church approved a committee composed of Eustace Horton, Troy Howard, and J. J. Fearrington to dispose of the church building erected in 1910. The committee disposed of the old church.

After the committee disposed of the old church, services were held in Bells School until the school was destroyed by fire on August 17, 1949. Services were held for the first time in the new building on August 21, 1949.

For 1949 the church adopted the Unified Budget System. At the present time Sunday School services are held each Sunday morning, and the morning worship service is held each first and third Sunday mornings at 11 A.M.

On October 2, 1949, the church building was officially opened and Homecoming Day was observed. Dr. D. B. Bryan, Dean of Wake Forest College, was the principal speaker for the morning service. Rev. Garland Hendricks, pastor of the Olive Chapel Baptist Church, pronounced the benediction.

It shall be the duty of this committee to study the

applications of churches seeking admission into the Association and make recommendation to the Association Board regarding the same. Carr moved the adoption of this addition, and this was acted on favorably.

Editor L. L. Carpenter, of the *Biblical Recorder*, spoke charmingly and enthusiastically on that excellent religious journal.

15. H. B. Anderson spoke most informingly about the Ministers' Relief and Annuity Board.

16. Cox, for the Program Committee, stated that inasmuch as we are running ahead of the morning's schedule, he moved that we hear from R. K. Redwine, Superintendent of the Caswell Assembly. This motion was carried, and Dr. Redwine gave an informing and interesting talk on that Assembly.

17. At 11:30 the annual Association Sermon was preached by the Rev. John T. Lennon, pastor of the Ephesus Church. The Scripture read was Ephesians 2:1-10 and the subject of the sermon was "From Death to Life." It was a splendid message. Mr. Lennon pronounced the benediction and offered thanks for the meal, and the people repaired to the commodious basement of the beautiful new church and partook of a grand dinner.

DINNER HOUR

AFTERNOON SESSION

18. A spirited and heartening service of song was led by Claude White and was greatly enjoyed by the audience.

19. Calvin Knight read John 3:1-21 and led in prayer.

20. Andrew J. Morgan, of Virginia, a former pastor of the Lowe's Grove Church, and the Rev. R. P. Harris, pastor of the Calvary Free Will Church, Durham, were recognized and welcomed as visitors.

21. Matters from the Association Board.

(1) J. J. Thornton read the folowing resolutions about the Southeastern Seminary, soon to be established on the grounds and in the buildings now occupied by Wake Forest College. These resolutions came from the Board with the recommendation that the Association vote on them favorably, and this was heartily done. Warren Carr moved that copies of these resolutions be sent to the *Biblical Recorder*, State Executive Officers and the Trustees of the Seminary. This, too, got favorable action. The resolutions follow:

RESOLUTIONS REGARDING THE WORK OF SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY, WAKE FOREST, NORTH CAROLINA

Whereas the area to be served most directly by the Southeastern Baptist Seminary has in it large numbers of undeveloped small churches, and

Whereas a large number of the students of the Southeastern Baptist Seminary will serve as pastors of these churches, and

Whereas the people of small communities are being blessed with education, money wealth, and cultural opportunities and are awaiting leadership to develop full and aggressive programs in their churches, and

Whereas it is our conviction that the new seminary can be instrumental in stimulating rapid and desirable development of these churches by adopting proper policies and practices with regards to its students,

Therefore, be it resolved that the Yates Baptist Association go on record as urging the administration of Southeastern Baptist Seminary to adopt the following policies:

1. Design a curriculum to prepare leadership to meet the needs of our churches in small communities.

2. Provide guidance for students who serve as pastors of churches and encourage them to live on their church fields as much of the time as possible.

3. Do everything possible to see that rural and small churches have representation on the Board of Trustees of the Southeastern Baptist Seminary at all times.

Respectfully submitted,

J. J. Thornton,
S. M. Green,
Robert Holt,
C. E. Byrd,
Garland A. Hendricks,
Committee.

August 22, 1950.

(2) The Clerk presented applications from the newly organized Maryland Avenue and the Plain View Baptist Churches for membership into the Association, with the recommendation that they be accepted. Both of these churches, with the pastor of Plain View, and their messengers, were heartily welcomed by the Rev. John T. Edwards, former Moderator, on behalf of the Association. The pastor of the other church, the Rev. Mr. Shore, was not present because he is taking special work at Duke University.

(3) The Clerk, on behalf of the Board, made the following motion, with the recommendation from the Board that the Association act favorably on it: "I move that the Yates Baptist Association request the Baptist Council of Durham and Vicinity, Inc. to turn over its work to the Association with all of its privileges, responsibilities and obligations." This motion was seconded, and was open for discussion. Full discussion was entered into by several

messengers, and J. J. Thornton offered the following substitute motion, which was seconded and carried. "I move that the Yates Association go on record as being willing to assume the responsibilities and obligations of the Durham Baptist Council, both as to its finances and as to its services to be rendered. We feel that it is wise and desirable that the Association and the Council unite their efforts in one integral program as soon as it can be agreed upon between the two bodies. That the Association appoint a committee of five to confer with the Council at the request of the Council." This substitute motion was seconded. A. F. Gibson requested that the full statement, as a preamble to the motion be read. This was done by John H. Knight, the author of the statement. (This statement appears in full in the Reports Section.) Pearce moved that this entire matter be laid on the table for one year, or until the next annual meeting of the Association, and this motion was seconded and voted on by standing, and was carried 105 For and 48 Against.

The above figures are taken from the Associational letters except the churches marked with an asterisk (*) which indicated no pledge in the letter. The amount for these churches is suggested by the Associational finance committee. It is hoped that each church will accept the suggested goal. We hope to receive $1800 from the State Convention.

24. Announcement was made that in 1952 the Lystra Church would celebrate its centennial and will invite the Association to meet with it one day.

25. Pearce spoke of the good entertainment that the Lowe's Grove Church has given to the messengers and visitors today, and moved that the Association give the church a rising vote of thanks and appreciation. This was done unanimously and joyfully.

26. The Clerk made a report, and this is in the Reports Section.

27. H. B. Anderson, chairman of the Committee on Evangelism, was recognized, and he asked B. E. Morris, chairman of Evangelism for the State to say a word, who made a graphic statement as to his observation of the deep interest in the 1951 Campaign for Evangelism as he has visited quite a number of Associations in different parts of North Carolina for the past several months.

The Rev. Charles B. Howard, of Campbell College, was a specially invited guest to speak to the Association on Evangelism, and he did so most effectively and to the delight of all who heard him. The day's session closed with prayer by Mr. Howard.

TEMPLE BAPTIST CHURCH

Wednesday, October 25, 1950

MORNING SESSION

28. At 9:30 o'clock Moderator Knight called the body to order, and a lovely service of song was engaged in by those present, and led by Claude White and Truett Cox.

29. A Scripture passage was read by Weldon Johnson, who also led in prayer.

30. The pastor of the host church, Charles A. Maddry, gave the messengers and visitors cordial words of welcome.

31. Warren Carr suggested that, as this is "United Nations Day," being the fifth anniversary of the organization of that body, a period of prayer be observed at some time during the day.

32. Claude White, Superintendent for Sunday School work in the Association, made his report for the past twelve months. This report was received with gladness and appreciation, and it will be found in the Reports Section.

33. The Superintendent of W. M. U. for the Association, made a grand report and a most charming speech. The report was adopted and appears in the section on Reports.

34. Historian Charles C. Smith, read a sketch of the Olive Chapel Church. This, too, will be found in the section on Reports. That great church is observing its Centennial this year.

35. C. N. Royal, pastor of Angier Avenue Church, moved that the 1950 Association Minutes be dedicated to the memory of the late Rev. W. G. Hall, for almost twenty years pastor of that church, and who was Moderator of the Mount Zion Association for a period of six years, and that his picture be inserted in the Minutes. This motion was joyfully, yet tearfully, voted favorably.

36. Warren Carr rose to a point of order, and on being recognized to state his point of order, said that the Moderator erred in allowing a motion to table a matter that had in it both a motion and a substitute motion. He referred to the matter of the motion that the Association request the Baptist Council of Durham and Vicinity to turn over its work to the Association. The Moderator freely acknowledged that he erred in not ruling the motion to table out of order, and he ruled that the question was still before the body. He asked that the body vote either to sustain his ruling, or declare him wrong. The Moderator was sustained, and the question was before the Association for discussion and vote. A number of messengers freely discussed the matter. The Program Committee had arranged for Dr. Harold W. Tribble, President of Wake Forest College to speak at 11:45, and Warren Carr moved that if this matter is not disposed of by that time it be deferred until this afternoon and taken up again under "Miscellaneous Business," and this motion prevailed. He also moved that Bryant Carr preside during this discussion, and this motion was carried, whereupon Mr. Carr took the chair. John Knight was recognized who discussed the matter, as did Truett Cox, Jimmie Morgan, Warren Carr, Frank Marshall. 11:45 having arrived, motion was made that after a song we hear Dr. Tribble, and this prevailed.

37. Dr. Tribble was introduced by B. E. Morris, who in this Association represents the Wake Forest Enlargement Campaign. Dr. Tribble made a grand address, and our people were wonderfully impressed by Wake Forest's new President.

37. The Moderator then recognized L. A. Nall, of Burlington, and Paul Deaton, of Hillsboro, and J. Marshall Walker just come as pastor of the Braggtown Church.

AFTERNOON SESSION

38. Claude White led the audience in a spirited service of song, after which Woodrow Glass read from the fourth chapter of Luke and led in prayer.

39. George Shore, pastor of the newly organized Maryland Avenue Church, was presented to the Association.

40. Cleo Faucette read the report on the Baptist Hospital, and Dr. Richard K. Young, of the Hospital, made a fine talk on that most valuable and beloved institution.

41. C. N. Royal said a few words on our Baptist Orphanage, and presented Superintendent W. C. Reed of that institution who greatly delighted the Association with his remarks about our work that occupies so large a place in the affections of North Carolina Baptists.

42. The Allied Church League had been given a place on our program, but no one was at the Association to present the important cause that that organization embodies. It was moved that the Moderator and Clerk prepare a statement about its work and that it be embodied in the Minutes. This motion was carried.

43. J. T. Edwards, chairman of the Committee on Committees, announced committees for next year as follows:

EXTENSION COMMITTEE: B. E. Morris, Chairman; W. O. Andrews, J. Winston Pearce, John H. Knight, G. Fred Lipe, Willis Bennett, J. Frank Marshall, A. F. Gibson, S. M. Greene.

MISSIONS COMMITTEE: W. Bryant Carr, Chairman; Charles A. Maddry, Frank Chance, J. P. Whitfield, R. D. Holleman.

NOMINATING COMMITTEE: M. Fred Scott, Jr., Chairman; Z. B. Teel, Harvey Holt.

PROGRAM COMMITTEE: H. B. Anderson, Chairman; E. Weldon Johnson, Lester C. Williams, Warren T. Carr, J. L. Scott.

ACTIVITIES COMMITTEE: J. Winston Pearce, Chairman; J. N. Jones, Leo T. Bridgers, John H. Knight, Miss Nannie Mae Herndon, Claude W. White, W. B. Carr, Mrs. M. V. Byers.

FINANCE COMMITTEE: O. A. Johnson, Chairman; John T. Lennon, P. C. Herndon, E. L. Kincaid, C. S. Norville.

44. Reports of Committees.

Report of the Missions Committee was made by Chairman W. B. Carr, and this was adopted, and will be found in the Reports section of these Minutes. Superintendent Bradley spoke to this report.

C. S. Norville, for the committee on Place and Preacher for 1951, reported that Edgemont Church will entertain the Association on the first day, while the Red Mountain Church will be our host on the second day.

The preacher of the Association Sermon will be C. N. Royal, or his alternate, M. Fred Scott, Jr. The report was adopted.

C. N. Royal, for the Committee on Resolutions, made the report, which was adopted, and the resolutions are in the section on Reports.

Bradley, in the absence of the chairman, J. Floyd Rhodes, who was not present, made the report of the Committee on Activities. This report is in the Reports Section.

45. At this point discussion was resumed on the motion presented by John Knight. Inasmuch as Mr. Pearce was cut off by the time having arrived at 11:45 this morning, the acting Moderator, Bryant Carr, recognized him. After a short talk he moved that the matter be tabled, and H. B. Anderson seconded the motion. Warren Carr rose to a question of personal privilege, and said that the motion to table this motion was not in order, and the Moderator ruled that the motion was in order, and he asked the Association to sustain this ruling, but the group did not sustain him, so discussion on the original motion was resumed. Then the following spoke: John Knight, Cox, Teel, Kincaid, Warren Carr, Anderson. Cox offered a substitute motion, which was seconded, but the motion was lost. Calvin Knight moved the previous question and his motion was seconded and carried. The original motion that the Association request the Baptist Council of Durham and Vicinity to turn over its work to the Association, was put. That motion was carried.

46. Mr. Cansler, Chaplain of the B. S. U. at Duke University, was recognized.

47. The closing item on the order of business, an address by E. L. Kincaid, pastor of Lakewood Church, was then taken up. The subject of the address was, "The Christian Witness in Times of War."

The address was a thoughtful one and was well received by the audience.

After a prayer by Mr. Kincaid the Association adjourned sine die, and is scheduled to meet with the Edgemont and the Red Mountian Churches October 30 and 31, 1951.

Reports

THE ASSOCIATION AND THE BAPTIST COUNCIL

Brother B. E. Morris, President of the Baptist Council of Durham and Vicinity, requested me to prepare a paper to present to the Executive Committee of the Council and the pastors of cooperating churches, giving reasons why the Yates Association should assume the work now being done by the Baptist Council with all of its consequent obligations. The following was prepared with that purpose in mind. It seemed, wise, however, upon consideration of the problem to submit these thoughts to you for your deliberation; therefore, with your permission we will proceed.

All of us are mindful of the birth of the Baptist Council. It was absolutely essential to the best welfare of the Lord's work in the rapidly growing city of Durham. Repeated efforts had been made to reach an agreement in the Mount Zion Association whereby a new Association might be established in and around Durham. All of these efforts ended in failure.

For a number of years the Association attempted to maintain an Associational Missionary—one of the first in the South—but his territory was so large and so scattered and the need was so great that very little was accomplished by his efforts. It was learned through this experience that an Associational Missionary, no matter how zealous, could not do the work demanded by this rapidly growing area in N. C.

The Baptist Council was duly organized, starting, of course, with a very small beginning and the weak support of four churches. The Council began and has grown through the years to make one of the most valuable contributions to North Carolina Baptists that has been made. Much of the accomplishment of the Council is due absolutely to the personal faithfulness of Brother B. E. Morris who has served as its President since its organization. His tireless work and never-failing energy is responsible for the eleven churches which have been established in and around the city of Durham. The many other activities of the Council are well worthy of note: Services rendered to institutions, to business establishments, in Mission Sunday Schools, in evangelistic meetings of one kind and another, and in various cooperative efforts which were promoted by the Council in the churches of the city and surrounding territory. To minimize the accomplishments of this great organization would not only be to misrepresent the truth, but it would indeed be a sin.

Then, with the highest appreciation for all that the Council has done and has meant to the cause of Christ, let us make a few observations why the Yates Association should assume the responsibilities and obligations of the Baptist Council:

FIRST: The Baptist Council of Durham and Vicinity came into being because the Mount Zion Association was too scattered and too loosely knit to do effective work and because of the crying need in and around Durham for the expansion of Baptist work. It is safe to conclude that, with the compact geographical area of the Yates Association, and with the majority of her member churches comprising the Baptist Council, the Council has finished her work and that the Association can best carry on from here.

SECOND: The District Association is the unit for local work recognized, accepted, and promoted by the Southern Baptist Convention. There are 956 District Associations throughout the South. To try to maintain the Durham Baptist Council as a local unit of work for Baptists, and the Yates Association as a local unit for Baptists is certainly divisive in its nature. It cals for double support from the churches, both financially and in participation in the work. Such two organizations cannot be maintained without overlapping and definite conflict and positive division in the effort of the work.

THIRD: It is well known that Mr. M. A. Huggins, Executive Secretary of North Carolina Baptists, and certain other leaders of the State have been opposed to City Missions in the State of North Carolina from its very start. To be sure, he and they have cooperated excellently with the Baptist Council in its undertaking. Nevertheless, when City Missions was being discussed among the State Secretaries of the Southern Baptist Convention, Mr. Huggins, in addressing that body, stated that he did not think the City Mission program appropriable to North Carolina in that our cities were not large. He was rather inclined toward the Associational Mission program which he has greatly developed in our State and which seems to be serving our needs remarkably well.

FOURTH: It is possible that the Baptist Council in continuing its own program of operation would ultimately render more harm to the kingdom cause by weakening and dividing the Yates Association than it has rendered good to the kingdom cause by establishing churches in this vicinity. To defeat the fear that Yates Association is too large an organization to be effective in the establishing of new churches, one might call attention to the work being done in the Raleigh Association with 72 member churches where at least five new churches have been organized this year.

FIFTH: The Baptist Council is assuming that the Yates Association is unwilling to take over the work which it is now doing, but the Yates Association has never been consulted as to its willingness thus to obligate itself.

SIXTH: The chief argument for the establishment of the new Association was to form a strong centralized working unit. Therefore, it was generally understood by the leadership of the Yates Association that when the Association was duly organized the Baptist Council of Durham and Vicinity would turn its work over to the Association, have its charter reissued, and join the Association in continuing the program of expansion which the Council has stood for through the years, thus building one of the strongest associations in the State.

SEVENTH: It can be clearly seen that if we maintain two organizations to do the work which one could do, our churches shall be called upon to render more financial assistance for the accomplishment of local work which might be done through the Yates Association at less expense to the churches. For example, in 1947 Bethesda gave $300.00 to the Baptist Council and only $81.00 to the Association. In 1949 we were asked for $300.00 for the Council and $480.00 for the Association. (Note the increase.) As a result only three of our churches belonging to the Council accepted their apportioned amount for the Associational budget. Neither of these have kept their payments up-to-date. Therefore, we have been "hard put" the entire year.

EIGHTH: Member churches of the Baptist Council of Durham and Vicinity have obligated themselves to purchase lots and build buildings and to promote further expansion of the Baptist cause in Durham and vicinity. Said churches will have to finance this program. The question is: Is it better to finance the program through the Baptist Council with 21 churches or through the Yates Association with only 17 churches more?

It is our contention that the work could better be done through the Association in that it would promote unity, a more democratic spirit, and would serve as a challenge to the weaker churches of the Association now left out of the work to become more missionary in spirit and in giving.

NINTH: It has been stated that member churches of the Durham Baptist Council are cooperating with the Association. This, of course, stems from the idea of separateness in their work. We do not ask for the Council churches to cooperate with the work of the Association because they are responsible for the doing of the work of the Association. It is their Association; they are obligated to see that its work is done. We cooperate with State Missions, Home Missions, and Foreign Missions, but we ourselves actually perform Associational Missions, and if we do not do it, then it is not done at all. Every church in the membership of the Yates Association is as responsible as every other church for the ongoing of the work. One is in error to think of standing on the outside and cooperating with the work when he should be actually on the inside doing the work himself and calling on outside sources for their cooperation.

TENTH: It is our conviction that the Association has little reason to maintain a Superintendent of Missions unless such Superintendent be allowed and expected to direct all the program of expansion in a local sense for Missionary Baptists. He should lead in the finding of locations for new churches, surveying and taking census of such areas, arranging for meetings, registering the personnel for charter membership, and the like. As recently demonstrated in the Watts Hospital area, the Baptist Council of Durham and Vicinity does not expect our Associational Missionary to perform such tasks. He is left out, while another man and another woman are placed on the pay roll of the Baptist Council to do the work that our Missionary ought to do. In other Associations the missionary does this work; for example, Raleigh, Wilmington, Mecklenburg, et. al.

ELEVENTH: The Yates Association is geographically small and numerically small. It embraces one of the most rapidly growing sections in North Carolina. It is industrially strong and financially strong. The Yates Association has an unusually large number of full time churches in its membership. Some of the best qualified pastors in the state serve the churches of this Association. Members of important committees and boards and the like are among this number. There are more Educational Directors and Pastor's Assistants in the Yates Association than in many other Associations of our state. From every practical point of view the Yates Association should be one of the strongest Associations in the state. Actually, she is one of the weakest and will so remain as long as our local program for missions is divided between the Council and the Association.

TWELFTH: The challenge to the Yates Association for mission work is unequalled by any other Association in the state. We have our schools and colleges; we have our hospitals and prisons, our institutions for the aged and infirmed. We have our manufacturing concerns, our large farm areas. Our numerous young churches and rapidly growing residential communities demand attention. We have all of the crying needs of the great city to challenge us to unity and progress in the work of the kingdom of God. Anything divisive among us should be eliminated.

THIRTEENTH: Every one of our churches in the Yates Association is interested in mission work, both at home and abroad. There isn't one, if given a chance to say so, but what would gladly share in the promotion of the organization of a church in the Watts Hospital area, on Club Boulevard, in the Huckleberry Springs community, or wherever else reasonable locations might be found. To be sure, some of the churches nearby might be hostile to another church's coming in what they consider their community, but this is not a new experience to the Council. As has been recently pointed out, the organization of Holloway Street Church was opposed both by Edgemont and Angier Avenue Churches. Nevertheless, Holloway Street is a thriving church today. Angier Avenue and Edgemont are in good fellowship with the church and are grateful to God for the fine work it is doing. Such local opposition would be overcome in time and harmony restored when the majority of churches in our Association back the project and see that the work is done.

FOURTEENTH: Finally, if the stronger churches of our Association give their main support to the Baptist Council, who will finance a forward moving program for the Association? Of the 17 churches in the Association not affiliated with the Council only five have ever been very strong in the support of Associational work. These small churches need the assistance of their stronger sisters rather than to be left with the burden of the work in the Association.

Therefore, Mr. Chairman, I make the motion that the Associational Board recommend to the Yates Association, in its October meeting, that the Association request the Baptist Council of Durham and Vicinity, Inc., to turn over its work to the Association with all of its privileges, responsibilities, and obligations.

REPORT ON EVANGELISM

For twenty-five years the Cooperative Program has proved to be the best plan yet devised for the financial support of all Kingdom work in our state and throughout our Southern Baptist Convention.

We are beginning to realize that there is added strength for all our denominational work when we learn to cooperate in Kingdom matters. It is encouraging to see ever larger numbers of churches catching step in simultaneous revival efforts. We suppose the largest such undertaking in our denominational history was during the past spring when most of the churches west of the Mississippi River joined hands and hearts in a great Evangelistic Crusade. Many people were saved and there were large numbers added to the churches. The weakest point in that crusade was where individual churches had not learned to work together in an all-out effort to win the lost.

For several years many associations have been working in cooperative-simultaneous efforts in evangelism with encouraging reports of success. Dr. J. C. Canipe, our State Secretary of Evangelism has done a marvelous work in calling upon our churches to see the importance of marching together in this most important work. Where it has been faithfully tested, the brethren seem to think this is the most fruitful way to win the lost to Christ. There is an urgent need for a perennial revival in all our churches but there is also need that we unite our efforts in simultaneous revivals.

We recommend that every church in the Yates Association enter vigorously into the Evangelistic Crusade March 25-April 8, 1951, when all the churches east of the Mississippi are called upon to cooperate in what may be the greatest united effort in winning the lost to Christ since our Lord gave the Great Commission.

We recommend also that beginning from this annual session of our Association that every church effect whatever organization necessary to press this crusade with all our might, until the spiritual fires of Evangelism burn brightly in every phase of our church life, and spread to all our homes with the life giving message "Jesus Saves!"

REPORT ON SUNDAY SCHOOLS

It is a known fact and has been widely stated that so far as Southern Baptist work is concerned that North Carolina is second only to Texas in numbers and in program. Among other things that make us proud to be North Carolina Baptists is the fact that last year when Southern Baptists were driving toward a goal of 600,000 in net enrollment gain in the Sunday Schools that North Carolina led the entire Southland in net enrollment gain. For once at least we led Texas. The figure is not complete as yet, but we are anxiously waiting for the final report on our goal of 500,000 net enrollment gain for the past year and for the standing of North Carolina in the outcome.

In our own Association, of the 40 churches reporting (this includes the two which became a part of the Association yesterday) we show a Sunday School enrollment of 14,325 as against 13,891 reported last year. This shows a net gain for the year of 434. 23 of our churches reported a gain in Sunday School enrollment while only 12 reported a loss. In brief, our association reports a net enrollment gain of 31%. An addition of the average attendance figures for the past year shows a total of 7,276 as against 7,022 reported last year. Of course many things such as weather and special events are to be taken into consideration when comparing average attendances. One part of the report which is not good is the fact that only 17 churches out of the 40 report a Cradle Roll Department. We would hope that the remaining 23 churches could catch the vision of the ministry of the Sunday School in the homes of these babies before they are old enough to attend Sunday School. Many times the enrollment of a baby means the winning of a complete family to the Sunday School and many many times it leads to the winning of a father, a mother, or both to Christ. Also only 13 churches reported an Extension Department. This department as you know ministers to those who are not able to attend Sunday School because of their work or for health reasons. This is for those who CANNOT come, not for those who will not come. This Extension Ministry of the Sunday School helps to reach out to every member of every family which is our slogan this year—the middle year of a 3-year plan for reaching families. Our Vacation Bible School reported an enrollment this year of 4,151 as against 3,935 reported last year. This shows a gain of 216 or 5%. Again this year Mrs. Harold Perry and Mr. Bradley will attend the Vacation Bible School clinic at Fruitland and again this year we set out to reach every church in the Association with a Vacation Bible School. This year, only 4 churches report NO SCHOOL and 2 of these are the new ones just admitted to the Association. This year, let's make it "Every church." Your Association Officers stand ready to help you with yours if needed.

Now for the coming year, the Sunday School has a very vital part in preparation for the simultaneous Revivals in the spring. Folowing are the suggestions made by Mr. Barnette, Southwide secretary of our Sunday School work:

1. Every church observe January Bible Study Week if possible, the week of January 1-5. How can we better begin the year than by a study of Dr. R. G. Lee's new book on "The Bible and Prayer." We hope that every church wil study this book. Order the books now!

2. Take a census of your own church community. The suggested date for this is February 4th to be followed with an enlargement campaign the next week when we seek to enlarge our present organizations with new departments and classes to take care of the new folk we will reach. The suggestion is that we gather each night in the week for a study of Mr. Barnette's book "The place of the Sunday School in Evangelism."

3. Use the Sunday School for Evangelism. All other functions of the Sunday School fade into the background and make way for the main theme—that of winning people to Christ. There is no need for a separate organization for Evanglism in the church. We already have the proper organization in the Sunday School.

We accept the marching slogan suggested by our Southwide Sunday School Department and pledge ourselves this year to focus our work on Evangelism and on the theme "Take your Family to Sunday School."

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL
1950

Our Baptist Hospital has become a haven of hope for thousands of sick persons each year throughout North Carolina. It provides the highest type of medical service for the sick of all classes. It is our means of carrying on the healing ministry of Jesus.

Last year 9,700 patients were cared for in the Hospital and 90,000 visits were made to the clinics for examinations and treatments. About half of these were persons with little or no money; they were provided free professional care by the doctors, and were given additional financial assistance with the cost of the service they received.

This free service was provided largely by our Mother's Day offerings which amounted to $128,900.00. Other assistance came from various health and welfare agencies, the Duke Endowment, and individual gifts. All this added together enabled the Hospital to provide free service amounting to $312,500.00, in addition to the work of the doctors. And yet, many could not be given as much financial assistance as they needed because the Hospital did not have sufficient funds.

We are happy to report that at this date the Mother's Day offerings this year are running ahead of those last year. The reports from the special offerings to raise $700,000.00 toward the building of the new South Wing to the Hospital are most encouraging. It looks now as if the full amount will be raised when all the churches have made their offerings and sent in the money. The 150 new beds this enlargement will provide will relieve the great shortage and enable the Hospital to admit the sick more promptly.

The School of Nursing is admitting one of the largest classes in it's history and it looks as if it will be one of the best. It has applications from far more than it can accommodate. The Medical School has likewise had one of its best years.

The Department of Religion is growing and becoming more effective as a part of the life and work of the Hospital. Through the generous support of a friend another Chaplain is being added to the staff. The Department of Religion seeks through its ministry to help make the Baptist Hospital a genuinely Christian institution of healing and teaching.

REPORT OF MISSIONS COMMITTEE

Your Missions Committee has sought in a limited way to give general supervision to our superintendent of mission during the past year.

For your information, we wish to give to you our general understanding with our superintendent:

1. That he be paid as set up in the budget and approved by the Association.

2. That he have two weeks vacation.

3. That he have the privilege of holding two revival meetings per year and keep what ever remuneration he may receive for his services.

4. That he have the privilege of giving up to three weeks to denominational work outside the Association.

5. That he have the privilege of attending such State and Southwide Conventions and meetings as may be deemed wise by the committee.

6. That he shall turn over to our Associational Treasurer any money received for

services rendered in the Association except for the two revivals referred to above. Any pastor or church using our Superintendent as a supply will be expected to remunerate him as any other supply and this remuneration is to be turned to our Treasurer by him.

Our suggestions to the Superintendent are:

1. That he work along the general line of promotion, education and evangelism anywhere within the bounds of the Association giving special attention to our rural churches.

2. That he work in close cooperation with our Moderator, Sunday School Superintendent, Training Union Director, and W.M.U. Superintendent, and they in turn are urged to work in close cooperation with him.

3. That he not accept the responsibiilty of supplying for any church over a prolonged period of time.

We feel that much progress has been made during the past year and it is our hope and belief that greater progress can and ought to be made this year.

W. BRYANT CARR.

HISTORY OF OLIVE CHAPEL BAPTIST CHURCH

GARLAND A. HENDRICKS

The community which now embraces the membership of Olive Chapel Baptist Church was settled later than the nearby river valleys by independent people who had good blood in their veins. By 1850 they were plagued with gambling on horse races along a stretch of road between Cotten's Cross Roads and a tavern called New Ruin.

Eleven citizens of the community chartered a Baptist church with the assistance of three young ministers who lived nearby: Jesse Howell, Johnson Olive, and John C. Wilson. A revival broke out the day the church was constituted and its spirit has continued until now.

Delegates asked for membership in the Raleigh Baptist Association in 1851, and the church was duly received. Its earliest contributions of money went for missions in China, where Matthew T. Yates was at work. The members at Olive Chapel knew him and his family personally.

Members of the new church felt a need for applying religion to all aspects of life, and by 1854 they authorized Elder Johnson Olive to build and operate a school on the church property.

By the time of the outbreak of the War Between the States the membership grew to more than 200, which was quite large for a country church at that time. One-fourth of these were slaves. Following the War the church helped the Negroes build a church for themselves nearby, and granted letters of dismissal as they were requested.

During reconstruction years the church was blessed with sound homegrown pastoral leadership, as it had been from its beginning. The three ministers who helped constitute the church alternated as pastor for a number of years.

In 1894 the church called to its pastorate a 36 year old native of the community, William S. Olive, who led his home folks to some of their greatest achievements in a thirty-three year ministry. Before his retirement in 1926 the Sunday School met requirements of the A-1 Sunday School Standard as outlined by the Sunday School Board of the Southern Baptist Convention. He devoted his full time to its ministry after

1914. He and the church acquired fame throughout the nation during the World War when both the *Country Gentleman* and the *American Magazine* told about his work. Later he was awarded an honorary degree of Doctor of Divinity by his alma mater, Wake Forest College. Thus for the first seventy-six years of its life the church prospered under the leadership of pastors who were reared nearby and were known to everybody: Johnson Olive, Jesse Howell, John C. Wilson, Orren Churchill, Henry W. Norris, and William S. Olive.

Since 1926 a progressive course has been pursued under the leadership of Dr. C. R. Pittard, W. Wilbur Hutchins, and William H. Corbitt. The lay leadership in the church deserves much credit for the accomplishments of the church throughout its history. This year the church celebrated its one hundreth anniversary and concluded a seven year ministry of Garland A. Hendricks.

For one hundred years the church has maintained a strong emphasis on evangelism, education, community service, and world missions. While maintaining a high degree of independence as a local autonomous church, its people have contributed loyally and generously to the work of the Baptist denomination, one year sending as much as seventy cents out of each dollar received for the support of denominational projects. Its strength has come from competent lay leadership, long pastorates, broad community service, and generous support of world missions enterprises.

REPORT OF COMMITTEE ON RESOLUTIONS

We wish to express our appreciation to the Lowe's Grove and the Temple Baptist Churches and their pastors for their wonderful hospitality in entertaining the Association and to the ladies of the Churches for serving such well prepared food. Also for the beautiful flower arrangements.

That we express our love and appreciation to our retiring clerk, Rev. C. C. Smith, and our Treasurer, Mr. O. A. Johnson, for their faithful services.

We wish to express our appreciation to each and every one for their contribution to the program, including sincere appreciation ot our Song Leader, Rev. Claude W. White, and to those who have assisted in the music.

Respectfully submitted,

REV. C. N. ROYAL, *Chairman*,
MR. G. C. COOKE,
MRS. W. O. ANDREWS,
Committee.

ALLIED CHURCH LEAGUE

As Christian people we deplore the existing conditions in our city, county, state, and nation with regard to intoxicating drinks. Baptist people have stood by covenant against this damnable evil through the years: "To abstain from the sale of and use of intoxicating drinks as a beverage." We would encourage all of our churches to rethink their position on this matter and to take positive steps to educate their constituency as to prevailing conditions in our modern society and the evil thereof. We would that our people not only discourage drinking but the handling of intoxicants in any form or the condoning of their manufacture, sale, and use.

We commend the General Board of the North Carolina State Convention for leading us in the support of the Allied Church League, and would pledge our prayerful interest and backing to the Reverend Mr. Haus, its capable Executive Secretary. We approve all organized effort directed toward the outlawing of alcoholic drinks. We are grateful for foundations, research, conferences, and every means of education which informs the general public as to the *true* facts concerning the effects of alcohol. We unite in prayer that this scourge against human decency may soon be removed from our land.

John H. Knight,
Charles C. Smith.

REPORT OF THE CLERK

Most regretfully do I present to you my last report as Clerk of our beloved Association. Some time ago I asked the chairman of the Nominating Committee not to present my name as Clerk for another year, as, at my age, the work has become too burdensome to me. It was at this church, Lowe's Grove, that I was first elected Clerk of the Mount Zion Association, and I served until 1920, when I moved from Durham. Then, after I had returned to Durham, and at death of our beloved W. O. Williams in 1944, I was again elected to this place of service. When the Yates Association was organized in 1948, you elected me as your Clerk, and again in 1949.

I thank you for your trust and for the opportunity thus to have served you.

(Here the Clerk presented some statistical facts as to the work of 1950, but these may be obtained from the statistical tables in these Minutes.)

Let me bring your attention to some items of interest which I gleaned from the letters of a few of our churches.

The Berea Church has adopted the Unified Budget; Cedar Fork has moved up to full time preaching, as has the Red Mountain Church; Angier Avenue Church has adopted the Rotating System of the election of Deacons; Durham Memorial Church has completed the outside of its building and has beautified the church grounds; on October 1, 1950, Grace Church began to occupy its magnificent $250,000.00 new building; Immanuel Church completed and occupied its lovely new edifice this year; Maryland Avenue and Plain View Churches were organized in 1950; a member of Gorman Church presented that church with a Hammond Organ with chimes; Lystra Church purchased an electric organ; Mount Gilead Church has this graphic statement in its letter: "We have installed a new heating plant, adopted the 'The Lord's Acre' plan, improved the church grounds, and raised the pastor's salary." Mount Pisgah has begun the erection of a new brick building, and has $23,000.00 in the building fund, and Lowe's Grove dedicated its magnificant new building this year.

(At the conclusion of the Clerk's report the Association gave him a rising vote of appreciation..

NOTES

Mrs. W. V. Byers, Superintendent, has been called to Asheville, Alabama, due to the illness of her mother. Mrs. Charles D. Faucette, Associate Superintendent, gracefully presided in her absence.

"The Pageant of the Pin" was given in place of Mrs. Byers' report. Mrs. J. T. Craig was in charge and those taking part were: Miss Cora Lee Cannon; Mrs. E. T. Newton; Mrs. Wayland A. Godwin; Mrs. Pearl Hall and Mrs. Aldridge.

Mrs. S. E. Dennis, presented her stewardship report in the form of two treasure chests. They contained treasures we all possess, time, talent, money, etc. One was locked with selfishness and greed. The other was opened by tithes and offerings that these talents may be used for the glory of God and the good of man.

Miss Virginia Highfill, missionary appointee to Japan, in speaking to the Mission Study report told how her call came for Foreign Mission Service through teaching a Mission Study book on Japan.

Mrs. John H. Knight was also absent because of the illness of her mother. Mrs. Wingate Jones presented her report on the Training School and Margaret Fund.

A telegram was read from Mrs. Byers showing that her love and prayers were with us. A motion was made and carried that a telegram be sent to her.

Two societies, Durham Memorial and Lowe's Grove, were given certificates for having attained the A-1 Standard for the year.

Mrs. W. A. Mitchener, Divisional Superintendent, was absent because of illness and her part on the program was omitted.

There were eighteen of the thirty-five churches having a Misionary Society represented with an attendance of 250. Group No. 1, Mrs. Wayland A. Godwin, chairman, was hostess. REPORT OF STEWARDSHIP CHAIRMAN

Who among us has not a cherished piece of silver that tarnishes with disuse? Long disuse makes the treasure a dull, blackened thing, which must be polished with painstaking care to restore its shining, glowing beauty.

Stewardship is a Christian's cherished possession. It is a sterling vessel for world-wide service. Many Christians push aside this valuable vessel until it corrodes in disuse and they themselves become blackened and useless in selfishness and sin.

Stewardship education, as designed by Woman's Missionary Union, will polish away all signs of ignorance, carelessness and faithlessness. It will make every Christian glow in heavenly beauty and add multiple joys to living.

Too many Baptists have long neglected to use their stewardship of time, talents, and possessions fully for the advancement of the Kingdom of God. Our past efforts have produced some glowing spots. Let us polish with painstaking care during the year ahead so that our stewardship will glow in shining beauty to bring the commendation of our Master and light souls into the Kingdom of God.

Statistical Report:

Number of new tithers: W.M.S. 54; Young People 68.
Total number of tithers: W.M.S. 638; Young People 293.
Number of stewardship classes: W.M.S. 8; Young People 30.
Number of societies promoting a stewardship emphasis week: 3.
Number of Young People's organizations using W.M.U. stewardship education plans regularly: 41.

Number of churches observing Church Night of Stewardship: 10.

Number of organizations participating in Church Night of Stewardship: Y.W.A. 10; G.A. 16; R.A. 17; Sunbeam 8.

Respectfully submitted,

MRS. S. E. DENNIS,
Stewardship Chairman.

REPORT OF MISSION STUDY CHAIRMAN

Mission Study is as important, if not more important, than any other phase of our W.M.U. work. Through Mission Study we become missionary educated. We learn of the fields at home and abroad, and we clearly see the needs. Without study the cause of missions will not progress.

May we emphasize over and over the importance of Mission Study to our own society. Place the emphasis on more Mission Study for the young people. They are the missionaries and preachers of tomorrow.

While we did have an over all increase in Mission Study our Association is not in the top brackets. It is my hope that we shall grow in study to the extent that several societies will be able to report 100% reading by every member of every society and auxiliary in the W.M.U. We need more reading circles and Missionary Round Tables in our Association. More properly taught and conducted classes. The new question on the quarterly blanks should be filled out correctly. This means all the reading done by the entire membership.

On October 26, 1949, a very successful Mission Study Institute was held at the Edgemont Church. The series of books on Japan were taught and there were classes for every age group. Eighteen of the thirty-five churches in the Association were represented with an enrollment of one hundred. It is my hope that this can be repeated each year with the interest and attendance growing with the years.

I am proud of the work done by this Association this past year and hope to be even more so in the year just beginning. It will be a joy to work with the Mission Study Chairmen of each society in this year 1950. May we "Study to show ourselves approved" as "Laborers together with God."

Respectfully submitted,

MRS. W. L. ALFORD,
Mission Study Chairman.

REPORT OF COMMUNITY MISSIONS CHAIRMAN

As community mission Chairman for the New Association (Yates) we are grateful to the Lord who supplies our every need whatever the need may be, and we really stood in great need of his guidance in leading the W.M.U. members in a most challenging task as community mission offer, and with the fine cooperation we have had from the community mission chairmen of the various societies, we feel that we have at least made an opening that in years to come we will be able to fill. The most far reaching project of the year was the sponsoring a banquet under the direction of Rev. Clyne Parks, Minister of Baptist students at Duke University for the Baptist students enrolled at Duke. And there has been a great interest shown in the open door that we have at Butner Training school. Our cup ran over with joy at Christmas time of 1949 to know that we as W.M.U. members had been instrumental in supplying the children with Christmas gifts to the extent that there was not a forgotten boy or girl in the school on Christmas morning. We have organized a Community Missions Council and have meetings as often as the need arises, but we hope in the future we can have council meetings quarterly.

Respectfully submitted,

MRS. R. H. DALEHITE, JR.,
Chairman.

15. H. B. Anderson presented Dr. L. E. M. Freeman who spoke on the subject "Separation of Church and State." In addition to a very clear and forceful discussion of the subject, Dr. Freeman submitted a bibliography on this topic, and urged that we spend a little money to inform ourselves concerning this important issue. He called special attention to a tract entitled "Catholic Power and the Public School."

16. The group was led by John Laverty in the singing of "Come Thou Almighty King."

17. The Relief and Annuity Board's Report was presented by Downey Booth, and a condensation of this report appears elsewhere in these minutes.

18. Visitors, including Brother Guy Cain of Graham and Brother Waugh of Burlington, were recognized.

19. The Association Treasurer, Mr. O. A. Johnson, presented his annual report and the proposed budget for the coming year, both of which may be found elsewhere in the minutes.

20. Warren Carr reported that the Resolution Committee was ready to report concerning the appointment of the Vatican Ambassador. The following Resolution was presented:

We, the Yates Baptist Association, in annual session, representing approximately 18,000 members, do earnestly and directly request as citizens of the United States, that the President and Department of State reconsider and withdraw the appointment of General Mark Clark or any other person as Ambassador to the Vatican. We further request that the Honorable Clyde R. Hoey and the Honorable Willis Smith, Senators from North Carolina, refuse to confirm the appointment of an Ambassador to the Vatican and we further request the Honorable Carl T. Durham, Representative from the North Carolina Sixth District, to vote against the appropriation of Public funds for the maintenance of an Embassy at the Vatican.

The above resolution is conditioned by the following observations. The appointment of an Ambassador to the Vatican encroaches upon the principles of religious liberty and violates the principal of Church and State as provided for by the Constitution of these United States.

The following particular observations are especially important. First of all, the President in the public explanation of the appointment chose to ignore the problem of

Religious liberty and the problem of Church and State and defended his action only as being in the interest of the world-wide fight against Communism. The second observation is that any political headquarters which possibly releases information of interest and benefit to its allies will necessarily make such information available as to represent its own and prior interests. There is no indication that the Vatican would not follow such accepted pattern. In the third place, there is a real inconsistency in establishing diplomatic relations with what by its own definition is a Foreign Sovereign State which state claims the ultimate and prior allegiance in the matters of both Church and State from those of its adherents who are citizens of this country.

In view of the above, we urge the adoption of this resolution and its intended action by the Yates Baptist Association in annual session, October 30, 1951.

Warren Carr moved its adoption, Hal Helms seconded, and the motion passed unanimously. A motion was then made, and passed, that the program committee be asked to arrange the schedule so as to provide for further discussion of this action and its implications. The program committee was so instructed.

20. The Rev. C. N. Royal was then presented to preach the annual sermon. He spoke upon "The Christian's Mission in the World," taking for his text John 17:18. After his message, Brother Royal pronounced the benediction and gave thanks for the food to be served.

21. Messengers then adjourned to the Church basement to partake of a delicious meal, provided by themselves and prepared for serving by the ladies of the Edgemont Church.

AFTERNOON SESSION

22. Because of some business matters that came up unexpectedly, the Moderator called the afternoon session to order at 2:10. Calvin S. Knight led the congregational singing in the absence of Mr. Laverty.

23. The Rev. Robert L. Costner read from I Peter, and led in prayer.

24. Brother J. L. Scott made the following report for the Committee on Place and Preacher: Committee on Place and Preacher for the 1952 annual session recommend that the meeting be held the first day at Lystra Baptist Church and the second day at the Braggtown Baptist Church. The preacher will be Rev. Charles A. Maddry and the alternate will be Rev. J. H. Anderson.

Respectfully submitted,
J. L. Scott, Chairman
Lester Williams
Warren Kerr

The report was unanimously adopted.

25. The Rev. C. C. Edinger, recently called to the pastorate of the Mt. Hermon Church, and Mrs. Edinger were recognized and welcomed to the Association.

26. The Clerk's report was read and adopted, and appears elsewhere in the minutes.

27. Warren Carr was then called upon to discuss the Resolution concerning the appointment of the Vatican Ambassador. He dealt with the reasons which have been offered in defense of the President's action, and pointed out that all of these are weak in the light of the facts available. B. E. Morris also spoke on this subject, urging, among other things, that each pastor put in his church bulletin the information which has been presented in the discussion, and encourage individual church members to write to the president and the Senators and Representatives from our state and district. The resolution was unanimously adopted. Then a motion passed that the officers-elect of the Association cooperate with other interested groups in bringing similar resolutions to the State Convention meeting in Asheville.

28. Warren Carr presided over a "Temperance" symposium, and presented the following speakers: Dr. Clarence H. Patrick, Professor of Sociology at Wake Forest College; Mr. C. T. Council, Jr., a member of Alcoholics Anonymous; and the Rev. Charles A. Maddry, Pastor of the Temple Baptist Church.

29. Mr. W. C. Newton, connected with "Listen" magazine, was presented to the Association and made a brief statement concerning the magazine.

30. The Association Baptist Hospital report was presented by J. Cleo Faucette, who then introduced Chaplain Julian H. Pentecost of the Baptist Hospital. Chaplain Pentecost spoke briefly on the work of the Hospital, particularly the Mother's Day offerings and the new south wing. (Mr. Faucette's report is included in the section allotted to reports.)

31. Announcement was made concerning the second day's session of the Association to be held at the Red Mountain Church, and W. J. Edwards, pastor at Red Mountain, gave directions for reaching the church.

32. Dr. M. A. Huggins brought an address on evangelism, emphasizing especially the importance of a "complete evangelism."

REPORT ON RELIGIOUS LITERATURE

Baptists through all the centuries have recognized the Bible as first, foremost, and final in all literature pertaining to man's relationship to God. This Book of Books gives our clearest and most practical instruction for spiritual growth.

"Blessed Bible, Everlasting word, Light of life to light our way
May thy rays divine, over all the nations shine,
Till we reach the perfect day."

Southern Baptists are fortunate in the abundance of Baptist Literature available to everyone. Our Sunday School Board and Southern Baptist agencies publish an abundance of splendid and informative literature on every phase of Baptist work.

In North Carolina, we are proud of our own Biblical Recorder and grateful for its history under various leaders. We are especially pleased with its development and its increased circulation under the present editor, Dr. L. L. Carpenter. We wish to commend his plan of presenting pictures of Daily Vacation Bible Schools, Young People's Choirs, Training Union groups, and various other organizations of the churches. All these are creating greater interest and securing a much larger reading by our young people, and thus building a more intelligent membership in our churches as to the general work of the denomination.

Of course *Charity and Children* still holds a warm place in the hearts of our people, as it keeps us in touch with the work of our North Carolina Baptist Orphanage. We are sure that through the coming years it will continue to develop in us a more tender spirit and a more general attitude of loving kindness to all human needs.

Though the earnest appeal of these publications our eyes are opened to see the broadening and ripening fields into which the Lord himself is asking us to go, and in which fields He has promised His divine presence to attend and strengthen us.

Let us in our homes, our pulpits, and our Sunday School Classes put due emphasis to presenting to our people these very helpful forms of Baptist religious literature.

LEO T. BRIDGERS

THE RELIEF AND ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

The Relief and Annuity Board, with headquarters in Dallas, Texas, was organized in 1918 to assist retired preachers and widows of preachers who were in financial distress. Although the Board continues to act largely as an agency of relief, it has in recent years launched retirement plans. Total income for 1950 was $4,824,268.72, with total benefits paid out amounting to $1,413,885.82. Total assets of the Board as of December 31, 1950, were $20,518,200.12.

For the last three years the relief department has spent more than it has received. (In North Carolina alone the deficit was $6,110.57.) At the end of the year 1950 there were 1,443 persons on the relief rolls. Sharpe rises in the cost of living have inflicted greater hardship upon these people and have laid a heavier load of responsibility upon the Board. In order that the Board may be able to meet the urgent needs of these aging persons, the churches must assist by taking freewill offerings. The Board suggests that such an offering be taken in June of each year.

The load of the relief department can be lightened in the future by the majority of ministers joining the retirement plan; and, also, by making provision for their wives in the widows' supplemental plan. The Board showed grave concern over the large number of pastors who refused or neglected to avail themselves of the security offered by the plans. In fact, the relief committee feels that pastors now in active service who do not join the Ministers' Retirement Plan will have no right to expect assistance from that department when they retire. In North Carolina less than one-half of the ministers are active members.

Those who desire to enter the plan should write to M. A. Huggins, Raleigh, North Carolina, for application blanks. As soon as the application is received in the Raleigh office, together with the first payment from the minister and the required contribution from the Church, the Certificate of Membership will be mailed to the applicant.

Respectfully submitted,
D. J. BOOTH

CLERK'S REPORT

The clerk is unable to present at this time any statistical report because all of the Association letters were not returned in time to compile the information.

However, here are a few interesting facts about some of the churches gleaned from the letters:

(1) Cedar Fork completed a new parsonage and the pastor occupied it in July;

(2) Calvary, Mt. Hermon, Lystra, and Olive Branch have installed new heating systems during the year;

(3) Maryland Avenue celebrated its first birthday and purchased a parsonage;

(4) Watts Street received into its membership 123 men baptized by Chaplain James O. Cansler at the Naval Training Center, Great Lakes, Ilinois; 52 of these have had their membership transferred to churches in their home towns, while 72 of them retain membership at the Watts Street Church. Besides these, Watts Street had 101 local additions to the church;

(5) Ephesus formally dedicated its new debt-free building on October 14;

(6) Gorman hulled in its new educational building, and moved into the basement of it;

(7) Lystra became full-time in February;

(8) Mt. Pisgah moved into its new building;

(9) Olive Branch observed its 75th anniversary;

(10) Several new pastors and educational directors came into the association during the year, but their names are given elsewhere in the minutes.

HISTORIAN'S REPORT

A History of the Cedar Fork Baptist Church

"The Cedar Fork Baptist Church was organized in 1805, and there was a charter membership of 51. The first building of the church was constructed of logs on a site located near the head of Cedar Fork Creek, from whence it derived its name. It was located one mile below the present location on the old Hillsboro Road in what was then Wake County.

"In 1804 the Flat River Baptist Association had sent three brethren to assist in the organization of this church. But the church was not organized until the next year. The first pastor was the Reverend Ezekiel Trice, who thus served the church until

1838. During this period Joseph Jones donated to the church three acres of land in Durham County, and on this tract a new frame house was built. This land lay almost in front of the present church site, near the Southern Railway. A gallery was built on one side of the church house to take care of the colored part of the congregation. At that time colored people were members of the church. Jonathan Stevens, being a preacher as well as a carpenter, asked the privilege of preaching the first sermon after the building was completed, in the new church, and this request was given him.

"This building was used until 1885. During that year a sleet storm damaged the roof to the extent that a new building was necessary. The new building was located in front of the old frame structure about twenty feet from the Raleigh Road. In 1925, after construction of the hard-surfaced road, it became necessary to move the building across the highway to where the present building now stands. The building preceding the brick structure was struck by lightning and burned. The colored members of the church were 50 in 1859, and after the War Between the States, in 1867, the colored people were asked to withdraw from the church. This they did, and organized a church of their own and called it 'Shiloh.'

"Cedar Fork is the Mother Church of the following other churches: Mt. Hermon, Berea, Bethesda, Lowe's Grove, Bethany (now Morrisville), Rose of Sharon (now First Baptist Church of Durham), Ephesus, Sorrell's Grove and Shiloh (colored).

"In January, 1929, the church discontinued the old practice of once-a-month Saturday preaching, followed by a church conference, and soon thereafter had its conferences on Sunday mornings, and about 1926 the church discontinued calling of the church roll at its conferences. The system of rotating deacons was begun in 1928. The first service was held in the present building on the first Sunday in January, 1932. By early in 1934 the debt on the building had been paid, and the house was dedicated on the third Sunday in February of that year. New Sunday School rooms were completed in 1940, while in 1947 a Butane Gas heating system was installed. In 1948 the church changed its fiscal year to run from October to October, and that year it adopted the Unified Budget. Also in 1948 the church withdrew from the Mt. Zion Association to help form the Yates Association.

"In 1950 the church began full-time preaching, and on January 1, 1951 the Reverend E. Weldon Johnson began his duties as the first full-time pastor at a salary of $2,600 a year. In March of this year work was begun on a pastor's home, located near the church, and this house was occupied in the following July.

"Salaries paid pastors have gradually gone from $40.00 a year to $2,600 at present. Since 1805 the church has had many noble and capable pastors, while in its membership are many men and women who may rightly be called 'the salt of the earth.'

"The church is pardonably proud of its present capable, earnest, and able pastor, the Reverend E. Weldon Johnson."

REPORT ON NORTH CAROLINA BAPTIST HOME FOR THE AGING

Statement for Report on North Carolina Baptist Home for Aging

The North Carolina Baptist State Convention in its November, 1950, session authorized the committee on the Home for the Aging to make plans for the opening and operation of our Home for the Aging as soon as the committee might find a way to meet the cost of equipping and operating. Because of the drive to raise money for the construction of the new wing to the Baptist Hospital, the Convention instructed the committee for the Home not to expect direct help from the Baptist State Convention during the year 1951.

On January 9, the committee on the Home elected Rev. James M. Hayes, pastor of North Winston Baptist Church, Winston-Salem, superintendent of the Home, and Miss Edna Heinzerling, director of Nurses of the Baptist Hospital, to serve as supervisor of our Home. The committee decided to open the Home for residents when sufficient funds became available to begin.

There are many evidences of the Lord's favor upon the Home thus far. In the first place, He led in making a home immediately available. Ten years ago the trustees of the Bowman Gray School of Medicine of Wake Forest College leased a three-story, brick-constructed, fireproof building, with an elevator, for a period of 25 years for $1.00 a year. The committee on the Home was able to secure this building for 15 years at the same rental price. The building accommodates 20 residents at present. The top floor, if completed, would give space for 16 additional residents. The completion of this floor would cost approximately $23,000. With more than 100 applications for admission already received, and inquiries coming almost daily, one can easily see the pressing need of more space.

The Home has been greatly helped by the gifts received—furniture, office equipment, heating system, blankets, linens, towels, and many other items, as well as discounts on supplies necessary to be purchased. Although the Home has been operating only since March 16, yet it now has assets approximating $75,000, and is not operating in the red.

Our residents range in age from 67 to 91 years, and come from widely scattered sections of North Carolina—from Franklin to Elizabeth City—the mountains to the sea. Regardless of the sections from which they come, they are a happy, congenial family, all rejoicing in the opportunity to live in the Home.

The committee on the Home has challenged North Carolina Baptists to build a home adequate to meet the need of the increasing number of old people from 65 years up. Their program calls for a million dollar plant, which would accommodate 270 residents. With the Lord leading and North Carolina Baptists cooperating, such a plant should be built and in operation within a few years.

"Now also when I am old and grayheaded, O God, forsake me not" (Psalm 71:18).

REPORT OF MISSIONS COMMITTEE

Your Missions Committee continued to work with our Superintendent of Missions, Rev. Oren Bradley until his resignation became effective on February 1st of this year. Since that time we have sought to carry on the many detailed obligations that have fallen to our hands. It has been our privilege to help promote the monthly meetings of the Association, to work in cooperation with the evangelistic committee in preparing for and during the time of the Simultaneous evangelistic crusade, to join with our vacational Bible School leader, Mrs. Harrell Perry, in promoting the Vacation Bible School Clinic and in the preparation and distribution of the Vacation Bible School Work books. We also gave guidance to Miss Elva Lawrence who worked with us for about ten weeks during the summer.

In the meantime, we have sought to find a person to become Superintendent of Missions in our Association. Many contacts have been made, much thought and prayer and effort has been put forth but as yet we have been unable to find a person for this work. However, it is our firm conviction that this effort should be continued by the committee for the coming year and it is our hope and prayer that the committee will be directed by the Holy Spirit to the proper person for the place. In the face of growing opportunities and responsibilities of our Association we believe that it is the point of wisdom that we should have a strong person to lead us in a worthy mission program within our own Association.

YATES ASSOCIATION

ANNUAL REPORT OF YOUNG PEOPLE'S WORK FROM APRIL 1950 TO APRIL 1951

Mrs. J. L. Logan, *Associational Young People's Leader*

For the year beginning in April 1950 and closing April 1951 there were the following young people's organizations in the Yates Association: YWA 17, GA 34, RA 26, and Sunbeams 29, making a total of 106 organizations. In eight churches there were no young people's organizations, but Immanuel has begun the work of organizing RA, GA, and Sunbeam groups.

A young people's rally was held at Temple Baptist Church in August of 1950. There was a good representation from each organization with the total attendance estimated to be around four hundred. Each of the organizations participated in the program.

The Leadership conference held at Angier Avenue Church, January 16, 1951 was well attended by Young People's Leaders and Counselors. Conferences were led by the following:

Mrs. D. H. Lyon, Sunbeam Counselors, Mrs. R. B. Wilkins, RA Counselors, Mrs. J. Y. Allen, GA Counselors, Mrs. R. D. Holleman, YWA Counselors, and Mrs. J. L. Logan, Young People's Leaders.

On February 6, 1951 an associational meeting for YWAs was held at Durham First Church. Miss Ruth Provence, State WMU Secretary, was the speaker and brought a very inspiring message on Home Missions. There were about sixty YWAs present.

MISSION STUDY REPORT

This has been a good year in Mission Study in our Association. We have experienced growth in several phases. Increased interest in reading noted as well as in using the materials supplied to us at such nominal cost.

Mission Study entered into wholeheartedly will kindle missionary fires in our hearts. Our deepest need still seems to be in study courses for our Junior Organizations. May we pray that men and women will be constrained to be leaders of our young people, for this is our urgent need.

The institute this year was the most successful ever attempted. The attendance was good and much interest was manifested. May we continue "To Study to Show Ourselves Approved" for it is through study we learn the needs of the world. When we know them then we have the desire to see that they are met. Our hearts will burn with the desire to be helpful and to share with those less fortunate. May we strive to cultivate compassionate hearts. Our is still to be "laborers together with God" that coming generations may know the truth and in that truth be made free.

Respectfully submitted,

MRS. W. L. ALFORD,
Mission Study Chairman.

REPORT OF COMMUNITY MISSION CHAIRMAN

As I look on the fields white unto harvest in the Yates Association, my most earnest prayer is that the members of our Societies may present themselves a living sacrifice on the alter of service that we may win the lost to Christ, for the first object in community mission is "Soul Winning." The most gratifying results of this year (to me) is the great number of Young People especially juniors who have given themselves in song services and scripture reading in their visitation to our institutions.

We are grateful to the Community Mission chairmans of the societies for leading their members in giving themselves along with their gifts in the various church communities where they serve and for their untiring efforts of cheer and comfort to the residents of our several institutions.

Now let us say as we begin another year, such as I have give I to thee.

Gratefully submitted,

MRS. R. H. DALEHITE, *Community Mission Chairman, Yates Association*

STEWARDSHIP REPORT

Stewardship is important in the life of a Christian because everything that we accomplish for the Lord reflects the kind of Stewards we are. God is our owner, therefore we are His Stewards and accountable to Him. Everything that we are and have is given to us as a trust; our time, our talents and our material possessions. We are required to use these things for God's glory and promotion of His Kingdom on earth. If we fail, the Kingdom's work will fail to that extent. Let us all be stewards worthy of our trust thereby storing up treasures in Heaven and being found faithful to the High Calling of Jesus Christ when he commanded us to "Go into all the

World." Our goal—"Every Baptist a Tither, Every Tither Win a Tither, That the World May Know."

Respectfully submitted,
MRS. S. E. DENNIS, *Stewardship Chairman*

12. The Association voted to consider these amendments seriatim. After considerable discussion, the first four amendments were approved by a vote of more than two-thirds of members present entitled to vote and who *actually voted.*

13. A question as to interpretation of the Constitution arose. Some thought two thirds of those present entitled to vote, whether or not they voted, would be required to carry the amendments. This difference of view was discussed at some length before expiration of the period on program for miscellaneous business, when upon motion, the Association proceeded with the next item on program.

14. M. A. Huggins, Executive Secretary of the Baptist State Convention spoke on "The Cooperative Program" and "The Nine Year Program" of the Convention. As always, he spoke informingly and inspiringly.

26. Motion of Marshall Walker that salary in the budget for the Superintendent of Missions for Yates Association, be definitely fixed at $4,500 per annum. This motion was not carried, since the majority opinion prevailed that this salary item should be left more flexible.

27. Moderator Carr ruled that proposed amendments to Constitution had not been adopted at the morning session. (Considerable discussion.)

28. Warren Carr and C. E. Byrd moved that further consideration of the proposals for amendments to Constitution be deferred until miscellaneous period in program Wednesday, the 29th. This was carried, as the time had arrived for the next feature of the program.

29. R. M. Hause, Secretary of the Allied Church League of North Carolina, addressed the Association on: "Righteousness Exalteth a Nation."

On motion of Robert D. Holleman, seconded by B. E. Morris, the Yates Church resolutions were unanimously approved. B. E. Morris spoke to the motion and Warren Carr spoke on a point of personal privilege.

53. This "Merger Committee" is composed of C. F. Smith, Chairman, C. N. Royal, C. H. Collie, Raymond C. Lanier, W. E. Stanley, with Moderator Bryant Carr, ex-officio member.

HISTORIAN'S REPORT

HISTORY OF LYSTRA BAPTIST CHURCH

YATES ASSOCIATION

Part I. 1852-1930

It is with sincere regret that we are unable to furnish a complete history due to the fact that there are no records of the church preserved between the years of 1859 and 1866.

We are greatly indebted to the history of the Sandy Creek Baptist Association written by the Reverend George W. Purefoy and published in 1859; also to brother

T. S. Cole, sister Delia Oldham and the church records for the information which we have.

According to the History of the Sandy Creek Association, there was a young German by the name of Alfred L. Stough who was educated for a Catholic Priest, but afterward became converted to the Christian faith. He was thoroughly consecrated to this new light, consequently the news of his decision spread, and, of course, he was sought for and it became necessary for him to flee. He sought refuge in this community, but the fires in his soul kept burning brightly.

So zealous was this young man that he applied to the brethren of this community for a place to hold a series of meetings. Brother James L. Dodd responded to his fervent appeal and offered a vacant dwelling house, known as the "Dodd House," for a place of worship. In this house during the year 1848 he held a series of protracted services in which many were turned to Christ, and the Christians of the community were greatly strengthened in the faith.

Later brother Stephen E. Cole also offered a vacant dwelling in which another series of meetings was held with splendid response.

Brother Stough organized an arm of Mt. Carmel Church at the "Dodd House" and a "Sons of Temperance" at the Cole House. From all indications this arm of Mt. Carmel later developed into the formation of Lystra Baptist Church, which was constituted in the year 1852 by Reverend James S. Purefoy, Reverend Aaron Jones, and Reverend George W. Purefoy.

On September 16, 1853, brother Stough asked for the renewal of his license to preach as the certificate had been damaged by high water. It was at this conference that his license was not only renewed but also the brethren recommended him for ordination at some future date.

Lystra was represented for the first time in the Sandy Creek Association held with the Bear Creek Church, Chatham County, September 30, 1853. Brethren Atlas J. Riggsbee, Stephen E. Cole and J. J. Riggsbee were sent as delegates. The report shows seventy-four members recorded at that time.

For some years these good folks had worshipped without a home, so Reverend George W. Purefoy suggested the idea of erecting a house for worship; the response was splendid, and as the result, the Lord's House was erected with much sacrifice near the present site about six miles south of Chapel Hill.

Reverend John C. Wilson was called and served as the first pastor from 1853 to 1859. Brethren S. E. Cole and A. J. Riggsbee were chosen as the first deacons, while brother Joseph J. Riggsbee served as Church Clerk.

The last record which we have concerning Lystra prior to the Civil War is a record in the Minutes of the Sandy Creek Association dated 1858, which met with Love's Creek Baptist Church, Chatham County; ninety-four members were reported and brethren A. J. Riggsbee, Allen Ellis, and James L. Dodd were delegates; also a record is found in the Minutes of a conference held in the old Lystra Church in April 1859. Reverend J. P. Mason was then pastor and brother J. J. Riggsbee was Church Clerk.

Brother J. P. Mason served an unbroken pastorate of twenty-two years, which is the longest period of any pastorate in the history of the church. Brethren S. E. Cole and A. J. Riggsbee served as deacons, and brethren G. O. Cole and W. E. Oldham were ordained and added to the list during his ministry with Lystra.

Reverend R. T. Bryan who later was a missionary in Shanghai, China was called in 1881 and served until 1883.

Then Reverend C. C. Newton a prominent missionary succeeded brother Bryan in 1883 and served Lystra four years as pastor. When Newton resigned Lystra, the Mission Board employed him and sent him to Durham to organize the Second Baptist Church, which is now known as the Temple Baptist Church.

Brethren A. J. Robertson, Saa Riggsbee, Bennett Partin, Alvis Riggsbee, William Bennett, Allen Ellis and E. J. Powell were some of the faithful and worthy members among a number of others, prior to the Civil War.

Another step denoting progress was that of organizing a Sunday School immediately following the Civil War. Brother W. E. Oldham, who was instrumental in its organization, was appointed as the first Superintendent. Brother Oldham was the father of Reverend Sidney W. Oldham, a Baptist pastor, now in active service.

Reverend A. D. Hunter was called and served from 1887 to 1889 as pastor.

On October 27, 1889, brother J. W. Watson was ordained to the full Gospel Ministry. Dr. Thomas Hume preached the ordination sermon. Reverend J. C. Hocutt delivered the charge, and Reverend J. M. White presented the Bible. Brother Watson was called as pastor in 1889 and faithfully served until 1894. During this period he and his noble wife taught school, promoted education and built the Fairview Academy. They organized the W. M. U. in 1891 and infused new life into the church by a marked degree.

Brother S. W. Oldham was ordained and sent out into the Harvest Field which is "ripe already unto harvest" on April 5, 1890. Reverend T. S. Boyles preached the sermon, Reverend J. M. White the pastor from 1894 to 1900, offered prayer and Dr. Thomas Hume delivered the charge and presented the Bible.

Another milestone was reached during the pastorate of brother White. The main auditorium of Lystra was rebuilt and completed about the year 1900. It was gloriously dedicated about the year 1904.

Reverend D. Clayton Britt and Reverend J. M. Arnette served next as pastors during the years 1900-1903.

The folks of Lystra loved brother A. D. Hunter so well that they recalled him in 1903, and he served until 1905.

Reverend J. B. Weatherspoon succeeded him as pastor and resigned in 1907 in order to complete his ministerial training in the Seminary at Louisville. He has attained quite a worthy distinction as a member of the faculty of our Southern Baptist Seminary at Louisville, Kentucky.

Then Reverend Rufus B. Lineberry came as the next pastor in 1907 and served for nearly five years.

The next pastor who appears on the scene is a choice spirit found in one who has given of his best to the Master, Reverend F. B. Raymond who now resides in Wake Forest, N. C. as a retired minister. He is in feeble health, but worthy—he served Lystra from 1912 to 1915.

Following brother Raymond, Reverend J. A. Hackney labored as pastor from 1915 to 1917.

Just at this time it might be fitting to have a roll call of the faithful church clerks who served from the time of the Civil War to the present time. They are as follows:

W. C. Cole 1884-1886
B. F. Ray 1886-1889
R. F. Cole 1889-1890
F. L. Riggsbee Jan. 1891-Sept. 1891
C. W. Riggsbee 1891-1892
R. B. Lineberry 1893-1895
Y. A. Oldham Aug. 1895-Nov. 1895
W. C. Cole Feb. 1896-Sept. 1896
E. J. Riggsbee 1897-1899
W. C. Cole 1899-1900
E. B. Oldham Feb. 1900-May 1900
F. L. Riggsbee 1901-1902
E. B. Oldham 1903-1904
James Oldham 1904-1909
J. C. Blake 1910-1912
R. M. Riggsbee 1912-1916

A. J. Riggsbee, our present clerk, has served longer than any other clerk in the history of the church. He has served from 1916 to the present date 1930.

Lystra has had her share toward blessing the world at least in one phase, namely: laying her hands on the heads of young preachers and setting them apart in the service of One who is the Head of the Church. To this list can be added the name of brother M. A. Stone, who was ordained September 8, 1918, during the pastorate of Reverend C. E. Byrd 1917-1918. Reverend George Howard preached the sermon, Reverend H. G. Dorsett delivered the charge, and the pastor presented the Bible.

Reverend H. G. Dorsett who also resides in Wake Forest served as pastor from 1918 to 1921. During his pastorate brethren J. B. Oldham, S. M. Oldham, W. H. Williams, and J. G. Bennett were set apart as deacons in February 1919, and who are now faithful to the cause of Christ.

The Sunday School had grown to such an extent that it became necessary to provide more room, and through the sacrificial gifts and labors of God's faithful servants, seven new Sunday School rooms were added during the years 1920-1921; another step toward Kingdom building.

While the church was marching on gloriously, brother J. B. Davis served as pastor 1921-1923. Then followed Reverend Hoyt Blackwell, a progressive forward marching follower of Jesus, who served from 1923 to 1925. During the year 1924 the Sabbath School was recognized for the first time as standard.

Brother S. L. Lamm a spirit-filled young soldier of the cross next served as pastor from 1925 to the fall of 1927 at which time he entered Louisville Seminary.

Following brother Lamm, Reverend C. H. Henderson came and served from 1927 to 1929 as pastor. The Teacher's Meeting and B.Y.P.U. were organized during the year 1929, and are functioning marvelously well now.

Brother L. C. Cheek, the son of brother W. B. Cheek, was set apart to the Gospel Ministry by Ordination July 21, 1929.

Reverend Hoyt Blackwell, a former pastor preached the sermon, Reverend Roy Morris, the pastor of Carrboro Baptist Church, delivered the charge and presented the Bible, and Reverend Chas. A. Maddry, pastor of Ephesus, led in prayer.

The Sunday School has grown, and the interest in God's work has grown along with it. At present there are sixteen officers and teachers who hold King Teacher Diplomas. The Sunday School was recognized as standard during the years of 1924, 1925, 1926, 1927 and 1930.

We pause to pay tribute to the noble Superintendents of our Sabbath School, who wrought nobly from the organization to the present time, namely, Brethren:

W. E. Oldham
Ed Powell
P. M. Pearson
S. W. Oldham
E. A. Dollar
G. O. Cole
J. W. Ousley
E. B. Oldham
J. U. Pearson
W. B. Cheek
J. G. Bennett

The present pastor, Wallace O. Andrews, came into the service of Lystra in May, 1930.

Perhaps there are many names which should have been mentioned; many whose lives were lived zealously, sacrificially and faithfully. We are indebted to one and all who have contributed to the upbuilding of God's Kingdom at Lystra.

Many of these servants of God have labored untiringly and devotedly. They dreamed dreams and saw visions of a greater Lystra. Many have labored and are now enjoying the glorious reward of their labors, while we are enjoying the fruits of them. Many have struggled and paved the way for us, and have given to us a golden opportunity. They have flung a challenge before us. Shall we not build on the heritage of the past a superstructure in the Kingdom of God? Shall we not accept this challenge boldly and courageously? Arise! Let us go forward conquering and to conquer, while God is marching on.

Part II. History of Lystra Baptist Church from 1930 to 1952

Brother Wallace O. Andrews came to Lystra in May 1930 and served until April 1934. In August, 1930, a revival meeting was held and eight people were added to the church roll.

The Mount Zion Association met at Lystra on October 14 and 15, 1931, and a history of the church up to that date was prepared and read by the Reverend J. F. McDuffie. This history was printed in the Mount Zion Association Minutes for 1931.

On February 8, 1931, R. L. Hutchins, Arthur Dollar, Clarence Oldham and A. J. Riggsbee were ordained as deacons.

During September 1932, Reverend Charles F. Hudson who was at that time pastor of West Durham Baptist Church (now Grey Stone) of Durham, N. C., conducted a revival and there were sixteen conversions. Brother Hudson was well liked and did some excellent preaching which was evidenced by his being invited back to conduct the revival in July 1933.

Reverend C. E. Baker was called in September 1934. He held a revival this same month and was ably assisted by Miss Cora Lee Cannon of Durham, N. C., who did a great deal of personal service work. She is affectionately remembered by friends at Lystra.

J. G. Bennett served as Sunday School Superintendent from 1927 to 1935 and again from 1937 to 1943. Floy Oldham, Sr. served from 1935 to 1937, Leon C. Cheek, Sr. from 1943 to 1946, John A. Oldham from 1946 to 1951. Edwin Cheek is our present Superintendent.

From April 1936, when Reverend C. E. Baker resigned, until August 1936, we were without a pastor. Brother Charles F. Hudson was called in August 1936. In October 1936 a well-known community boy, Reverend Rupert Merritt, a resident of Edenton, Kentucky, held a revival and brought some inspiring messages.

In July 1937, Reverend B. E. Morris, who succeeded Reverend Hudson at West Durham Baptist (now Grey Stone) held a revival. On the Sunday the revival began there was an all day service and a picnic lunch was served. Eight were added to the church roll as a result of Brother Morris' preaching.

In January 1938 the matter of dividing the Mount Zion Association came before the church. A vote was taken which showed that Lystra was against it. However, the Association was divided and Yates Association was organized on November 7, 1948, at the First Baptist Church of Durham, N. C. Lystra became a member of Yates Association at that time.

The custom of having homecoming on Mother's Day was begun in 1938 and is an established annual event, though during World War II it was not held regularly. This is a day when old members and friends come back "home" to renew friendships and acquaintances and to place flowers on the graves of loved ones buried at Lystra.

Credit is due those who have served the church faithfully in various offices, some of which I mention here:

Choir Director: Leon C. Cheek, Sr., 1940-1950; B. L. Wood, Jr., 1950-1951; Clyde Dollar, 1951-1952.

Treasurer: W. H. Williams, 1930-1934; J. C. Blake, 1934-1937, 1950-1951; F. T. Oldham, Sr., 1937-1940; W. J. Cheek, 1951-1952.

Financial Secretary: R. L. Hutchins, 1931-1937; W. J. Cheek, 1937-1951; Vivian Cole, 1951-1952.

Clerk: A. J. Riggsbee, 1916-1939; G. G. Riggsbee, 1939-1940; Mrs. C. G. Oldham, 1940-1952.

Trustees now active: F. T. Oldham, Sr.; R. L. Hutchins; W. C. Oldham, Sr.

A. J. Riggsbee served as clerk for 23 years, which is the longest anyone has served in that capacity.

Having had roll call of church members in 1942 and 1943 in an effort to get information on all non-resident members, a new roll was made in October 1943, which showed the total membership to be 227. The membership has declined slowly so that in 1951 we had only 205, of which 68 were non-resident. Contributions have shown a steady increase for several years.

When the news came to us that our beloved pastor Charles F. Hudson had died on March 6, 1946, we were stunned though we had known of his declining health for some time. At his request he was buried in the cemetery at Lystra. He was a great Christian and an outstanding preacher.

During the period from March to August 1946 we were without a pastor. Among those visiting to fill the pulpit during this time was Dr. W. R. Cullom of Wake Forest College. We felt very fortunate to have such a distinguished man as our guest.

On August 25, 1946, Reverend William H. Rittenhouse, Jr., who had recently come from Florida and who was living near Hillsboro, became our pastor. He had served in the United States Air Force in World War II and was taken a prisoner in Rumania. He had many interestig experiences with which he illustrated his sermons. His natural friendliness and his devotion to his work soon won a place in the hearts of our people. During his pastorate work was begun to convert the old Junior Order building on the church grounds into a community house. W. J. Cheek was appointed chairman and he and his committee have accomplished a great deal. Howard T. Bennett was instrumental in getting the church underpinned with rock, having done much of the work himself. Reverend Rittenhouse resigned at the end of 1947.

Reverend E. Weldon Johnson accepted our call and began work on the second Sunday in January 1948. Brother Johnson was at that time a student at Wake Forest College, and was pastor of Mt. Gilead Baptist Church, preaching there on first and third Sundays. Under Brother Johnson's leadership the work progressed. On February 13, 1949 Brother B. S. Williams was given the responsibility of having the cemetery cleaned off, stones put in line, upright footstones removed, and grass sown. Before the work was begun Howard T. Bennett, who is better acquainted with the location of graves than anyone else in the church perhaps, made a plat showing where each grave was located.

We were privileged to have Reverend Joel Johnson, father of our pastor, as preacher for our revival in 1949.

In May 1950 the church adopted the Lord's Acre Plan and elected Mrs. W. C. Oldham, Sr. treasurer. This Plan was the means by which the organ and gas heaters were paid for. The new project is to have a new floor put in the church auditorium.

In June 1949 Reverend Bryant Carr, pastor of Edgemont Baptist Church in Durham, held a revival. Fifteen were received into the church.

Much to our regret our pastor resigned the last of 1949. He and his lovely family had won our hearts and we were sorry to see them go, yet rejoiced that he had an opportunity to be pastor of a full time church and to live close by his work and his school. He was then a student at Duke University.

On February 25, 1951 we called Reverend B. L. Wood, Sr. as full time pastor and he is laboring faithfully with us.

Gas heaters were installed in the church auditorium and Sunday School rooms in September 1951. In the Spring of 1952 the W. M. S. appointed a committee to begin work beautifying the church grounds. Mrs. W. J. Cheek was made chairman and she and the other members of the committee have done a great deal of work getting the yard graded and sown in grass and in getting shrubbery planted around the church and around the community house. To Mr. and Mrs. W. Geddie Fields, Sr. of Chapel Hill we owe a debt of gratitude for their generous help in giving dirt to fill in the old road, furnishing trucks and drivers to haul the dirt, and furnishing a bulldozer to push up stumps, all without cost to us. We are also grateful to Mr. Willie Riggsbee of Carrboro for his very generous gift of money to help pay for the shrubbery. There are many others who helped untiringly and to them we are grateful.

An order has been placed for new furniture for the pulpit and it is hoped that it wlil be received by Mother's Day but if it isn't it will be received shortly thereafter. Most of the pieces have been given as memorials.

The Yates Association will meet at Lystra on Tuesday following the fourth Sunday in October, 1952.

Lystra's one hundred years have shown an unusual and fascinating beginning, a love of and faith in humanity, a thirst for greater knowledge and a striving to make Christ real to those within its reach.

Written by Mrs. C. G. Oldham.

April, 1952.

From April 1952 to October 1952.

On August 3, 1952, Rev. T. Max Linnens was called as pastor. The former pastor Rev. B. L. Wood, Sr. resigned June 30, 1952. Mr. Linnens is a student at Wake Forest College.

A new hardwood floor has been put into the church.

REPORT OF NORTH CAROLINA BAPTIST HOME FOR THE AGING

Resthaven, Winston-Salem, N. C.

Operation of Resthaven was begun March 16, 1951. Soon after the opening, it was filled to capacity, twenty residents. When the news spread of the beginning, applications began to accumulate rapidly. To date, there have been close to 500 inquiries. Had there been rooms available, and all applicants could have made financial arrangements, our Home would have had 200 residents instead of only twenty at present.

There is encouraging prospect of getting the top floor of the present building completed, which will provide space for fifteen additional residents. The cost of this enlargement project has been underwritten by a business man of Winston-Salem, who is not a Baptist. This same friend has already donated a television set, and has concreted the basement of the Home.

Our residents range in age from 64 to 92 years, and come from widely scattered sections of our State—Franklin to Elizabeth City. All rejoice in the opportunity to be in the Home. Here are some of their statements:

"I like this good Christian Home and all the family. I would not exchange it for any other in all the world."—Mrs. J. L. Smith, coming from Franklin.

"This 'more than we expected' about this Home makes us all hope and pray that more men and women may come to enjoy its many blessings."—Miss Ella Moffett, coming from Southern Pines.

"I never though I would be so happy in my last years of life."—John Holt, age 92, coming from Wilson Mills.

In spite of the fact that Resthaven did not receive financial assistance last year from the Baptist State Convention (except a loan which was repaid), it was operated clear of a deficit. How did this happen? By the Lord laying our needs upon the hearts of friends and causing them to respond. Of course, the Home was compelled to charge the cost of keep from the residents who came on the monthly-pay plan. The income from this source, together with that coming from residents giving property or cash for their maintenance, plus donations by churches and auxiliary organizations and friends, enabled the Home to pay its way and to accumulate assets in excess of $100,000.00.

Beginnig the year 1952, with the new Nine Year Program, our Home receives three-fourths of 1% of the funds to be divided. From this source has come less than $500.00 per month since January of this year. The Home is estimated to receive a total of approximately $500,000.00 in NINE YEARS. It is apparent, therefore, that slow provision for enlarged facilities will be made to accommodate the hundreds of aging people who want to come to our Home, unless funds come from other sources than our denominational program as it now operates.

Our Home presents a great challenge to North Carolina Baptists to provide adequate facilities. There are probably 100,000 people in our State past 65 years of age, and a large number of these are of Baptist faith. We must make provision as time and finances permit for these aging Baptists. Since Baptists of our State now number more than 700,000 in membership, we are well able to make such provision. If every Baptist would give an average of $1.00 to our Home in one year, we could raise $700,000.00 and not one person would suffer hardship. As soon as a practical and adequate plan of support can be agreed upon, it is reasonable to expect that our Baptist Home will be worthily supported.

Many suggestions have been made as to the best plan of supporting our Home. Among them are: (1) Fifth Sunday offerings through the Sunday schools, as the Virginia Baptist Home plan; (2) special day offering, as the Mother's Day plan for our Baptist Hospital; and (3) putting the Home in the local church budget, and appealing to the churches that have no budget for at least one special offering a year.

Either of these plans, supplemented by such special gifts as may come from individuals and corporations, and provision made in wills, would enable the Home to make reasonable progress, and thus enlarge our facilities on the pay-as-you-go plan.

We are closing our report with a statement made by a prominent furniture manufacturer, Mr. B. C. Philpott, of Lexington, N. C.

"I consider this one of the most important forward steps the Baptists of North Carolina have taken in a long time, because it is indeed a great move and one that has been neglected all too long.

"Mrs. Philpott and I want to have a part in this fine undertaking, and herewith you will find my check for one thousand ($1,000.00) dollars, which we desire used as a memorial to our son, B. C. Philpott, Jr.

"May the Lord continue to bless you in such a noble work."

"Inasmush as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40).

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL WORK

Our Sunday School records for the past year denote progress in our work, while at the same time they point us to our definite needs for improvement. In the light of the facts we shall review our work and suggest a program to guide us in the coming year.

Three associational meetings were promoted by the associational officers. The fourth scheduled meeting was cancelled at the request of the Missions Committee in order that a special meeting in regard to church finance could be held. One mass meeting was held at Lakewood Church in January and featured four talks which developed the theme "Pointers to Progress in Sunday School Work." There was no count made of the attendance but there was wide representation of the churches of the association. A second meeting was held in April at the Yates Church, with 25 churches represented at a clinic which developed the theme "Making Bible Study Effective." The final program of the year was at the Temple Church on October 21 and consisted of a general clinic on Sunday School methods. 25 churches were represented with a total registered attendance of 211.

The asociational letters reveal that there are now 15,328 persons enrolled in the Sunday Schools of our 40 churches, as compared to 14,839 last year. This reveals a net gain in enrollment of 489. It is interesting to observe, however, that two churches showed identical figures for the year before and that 16 churches reported a loss in enrollment which totaled 558. 22 churches, therefore, reported gains totaling 1,047. Any church reporting a loss should give careful study to the reasons for such loss, with a view to heading off the decline.

Other facts equally alarming reveal that 24 churches do not report a Cradle Roll, while 25 churches do not report an Extension Department. This means that there is not as strong a link between the Sunday School and the home as there ought to be. We lose many valuable opportunities by our failure to have these departments.

In the realm of teacher training and Bible study we note that 12 churches observed a Bible Study Week during the year, and 15 other weeks of training were conducted in 12 churches. 22 of our churches did not observe any such week of special study or training. 464 Sunday School study course awards were issued to persons from 10 churches. Several other churches made no application for awards even though a course of study was observed. Your associational officers feel that every church would profit by at least one week of special study and wherever possible these officers stand ready to assist you.

Areas in which progress can definitely be made during the coming year may be summarized briefly. We stand in need of continued enlistment. Resident church membership still exceeds our Sunday School enrollment. More than 5000 church members in our forty churches are not enrolled in Sunday School. We need to reach these people for Bible study. A census would reveal other thousands who should be reached. We challenge each church to adopt a goal for increase in enrollment and proceed to conduct a planned enlistment campaign.

A further need is that of providing for every member of every family. No church can assume that this has been done until it has an active Cradle Roll and Extension Department.

There is great opportunity awaiting that church which decides to establish a branch Sunday School in some needful area. Let each church study its surrounding territory to determine if such a project should be undertaken.

A final definite need in our churches is the improvement of the quality of our work at the point of Bible study. This can best be done through a continued program of teacher training. There is no church too small but what a successful week of special training can be conducted. A worthy goal for our association would be a week of study in every church, with a total of 1000 awards for completed work.

Your associational officers are investigating the possibility of an associational Sunday School enlargement campaign for 1954 or 1955. The special project for this year, which we hope will become an annual project, will consist of the Church Planning Nights for the Sunday School in September-October, 1953.

REPORT OF MISSIONS COMMITTEE

The Missions Committee brings this report with a great sense of its own inadequacy for the tasks assigned it and also with a considerable sense of frustration.

During the past year, the Committee has labored hard to realize the ambitions of the Association for a real program of associational work such as most associations in our state foster and we regret to report that no progress has been made.

We believe the messengers to the Association are entitled to a factual report of the work of its Missions Committee.

During most of the past year, the Rev. J. Walter Moose has served on a week-by-week basis as Acting Superintendent of Misisons. Mr. Moose was employed by the Association to do certain necessary office duties while we sought a Superintendent of Missions. These duties were later enlarged and Mr. Moose was a valuable part-time aide until his recent resignation to accept a pastorate.

We have arranged for the programs for the monthly sessions of the Association. We helped sponsor the conference on Church Finance held last July.

During the past year, the major portion of the Missions Committee activities was centered on the problem of finding a Superintendent of Missions. We have been without such a worker since February 1951, a total of almost two years.

While the preceding Missions Committee wrestled with this problem, the present Committee has continued with greater effort and during the past year we have interviewed and corresponded with numerous persons in connection with the position. We have received little encouragement from qualified persons.

The Missions Committee has, however, brought two recommendations to the Executive Board which approved them by majority vote, but the men to whom the invitations were extended, declined the position for reasons which we shall explain. Thus, during the period we have been without a missionary, a total of three men called to the position have declined.

The reason we have not been able to secure a Superintendent of Missions is the alarming lack of unity among us. No recommendation of the Mission Committee has received a unanimous vote either in the Committee or in the Executive Board. When prospective persons for the position know of our dissentions, they bow out graciously leaving us with a growing name for discord and uncooperativeness.

The reason for the lack of unity is given variously. Some say the Superintendent of Missions ought to be a woman. In order to learn the wishes of the churches, the Missions Committee has polled the pastors and the majority desired a man for the position.

We have been told that the financial structure of the Association is not sound and that we could not afford a Superintendent of Missions, but the churches assure us that if we will begin a program that challenges, they will support it. To solve this problem, the Missions Committee has worked with the Finance Committee in setting up a proposed budget for 1952-1953 to try to offset this objection. The response to the appeal has not been too encouraging since most of the churches wish to get a program going before they begin to send in their support.

The basic cause for the disunity is the fact that some of our churches and their pastors are sponsoring two organizations to do mission work within the bounds of the association and feeling they cannot support both adequately, the association's program is kept small and ineffective.

Your Committee has no remedy for the situation. We find that Baptists far removed from our bounds know of our lack of unity and we feel we are getting a name we do not deserve. We believe it will be increasingly difficult to find a suitable man for our position and we have no further recommendations pending.

We beg the prayers of the churches of the Association for the next year's Mission Committee.

Yours respectfully,
Charles A. Maddry, Chairman.

A SUGGESTED FIVE-YEAR PROGRAM OF WORK

(Adopted by the Association October 29, 1952)

The following program may not be all-inclusive, but it does give some indication of some of the things we are doing and ought to set ourselves to do during the next five years.

Mission Sunday Schools (one each year in a neglected area).

Mission Vacation Bible Schools (one or more each year).

Establish two new churches in carefully selected areas. A tent is needed in which to hold meetings that would launch the organization of such churches.

Purchase lots for churches where needed.

Purchase visual aids equipment.

Purchase home for Superintendent of Misisons.

Continue Association Night each month.

Vacation Bible School clinic each year.

Emphasize training in weaker, rural churches, such as study courses in missions, stewardship, Bible doctrine, Sunday School, and Training Union methods.

Encourage Baptist work among the Negroes.

Continue Sunday School at Camp Butner Colony for Feeble Minded.

Support moral and civic improvement.

Special Emphasis (one such emphasis each year).

1. Baptist Training Union, such as the Enlargement Campaign held last February.
2. School of Misisons.
3. Simultaneous Revivals.
4. School of Deacons.
5. Sunday School Enlargement Campaign.

A SUGGESTED BUDGET FOR THE NEXT ASSOCIATIONAL YEAR 1952-53

The following budget is modest indeed, but it represents a substantial beginning. We believe it is self-explanatory and the figures represent maximum expected expenditures for next year.

SUGGESTED AMOUNTS FOR CHURCHES TO CONTRIBUTE 1952-53

The following suggested amounts for the churches to contribute are as small as we can make them. They do not add up to as much as the budget, but we anticipate receiving some assistance from the Baptist State Convention as we have previously and as other associations do.

The following suggested amounts are based on approximately 10% of the pastor's salary as recorded in the 1951 minutes. If your pastor's salary has been increased, we hope you will correct your goal accordingly. We have not been able to devise a fairer allocation of the goals when everything is considered.

REPORT OF VACATION BIBLE SCHOOL

From the standpoint of the quality of work done, we feel that this has been the best year in Vacation Bible School work that our Association has known. Every Church in the Yates Association conducted a Vacation Bible School, and in addition to these, three (3) Mission Schools were conducted; two (2) at Butner and one on Wilkerson Avenue. We are grateful for the continuing growth of this work among us.

We urge the following procedures in the Vacation Bible School Work in the year to come:

1. Start your preparation as early as possible.
2. Have as many as possible of your leaders attend the annual One Day Vacation Bible School Clinic in our Association.
3. Teach the Vacation Bible School Guide in your church.
4. Keep and use accurate records.
5. Report your School.

God uses us best when He uses us to train a young person to do the Master's will. Let us commit ourselves to this task in the new year of Vacation Bible School endeavor.

Respectfully submitted,
Mrs. Harrell B. Perry,
Vacation Bible School Supt.

REPORT ON RELIGIOUS LITERATURE

If it is true that our words reveal our thounghts, then it is equally that our thoughts are shaped to a large extent by what we read. Southern Baptists, and North Carolina Baptists in particular, have access to much wholesome religious literature. The Biblical Recorder has offered sound reading matter for the family for more than a century. Every effort should be made by denominational, associational, and local church leaders to place the Biblical Recorder in every home. The club plan makes it easy for the average layman to receive this official organ of North Carolina Baptists. The readers of the Recorder are kept informed about State, South and World-wide interests of the Kingdom.

We commend also to our people other publications that are Baptist: (1) "Charity nd Children" published at Thomasville Orphanage, (2) "Southern Baptist Home Mission" is published by the Home Mission Board. (3) "The Commission," (4) "Royal Service" and (5) other religious literature published by the Sunday School Board of the Southern Baptist Convention help to inform and inspire us.

If we would magnify Christ in our thinking and our lives, we must also magnify Him in our reading.

Respectfully submitted,
Leo T. Bridgers

RESOLUTION OF MERGER OF BAPTIST COUNCIL AND YATES ASSOCIATION

Resolved: That, we feel that the "Baptist Council of Durham and Vicinity" originated on the basis of a definite need and a vast opportunity that was not being met by the Mount Zion Association because of the largeness of that Association in numbers and territory. That, since the organization of the "Baptist Coucil of Durham and Vicinity" the Mount Zion Association has divided and the Yates Association has come into existence. That, we believe the smaller size of the Yates Association, as compared to the Mount Zion Association, makes possible an effective program on an Associational basis that was not possible before. That, we find the proposed program of the Yates Association includes all that the "Baptist Council of Durham and Vicinity" proposed to do and more. That, since Baptists are accustomed to working through the medium of the District Associations, we feel that the proposed program of the Yates Association takes precedence over the work of the "Baptist Council of Durham and Vicinity" and that, since the continuation of the "Baptist Council of Durham and Vicinity" offers a threat to the unity, the peaceful fellowship and the cooperation of all the Churches of the Yates Association and constitutes a threat to the accomplishment of a program of progress in the Yates Association and the Kingdom of our God and His Christ, we recommend the following:

"That a committee be nominated by the Committee on Committees and elected by this body to meet with the "Baptist Council of Durham and Vicinity" at the earliest possible time and work out an agreement whereby the Yates Association will take over such obligations and commitments as have been made by the "Baptist Council of Durham and Vicinity" toward the end that the "Baptist Council of Durham and Vicinity" be dissolved and the Churches of the Yates Association be united in the program of our Lord."

To this end, we recommend to the Yates Baptist Church, which last year was the largest single contributor to the work of both the "Baptist Council of Durham and Vicinity" and to the Yates Baptist Association, that we announce that the relationship of the Yates Baptist Church as a member of the "Baptist Council of Durham and Vicinity" is herewith discontinued and that we will make no financial contribution to the work of the Council from henceforth. That, we assure the Yates Baptist Association of our cooperation in its proposed program and urge all of our Sister Churches to unite with us in the furtherance of that program."

Resolved: That, we express our gratitude to the "Baptist Council of Durham and Vicinity" and especially to the Rev. B. E. Morris who has been its leading spirit, for the far-sighted vision, Christian leadership and for the accomplishments of the Council in establishing new Churches in the Yates Association. We further wish to express our gratitude as a Church for the part that we have been permitted to have in this work. We rejoice, in Christ, for consecrated leadership and a work well done.

REPORT OF RESOLUTIONS COMMITTEE

We wish especially to commend the participants on the program, both those from pastors for their most gracious hospitality and for the fine way in which they made our Associational Meetings comfortable and pleasant.

We wish especially to commen dthe participants on the program, both those from the Yates Association and the visitors and guests from other organizations, for their contribution to the spiritual growth of our Association.

We express our gratitude to Bryant Carr, our Moderator, for his sincerity and loyalty to the Association in striving for unity and accord in the purpose of Christ.

Mrs. W. L. Bennett,
Hugh E. Cherry.

For the year 1951-52 there were 9 Margaret Fund students in 5 different Baptist Colleges. There were 20 girls from North Carolina at the Training School. Mrs. Costner sent 29 Birthday cards and 29 Christmas cards to these students in the name of Yates Association.

A playlet, "Bi-focals for Missions" was presented by Mrs. B. Ray Olive, the Literature Chairman. She urged that we make better use of our W.M.U. periodicals, and that each Society work towards getting our Literature provided through the Church Budget. "A few Churches are making such provisions and finding that it is a good plan," said Mrs. Olive.

Mrs. J. B. Brame, Chairman of the Registration, reported a total of 219 present with 31 Churches represented.

REPORT OF W.M.U. SUPERINTENDENT

The Association enjoys the distinction of being one of three Associations in the State with a W.M.S. in every Church.

This, in our case, does not mean that the job is finished, but rather it is a reminder that the "Task has just begun." Each of the Societies needs to be strengthened at one point or another.

In the forty (40) Woman's Missionary Societies there are 2416 members. In the 122 Young People's Organizations there is a membership of 1407, making a grand total of the W.M.U. of Yates Association of 3823.

"Hark! The Voice of Jesus Calling,
Who will go and work today,"

continues to be the appeal of Jesus for laborers in His fields. "Say not ye, there are yet four months and then cometh the harvest? Behold, I say unto you, lift up your eyes, and look on the fields, they are white already unto harvest."

Work for the Master is ever present, waiting to be done by willing hands and hearts. We need "not cross the ocean" or in some other special way dedicate ourselves to full-time Christian service. Always and everywhere about us there are souls in need, distracted and undone by circumstances that surround them. They need the influence of the great Burden-Bearer. In our Association we have opportunity daily to introduce men to Christ whose life and personality has a transforming influence.

Will we of the Yates Association W.M.U. accept this challenge and be ready to answer "Here am I Lord, send me."

Respectfully submitted,
Mrs. Robert D. Holleman,
W.M.U. Superintendent, Yates Association.

REPORT OF YOUNG PEOPLE'S DIRECTOR

During this year we have had some important additions to our Young People's work. Miss Marion Hume became our Associational Y.W.A. Counselor, Mrs. Charles Maddry our G.A. Counselor, and Mrs. Warren Carr our Sunbeam Counselor. We regret that Dr. R. B. Wilkins had to resign at R.A. Counselor, we are grateful to Dr. and Mrs. Wilkins, but we are happy to have Rev. Gilford Daugherty to work with the young men of our Association. We believe our work has a bright future.

We had our annual Youth Rally in August at the Braggtown Church. Mrs. George N. Harward, our Divisional Young People's Leader gave her famous Doll Lecture. We had a very good attendance. During the year we had several group meetings of the separate organizations. Dr. and Mrs. Wilkins had two meetings with the R.A. Leaders of the Association. Both meetings were very successful. They also had an afternoon Association Conclave, of the boys and their leaders at Braggtown. A missionary speaker and a movie were outstanding features of the afternoon. Mrs. Carr had a morning meeting for her Sunbeam leaders. The attendance was not large but it was a good start and we felt a successful meeting. Miss Hume had a night meeting for her Y.W.A. leaders. This year we hope to have a number of meetings for our counselors where they may bring their problems and questions.

This year we had 11 new organizations and also 11 A-1 organizations.

Our smallest organization seems to be the R.A. and our biggest problems—reporting and securing enough leaders. We have many plans which we hope can be carried out during this year with your help and co-operation.

In closing let me ask you a question. And your answer is so important. What do you consider the most valuable possession of your church today? Some wise person has said, "The labor of our churches would be in vain if it were not for our Youth."

They are the most valuable. What do you consider the most important thing in the life of Youth today? A recent survey among a large number of our high school students reveals:

4%—dates
4%—clothes
38%—school
21%—a good time
22%—Church
11%—etc.

But tomorrow their choices will be different. In football season—it will be football—in basketball season—it will be basketball. The cause of Christ should be the most important thing in the lives of our youth.

Four summers ago in Zurich, Switzerland, 2000 young people gathered for the Baptist World Youth Conference. When the roll was called the representatives of all the nations answered with a verse of scripture. The young man from America rose and said, "There is none other name under heaven given among men whereby we must be saved." Yet 2/3 of the world have not heard. The need of the world is to hear his name. As leaders of young people we have an urgent task to perform. In a day when young peoples hearts and minds are in confusion, God's love and his motivating power through Christ Jesus is the only answer for questing Youth. We *will* be faithful to give them that answer.

Respectfully submitted,
Mrs. Flora L. Pickett,
Young People's Leader.

REPORT OF COMMUNITY MISSIONS CHAIRMAN

We are grateful for the progress made in community Mission's activities of Yates Association this year, and let us humbly say, "Thank you Lord." We have endeavored to lead our committees to see the great need of soul winning and their response has been wonderful. It has been our privilege to visit quite a few of our rural societies this year, which has been an inspiration to us, and we trust it has helped the members of the societies to see that they too have an active part in community missions. But our prayer is that we all may strengthen our stakes and lengthen our cords so our faith may reach through our Church Community and even to the uttermost parts of the earth. May I leave with you this scripture: "Now faith is the substance of things hoped for, the evidence of things not seen."—Hebrews 11-1.

Gratefully submitted,
Mrs. R. H. Dalehite, Jr.,
Community Mission Chairman,
Yates Association.

REPORT OF STEWARDSHIP CHAIRMAN

As we look over our Stewardship accomplishments for the past year we rejoice in what has been done, but make a strong resolve to give a better account of our Stewardship in '53.

Our Associational Year began with a leadership conference in October. The quality of the Stewardship Conference was excellent but the quantity very low. Only 15 Chairmen out of 40 W.M.S.'s.

On January 29-30, 1952 a State W.M.U. Departmental Institute was held at the First Baptist Church in Greensboro. I was privileged to attend and was greatly benefited by the Conferences led by Mrs. J. Ben Eller, State Stewardship Chairman.

In early February, the Yates Association W.M.U. sponsored a similar Institute at Angier Ave. This was a very enthusisastic meeting for the 13 Stewardship Chairmen present.

Again I had the opportunity to present Stewardship at our W.M.U. Annual Meeting at Holloway St., using the "Keys" as symbols of different phases of Stewardship as—Time, Talents, Influence, Money, Kind Deeds and the Master Key—Love.

We need to increase our number of tithers. Our Young People's Organizations are not using the Monthly Stewardship plans as they should. We only have 54 out of 128 organizations using the plans regularly.

I attended sessions of the State W.M.U. Convention held in Durham in March and served as Signs and Badges Committee Chairman.

I attended 3 Association Executive Board meetings held at Mrs. R. D. Holleman's home. Also the Stewardship Banquet at Harvey's Cafeteria for Associational and Divisional Chairmen during the W.M.U. State Convention, acting as hostess. Mrs. J. Ben Eller presided and Mrs. Foy Farmer was dinner speaker.

Respectfully submitted,
Mrs. S. E. Dennis,
Association Stewardship Chmn.

REPORT OF MISSION STUDY CHAIRMAN

Mission Study can be likened unto a Master Key, one which opens the eyes, the ears the minds and hearts—of all ages.

Last year this Master Key was used many times in our Yates Association. It opened many doors, for it opened the eyes of our people as they read 2,995 approved Mission Books. It opened the ears of 3,615 men, women, boys and girls as they listened to Mission Study Classes being taught. It opened the minds of 2,588 members of our Association as they read Mission Books.

Mission Study is the Golden Key with which we unlock the very hearts of our people. When the door of the heart is unlocked with this Golden Key, there comes from within, an awakening of KNOWLEDGE, which gives us a world view with a Christian interpretation. A discovery of needs is made, which stimulates us to more intelligent and earnest praying, more faithfulness in giving, more consecrated living, and a sense of international responsibility, which begins in our own communities and reaches unto the uttermost parts of the earth.

Members of Woman's Missionary Union are urged to use this Master Key to open more and more doors, that through opened eyes, ears and minds, other hearts will be opened and hence the Key be used to open the Door of Everlasting Life to millions around the world.

Respectfully submitted,
Mrs. Carl M. Bishop,
M. S. Chairman.

HISTORY OF BRAGGTOWN BAPTIST CHURCH

The Braggtown Baptist Church is a thrilling story of faith and vision. Organized April 3, 1938 it was the outgrowth of a rapidly developing community north of Durham known as Braggtown. This was made possible by some far-seeing people interested in having a Baptist Church grow alongside the community. They were encouraged by several Baptist leaders in the City of Durham, especially the Rev. B. E. Morris, Pastor of Grey Stone Baptist Church (formerly West Durham Baptist Church), the Rev. Henry B. Anderson, whose congregation lay geographically nearest to the new community.

From the first meeting on April 3, 1938 to the present an interested and lively spirit has permeated the congregation. At the time of organization eighty-two members were received. The time of charter membership was kept open several weeks and this number grew to one hundred and ten. The newly formed congregation adopted a church covenant, and articles of faith. Rev. F. D. Hemphill was unanimously elected the first pastor. Much credit should go to Mr. Hemphill for his unique personal qualities and his untiring efforts. In June of 1937 he conducted a Daily Vacation Bible School and in July of 1937 Sunday School was begun with 18 people present. During the eleven months until the time of organization this Sunday School had grown to nearly 200. At this first meeting the church elected Lacy Scoggins as deacon, Robert D. Holleman, Sunday School Superintendent; Mrs. Margaret Wilkins, clerk; and Mr. C. L. Jenkins, treasurer. The church began its evangelistic ministry with the baptism of Josephine Scoggins. The first member claimed by death was J. Toy Godwin.

Growth has been a key word with the Braggtown Baptist Church. By the end of 1939 over 200 people had enrolled in Sunday School. Plans had been made and the church entered its new educational building in September of 1939. Organizations grew. Mrs. L. L. Gardner was elected president of the Woman's Missionary Union; Mr. F. E. Steed, director of the Baptist Training Union. The following new deacons were added the first year: W. M. Marshall, E. B. Byrd, J. T. Harper, C. B. Harper, M. T. Edgerton, L. G. Holleman, and Robert D. Holleman. M. W. Perry, L. L. Gardner, and W. D. Holleman were chosen as the first trustees.

The first Finance Committee consisted of C. L. Jenkins, W. M. Carver, A. H. Woody, Mrs. W. M. Perry, and J. T. Harper.

During the years three ministers have served the church. Since 1939 the church has had a full time ministry. The minutes of May 1939 tell how Robert D. Holleman made a motion that Mr. Hemphill be called on a full time basis. This evoked lively debate, but the vote carried. This spirit is indicative of the spirit that has marked the church in its forward progress. The Rev. F. D. Hemphill resigned in 1943, and in May of that year Rev. Ernest W. Bailes of Forest City, N. C. was extended a call. His ministry with the church extended until 1950. During that time the church erected its present beautiful sanctuary and entered it in May 1949. In November of 1950 J. Marshall Walker, present pastor, came to our church from Appomattox, Virginia.

Indicative of growth are the following facts:

The total membership is now over 700.

Two hundred families were listed as prospects in 1938. Nearly 300 are now related to the church.

The Sunday School enrolment is now nearly 600.

The Woman's Missionary Union reported an enrolment of 221 last year.

The Brotherhood enrolment is 50.

The Training Union enrolment is 102.

The first building was erected at a cost of $15,000.00, while the present property includes a lovely auditorium costing $135,000.00, a fellowship building, and a parsonage. The property of the church is now valued at about $180,000.00.

The budget in 1939 was adopted at $5,140.00. This year it will be over $30,000.00.

The first Daily Vacation Bible School in 1937 had 68 enrolled. The average attendance last Summer was 225.

The first musical program of the church was under the volunteer leadership of a sainted member, L. G. Holleman, Sr. Today the program of music is under the direction of a gifted minister of music, Mrs. N. R. Hunter, Jr. She has worked out a program of musical education for each age group in the church.

The church now employs, in addition to the pastor, a minister of music, a part time secretary and janitor.

The church has been willing to venture since its inception. It has had to struggle, but never once has it sounded the note of retreat. As one has said, "We have cleared the site, now let us build," is a spirit characteristic of Braggtown Baptist Church. It feels yesterday is but preparation for tomorrow.

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The youngest member of our Baptist family of institutions, the North Carolina Baptist Homes, Inc., has had the best year since it began operating, March 16, 1951.

Resthaven, with space for twenty residents, has been filled to capacity. The number of inquiries for rooms has increased into the hundreds.

The Home received its best financial support. The share received from the Nine Year Program (1952) was $14,062.80; our first Special Day offering, February 15, exceeded $52,000; and from individuals, churches, and auxiliary organizations we have received $12,380.33, as of August 1st.

The response to the first Special Day offering for the Home was most encouraging. More than half of our 3055 Baptist churches responded. About seventy-five per cent of the amount came from the smaller churches.

Considering the short time our Home has been operating (2 years), and the fact that this was the first opportunity to appeal to our churches for a special offering, all of us should be encouraged by the response. Our next Special Day offering, February 21, 1954, should amount to $100,000.

On June 18, this year, property was purchased for a Branch Home at Albemarle. This property, consisting of a vacated hospital building and a nurses' home building and nearly three acres of land, was purchased for $25,000. It will cost an equal amount to renovate the property. Even so, it is well worth twice the amount invested. Thus, we can care for 60 residents—20 at Resthaven, Winston-Salem; and 40 at the Albemarle Home.

At the time of purchase, it was hoped that the branch home would be ready for operation by October 1, this year.

The general health of the residents has been exceptionally good, considering the range of their ages, 66 to 93. There has been only one death this year. The spirit and the general attitude of the residents have been most satisfactory.

There are many evidences of increasing interest in our Homes. Pastors, conducting worship services, have brought delegations from their churches to share the inspiration of worship with our residents. Auxiliary and Sunday school groups have frequently visited us to conduct devotional services. Gifts of supplies and cash are often received from these various organizations.

Plans for the future enlargement are encouraging. With a general Special Day offering in February, 1954, and other special gifts from individuals and corporations, we should be ready to begin construction of our administration building, which would give us room for fifty additional residents, and making our total capacity 110 residents.

Since North Carolina Baptists now number more than 700,000 members, with thousands of our constituency now over 65 years of age, we should keep in mind the great number of our elderly brethren who need a home to provide security, comfort, congeniality, and a Christian ministry. Our North Carolina Baptists are able to meet the challenge to make adequate provision for the aging, and as "laborers together with God," we can meet it.

"Cast me not off in the time of old age; foresake me not when my strength faileth" —Psalms 71:9.

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL
1953

"If Thou wilt, Thou canst make me clean," was the leper's plea that touched the heart of Jesus. A like plea from the sick multitudes who need help has touched the heart of North Carolina Baptists. Our ministry through our Baptist Hospital is our answer to this call.

More than ten thousand patients were cared for in our Hospital last year, while thousands of others were seen in the Clinics. Almost half of these were service patients, unable to pay the full cost of the care they received. These included old people at the sunset of life and little children at the dawn of life, mothers, fathers and young people. They included persons who had to have help if they were to carry on as mothers and wives in their homes, if they were to work as fathers and husbands to support their families, if as young people they were to be set free from handicaps for life, if as old people they were to be spared for additional years and from much of the suffering which often attends old age. With all the advance of medical science, there is still much that it cannot do; but our Baptist Hospital is making a large contribution toward the saving of life, the relieving of suffering, and the bringing of good health for those who need it most.

From all over North Carolina there is a constant stream of afflicted people coming seeking our help. Our Hospital provides skilled specialists for them in the various fields of medical care. The demand is so great that it is never safe to go without an appointment in advance. The schedules of the Clinics and doctors are almost always completely filled by appointments made days and weeks and often months ahead. If it is an emergency case the family doctor should call the Hospital and talk with a doctor there who will arrange for the patient to come as soon as possible.

One of the most important parts of the program of the Hospital is the spiritual ministry it provides. This is necessary if the full needs of a sick person are to be met. Our Hospital has trained chaplains who render an effective ministry for the sick, guidance for the nursing and medical students, and training for pastors and Christian workers.

Three floors of the New Hospital Wing are nearing completion and should be ready for use this year. This will provide urgently needed space and facilities. If any church in the Association has not contributed its part toward the building of the New Wing, we hope this will be done at once.

"If Thou wilt, Thou canst make me clean." Jesus replied, "I will." You and I answer, "I will," if we give as we should in our Mother's Day Offering. This determines how much help we provide for those who are sick and have little or no money. Let all of us answer with a generous, "I will," next Mother's Day.

Hospital Representative

YATES SUNDAY SCHOOL ASSOCIATIONAL REPORT

Activities of the Associational Sunday School program for the past year have consisted of four mass meetings, two of which presented a phase of the "Million More in '54 Campaign," one presented the Extension Department work, and one was devoted to an officer and teacher clinic with special emphasis on enlistment. In addition associational officers gave assistance to churches who called upon them. Mrs. Gordon Chandler, Associational Beginner Superintendent, promoted a Beginner Day, with Beginner workers from all of our churches being invited to the Durham Memorial Church for an all day clinic. This day proved most helpful and Mrs. Chandler is to be commended for her special interest and effort.

The following facts from the associational letters reveal both the progress and need of our Sunday School work:

No. of Churches	40
No. Churches with Cradle Roll	15
No. Churches with Extension Dept.	17
No. Churches reporting enrollment gain	27
No. Churches reporting enrollment loss	11
Total enrollment last year	15,382
Total enrollment this year	15,866
Net gain over last year in enrollment	514
Total resident church members	16,956
Estimated resident members not enrolled in S. S.	5,000
Total churches reporting Training Schools	23
Total number of Training Schools held	46

AVERAGE ATTENDANCE THIS YEAR 8546 (54%)

The following suggestions are made to guide our churches in Sunday School work in the coming year. (1) Let every church adopt an enrollment goal and plan necessary steps leading to the enlistment of prospects. (2) Every church should become fully organized with needed officers and teachers, and with a Cradle Roll and Extension Department. (3) Mission or Branch Sunday Schools should be organized where needed. (4) Every church should have at least one Training School annually.

These suggestions apply to every church and will lead to progress in our work. Still other methods and procedures could be devised within individual churches based upon specific needs. Please call upon your associational officers when they can be of help.

Willis Bennett
Associational Sunday School Superintendent

REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

Christian literature is a tremendous force in the lives of our people today. In our own country virtually all persons read, and what they *read* is largely what they *believe*. Glorious opportunities are ours to crusade for Christian literature. If we fail to meet such opportunities, our Baptist people and Baptist work will suffer untold harm from little vision and lack of knowledge.

In days of old, the prophet Hosea said, "My people perish for lack of knowledge." Today the devil is exploiting as never before, the power of the printed word. The mails, the news-stands, and too many homes, are loaded with the ugly tide of bad books, periodicals, magazines cleverly designed to delude people, to promote cheap diversions, to glorify worldliness, to encourage Sabbath-breaking and liquor sales with all its attendant evils, and to undermine Christianity in general.

To meet this evil flood of bad literature we have a marvelous array of well printed, sound Baptist periodicals, Sunday School and other Christian publications for every age, spiritual interest and need. Perhaps no denomination in America has so fine a selection of Christian literature as Southern Baptists have today. The aim of it all is to inform, enlist, indoctrinate, unify and inspire our people for faithful service in our Lord's name. Our Christian literature must be magnified and promoted in all the churches if God's work is to go forward.

In our own state, the BIBLICAL RECORDER is the one publication covering the entire field of our co-operative efforts as Baptists. Without our State Baptist paper a successful promotion of all our Baptist work would be well-nigh impossible. For 120 years the RECORDER has been going into Baptist homes with its weekly message. Wise pastors, associational missionaries, Sunday School superintendents and many other leaders have over the years promoted its circulation, and they have rejoiced at the many visible fruits of good reading. People do more when they know more. As they read, they lead. As they are informed, they are inspired. In 1830 North Carolina Baptists were organized with the stated purpose of "promoting missions, education, social service, and the distribution of sound religious literature."

The present circulation of the RECORDER is approximately 55,000. The paper should be in every Baptist home. We are grateful to our pastors and other church leaders for their interest and co-operation in promoting the paper. We appreciate the support of General Secretary Huggins and the other State workers for their interest in and promotion of our Baptist journal. RECORDER representatives in churches all over the State have been faithful in securing renewals and new subscribers. We thank every one.

The RECORDER has three simple subscription plans: $2.50 a year for individual subscriptions; $2.00 a year in clubs—with at least 3 subscriptions required for a church reporting less than 100 members, and 5 subscriptions for a church reporting over 100 members; and the Every-Family Plan, the best of all, at the low rate of $1.50 a year, the requirement being one subscription for each resident family of the church. We hope that all pastors, superintendents, deacons, W. M. U. and Training Union leaders and others will do all they can to encourage the Every-Family plan in every Baptist church, or at least a good-sized RECORDER club. At present there are over 360 churches using the Every-Family Plan, and over 1150 churches with Clubs.

Remember in your prayers the RECORDER and its staff, as we seek to be of every possible service to North Carolina Baptists. We want to be faithful to our task and mission; and we want to be a comrade and helper in very Baptist home and church in North Carolina as we all work together to support every cause dear to the hearts of our Baptist people. In Proverbs 23:23 we are urged to "buy the truth, and sell it not; also wisdom, and instruction, and understanding."

MATTHEW TYSON YATES

The Yates Baptist Association held its fifth annual session on October 27 and 28, 1953, in the Mount Pisgah and Durham Memorial Churches.

The first day's session was held in the Mount Pisgah Church in Chatham County, the home church of Matthew Tyson Yates, pioneer missionary to China, in whose memory the Association is named.

Matthew Tyson Yates was born January 8, 1819. During a camp meeting revival at Mount Pisgah Church, following the third Sunday in October, 1836, he made a profession of faith. On the fourth Sunday in October, 1836, he united with the church and was baptized on Monday, October 24, by Patrick Dowd.

At the regular church conference in August, 1840, a resolution was passsed granting to Matthew Tyson Yates the privilege to use his gifts in any way he deemed wise. This meant that he was licensed to preach.

On September 29, 1846, after he had graduated from Wake Forest College, he was married in the Mount Pisgah Baptist Church to Eliza Moring. The ceremony was performed by Patrick Dowd. He sailed the same year for China, being the first missionary from North Carolina to go to any foreign land. He served in China for more than forty years.

He died on Saturday, March 17, 1888. Just as his body was being borne away from his house the beautiful spring morning of March 19, the first thousand copies of his colloquial translation of the New Testament, with the exception of Revelation, were delivered at the door of his Shanghai Church.

Those who visit his grave in Shanghai, China, today, read on his tombstone: "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works to follow them."

REPORT OF MISSIONS COMMITTEE

The Missions Committee held monthly meetings during the year and were in charge of four monthly Associational meetings.

It has been a matter of real concern that we have not been able to secure a full time Associational Superintendent of Missions. We have, however, benefited greatly through the part time work of Brother Julius H. Corpening who rendered valuable services for nine and a half months, leaving us September 26 to accept a full time pastorate at Hampton, S. C.

There were three successful schools for deacons March 24-26 in three sections of the Association as follows: Mt. Pisgah, Immanuel and Holloway Street churches with brethren C. W. Bazemore, Earle Bradley and Jimmy Ray respectively leading. Excellent reports show that these schools were highly successful.

Brother A. B. Cash, head of the Associational Missions work of the Home Mission Board visited us during the year and in a noon luncheon meeting where all pastors were invited he gave a fine discussion, outlining a program for our work.

The Association Board in July approved a recommendation of our committee to make a religious census of the whole association early—1954. Mr. Morgan of the Sunday School Department has agreed to help us in this work which should be pushed by every church in the Association.

Another recommendation of our committee was approved by the July meeting of the Association Board that a special committee be appointed by the Moderator to investigate the advisability and possibility of securing denominational aid in establishing a Good Will Center in the Few Gardens section.

We covet the prayers of all that we may be led in securing a Superintendent of Missions, and urge the completion of the religious census of the entire territory of our Association as soon as possible.

Respectfully yours,
Henry B. Anderson, Chairman

NOTES

Mrs. Carl Bishop and Mrs. B. Ray Olive presented the Mission Study and Literature reports in the form of an amusing skit which depicted Mrs. Church and Dr. Study in the doctor's office. Mrs. Church was seeking a remedy for the ills of her large family. Dr. Study gave precriptions for all of them in the form of Mission Study and W. M. U. Literature.

Miss Marion Hume of Grey Stone Church gave Mrs. Dalehite's report on Community Missions. She used a flannel board on which she made an acrostic of Christ—C-ommunity, H-igh Standards, R-egular, I-ndividual, S-oul Winning, T-ime.

Mrs. S. E. Dennis used Paul's Pod of Peas, based on I Cor. 16:2 for her Stewardship report. Periodic, Every week; Personal, Every one; Provident, Lay by in store; Proportional, Tithe; Preventive, No gathering when I come.

It was voted to increase the budget from $200.00 to $350.00 and to include the Business Woman's Federation in the budget with an apportionment of $50.00 per year and to increase the apportionment to the Division to $40.00 as had been requested. This to begin Oct. 1, 1953.

A-1 awards were presented to the following auxiliaries—Sunbeams, Bethesda, 2; First; R. A. Lakewood; Int. R. A. First; G. A. First, Jr. and Int.; Y. W. A. Grey Stone, Edgemont, Braggtown.

Group No. 4, Mrs. C. N. Royal, Group Leader, furnished the bountiful lunch that was enjoyed at the noon hour. This Group is composed of the following churches: Alston Ave., Angier Ave., Berea, Bethesda, Cedar Fork, Edgemont, Lowe's Grove, and Olive Branch.

Registered attendance was 205 with thirty-two churches represented. There were nine visitors. The Grey Stone Church in Group No. 1 extended an invitation for the meeting in 1954.

Mrs. L. A. Nash, Mrs. R. E. Scarlett, and Mrs. Rufus Ball were the Committee on Time and Place. The time of next year's meeting will be set by the W. M. U. office in Raleigh.

W. M. U. THANK YOU

When they are spoken sincerely, the words, "Thank You" are a great deal more than mere words; they are mankinds' simplest and most beautiful way of giving expression to hearts overflowing with the grace of gratitude. It is in this spirit that we say, "Thank You" to every person who has in the smallest way made today possible for us.

"Thank you," Mrs. R. D. Holleman for your efficient planning and presiding.

"Thank you," members of the Lowe's Grove Baptist Church and Mrs. C. N. Royal and members of group four for your gracious hospitality.

"Thank you," Mrs. R. B. Wilkins, Mrs. Barbara Lewis, Patricia Pearce, Judy Hamlett, Ann Adams and Ann Shipp for lifting us up and preparing our hearts and minds for the things that God prepared for us.

"Thank you," Mrs. Gordon Maddry, Mrs. Wesley Lawton and Mrs. Charles Howard for your prayers, your presence and your presentation of the world's need.

Because we are definitely and reverently aware that it is God who has blessed today, I am sure that you want to stand and silently say "Thank you God," and perhaps too you will want to promise Him that you will live more in the spirit of the grace of gratitude.

Respectfully submitted,
Mrs. Harrell B. Perry
Mrs. R. E. Hatley
Mrs. Eustace Horton

REPORT OF MISSION STUDY CHAIRMAN TO ASSOCIATIONAL MINUTES

In one of Brother Charles Howard's best sermons, "Climbing the Christian Ladder," he uses as an illustration of growth—the Annual Homecoming in his childhood of his family to Grandfather's house, where each child had its mark on the wall and where each year, grandfather brought out the yardstick, again measuring the growth of each child, and the delight that was his as Grandfather added another inch or two to Brother Charlie's mark on the wall. . . . I searched for an idea with which to bring you a means of measuring the growth, the knowledge gained in our Association last year through the efforts of Mission Study, some instrument with which to weigh our progress. I am happy to tell you that reports for the year ending September 30, 1953 slightly overbalance the 1952 figures: 264 classes held—a gain of 9; 4,030 enrolled in Mission Study—an excellent gain of 415; 2,680 members reading approved books, a gain of 92; 3,143 books read—a gain of 148. Two institutes were held, largest number of Churches represented: only 22. May each one of us throw our weight into the efforts promoted by our individual Missionary Chairmen, praying and working that 1954 will outweigh all previous records in the business of making our people to see the World's Need of a Saviour through Mission Study.

Respectfully submitted,
Mrs. Carl Bishop

REPORT OF W. M. U. SUPERINTENDENT

As Superintendent of Yates Association the Woman's Missionary Union pledge together to pray for our Pastors in the Yates Association to help them by enlisting more women and young people in 1953 and 1954 to reach our "Million More" in 1954. We have had four splendid executive meetings with an average of 22 at each meeting. I attended the Yates Association—presided over the Leadership Conference. I also attended the Youth Rally August 18th at Angier Avenue Church which was well attended by our young people. I have visited four rural churches and two city churches. The Association has increased its budget from $160.69 to $400.00 We shall try to obey the Master's last command—"Go Ye into all the world and preach the Gospel to the whole creation."

Respectfully,
Mrs. E. T. Newton, Sr.

16 Churches gave $40.00 to Burney Fund.

I sent Christmas cards and birthday cards to each Margaret Fund student and Training School student.

Various Churches sent cards and gifts.

I sent letters to all Margaret Fund Chairmen.

Amount of money spent reported was for two years' expenses.

Mrs. R. L. Costner

LITERATURE REPORT W. M. U.

By virtue of experience and observation one sees and feels the tremendous impact which the study of missionary literature makes upon the life and personality of an individual.

Dequency puts all literature into two classes—the literature of knowledge and the literature of power. Mrs. Ethelene Boone Cox says that "literature of knowledge informs and the literature of power transforms."

The world is full of knowledge and we cannot and should not close our eyes and minds to knowledge; but we would be wise if we would let our hearts and minds transcend beyond the realm of knowledge into the realm of power, to the realm of transformation. Then and not until then can we as Christians "arise and shine" and exclaim with gladness, "The beauty of the Lord our God is upon us."

As your humble chairman, may I say that the little work I have done cannot be put into facts and figures. Quoting a great philosopher, "To know is not to know unless someone knows that I know." Having carried this thought in mind throughout this last year in literature work I have tried to tell the various churches what I have known of the need and importance of using our missionary literature and in many instances I have been able to lead some of our larger and older churches to supply some of the new and smaller churches with necessary W. M. U. magazines. I have tried to show some of our churches the wisdom of financing our W. M. U. magazines and other periodicals through the regular church budget.

In conclusion, I wish to say that although this is a small report, it is my prayer and hope that the fruits of my efforts may be found in the lives and work of those to whom I have ministered.

Respectfully submitted,
Mrs. B. Ray Olive
Literature Chairman, W. M. U.
Yates Association

STEWARDSHIP REPORT W. M. U.

Christian stewardship is the practice of the Christian religion. The Woman's Missionary Union of the Yates Association is concerned in its stewardship activities.

Her thirty-three (33) stewardship chairmen realize their far-reaching possibilities. Their vision and hard work will be the source of inspiration for the committee members who serve with them. These stewardship chairmen give help to the young people's counselors in using the stewardship education plans, month by month.

Good stewards appreciate and love their churches as divine institutions. We believe that when 3,893 Baptist women, boys and girls are contributing regularly to the Cooperative Program, the church is vital to them. So let us continue to teach the Scriptural truth, "the tenth is holy unto the Lord"—1,289 names have been written on the W. M. U.—"Tithers Roll"—"Give all God asks"—"Take all God Promises." We will pray and work for more tithers.

The stewardship chairman is concerned with "Stewardship Classes"; they stir up study and activities. The W. M. U. includes in its plan of work, emphasis upon "Church Night of Stewardship" showing the aims and the climax of her year's work. We want all of these plans and activities to represent genuine spiritual experience and growth among our people. Christianity is centered around the individual Christian.

"Stewardship is not a thing of logic—it is a thing of life. It is not the law of God for us, it is the life of God in us."

Mrs. Hubert Warren
Stewardship Chairman
Yates Association.

COMMUNITY MISSIONS REPORT
W. M. U.

As Community Missions Chairman for the Yates Association, it is a pleasure for me to report that there is a Woman's Missionary Society in each of the forty churches in the Association. This report covers the first two quarters of the Associational year. We are stressing soul winning, for after all, that is the real meaning of Community Missions. We also plan to work with patients in the various hospitals. We want to go in person just like Jesus did. It is good to send flowers or cards, but so much better to go yourself. Jesus went about doing good. He went in Person.

We have had 1,071 individual members making definite soul-winning efforts in the past two quarters. This includes the W. M. S. and the Y. W. A.'s.

We are so thankful for our young people and their work, for they are the church leaders of tomorrow.

I want to thank each Community Missions Chairman who attended the Leadership Conference, held at the First Baptist Church, in October. I hope that they got some help from it, and that their reports will be better than ever.

Respectfully submitted,
Carolyn Sneed,
(Mrs. E. P.)
Community Missions Chairman.

Article 3. Each church shall be represented at the annual meeting of the Association and at any special meetings during the year by messengers who shall be duly certified, and in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Article 4. Churches seeking admission into the Association shall apply to the Church Extension Committee prior to the annual meeting of the Association, giving evidence of their faith and order, and their agreement to be received under the watch-care of the Association for a period of one year. It is understood that during this period such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under the watch-care of the Association. At the conclusion of the period of watch-care the church or churches shall become members in regular standing upon a final vote of approval by the Association.

Article 5. The Association shall have power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, or that fails to represent itself either by messenger or by letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

Article 6. Any church may withdraw from the Association at its pleasure.

REPORT OF SUPERINTENDENT OF YATES W. M. U.

I have visited sixteen Churches in the Yates Association this year. I have presided over four Executive Meetings with an average of twenty-five present. At one of the four meetings twenty-three Presidents were present. We had a Youth Rally in August, 1954 at Bethesda Baptist Church with 201 present. During Sunbeam Focus Week August 12 to August 17 we met at Temple Baptist Church with eighty-six Sunbeams and their leaders present. We had Miss Beverly Neilson, State Sunbeam Leader, with us that evening.

As we of the Association, look back over the past year I believe our most outstanding accomplishment has been our Young People's work.

For four quarters of this year the thirty-nine Churches have been 100% reported.

Dr. M. T. Rankin once said "We have done little because we have unconsciously put the task of world missions in a small place in our interest and thinking. We must take it out of this bracket and put it up at the top of the important affairs of life." God expects us to seek first the Kingdom of God and His Righteousness.

Respectfully submitted,
MRS. E. T. NEWTON,
Superintendent.

YOUTH REPORT

As we of the Yates Association look back over the past year, we believe our most outstanding accomplishment has been our Young People's work. During the year we have organized three Sunbeam bands, two Girls Auxiliaries, three Royal Ambassador Chapters and two Young Women's Auxiliaries. We had a very enthusiastic Young

People's night on August 17 with 201 present at Bethesda. A very inspiring devotion was given by Sylvia Cash, a young G.A. Every person on the program was a young person. An executive meeting of the Young People's Leaders meets quarterly. All counselors were present at the last meeting.

Respectfully submitted,
MRS. D. H. LYON,
Young People's Leader.

Y. W. A. REPORT

There have been two Young Women's Auxiliaries organized during the past year, Calvary and Westwood. We are hoping to organize three more within the next month. It is the dream of the counselor to organize a Y.W.A. Council for the Yates Association, possibly during Y.W.A. Focus Week. The first Divisional Y.W.A. House Party will be held at Campbell College in February, when we are looking forward to a good representation from our Association.

During the 60th Anniversary Celebration at Grey Stone Church, Mrs. Gordon Maddry, State W.M.U. President, presented to Miss Jean Gregory, President of the Grey Stone Y.W.A., a Citation for outstanding work done by her group.

SUNBEAM REPORT

The Sunbeams of Yates Baptist Association met at Temple Baptist Church at 8:00 p.m., Thursday evening, August 12th.

The meeting was presided over by Mrs. Mabel Nevius, Director of the Sunbeams of the Association. The children sang "Be a Little Sunbeam," accompanied by Mrs. W. J. Cross. Sammy Brockwell led the children in reciting the Rally Cry. Olivia Ann Roberts led the Sunbeams in reciting the Watchword.

Miss Beverly Neilson, Sunbeam Field Worker of the State, spoke to the children in a very inspiring manner challenging them in personal service. Mrs. H. W. Kimbrell displayed her European dolls which were dressed in their native costumes.

REPORT OF THE COMMUNITY MISSIONS CHAIRMAN

There are 39 active W.M.S.'s in the Yates Association and each of these sent a report to me every quarter during the past year. Most of these have been active in Community Missions work. Three have taught the "Guide to Community Missions." A Community Missions Institute was held for all Chairmen and this book was taught and discussed. Eight societies have studied a book on Soul Winning and twenty-eight have made a survey of their community.

I have sent reports to the State Community Missions Chairman and to the Divisional Chairman each quarter of the past year and I hope the reports I send in this year will be much better than last year.

Respectfully submitted,
MRS. CAROLYN SNEED,
Associational Community Missions Chairman.

REPORT OF MISSION STUDY CHAIRMAN

Imagine my disappointment when I found that the accomplishment in Mission Study 1954 had slipped below last year's! In making graphical charts of comparison we find that in the third and fourth quarters, our records began to slip below 1953. 24 less classes in the third quarter were held and only 12 books taught in the entire association during the months of July, August, and September. 36 less classes the whole year. With the exception of the second quarter, less members were enrolled in classes, 422 less during the whole year than in 1953. 69 Classes found themselves too busy to spend three hours in class, but there were enough 3-hour classes to boost our figure to show an increase of 37 classes meeting the 3-hour requirement. We have two more Missionary Round Tables than in 1953, but not near enough for only two of our Churches are participating in this category of Mission Study activity. There is a real bright spot in our report, you are doing more reading. A grand total of 3,012 members read one or more Missionary books during the year, 317 more than in 1953. Try using the Achievement Chart. Any new idea needs a little friendly encouragement, so won't you encourage the use of the Achievement Chart in your Missionary Society? Only 3 societies are using it at the present time. After compiling these reports, I felt they needed a breakdown; where were we weakest? The decrease in books taught was about equalized between all the auxiliaries and the missionary societies. Each organization showed an increase in meeting the 3-hour requirement. Enrollment in G.A. classes showed a sizeable increase, all other organizations a decrease. The largest decrease in enrollment appeared in the W.M.S.—about 400 less for the year. We are all reading something, and we should become alarmed at this: our young people are not reading Mission Books—all auxiliaries showed a decrease in reading while the W.M.S. showed a gratifying increase of 500!

The Woman's Missionary Union of our great denomination has provided us with adequate information on what to read and to study, through the World in Books, and the various other book lists which are available. I am grieved to report to you a loss in classes held, also in attendance on these classes. Perhaps I have not sent you enough letters and have not prayed as definitely as I should for you as you went about your task in your Church, but I covenant with you to try through work and prayer to lift the level of this part of our work in 1954-1955.

Respectfully submitted,
MRS. CARL M. BISHOP,
Mission Study Chairman.

REPORT OF YATES ASSOCIATION BROTHERHOOD

The most vital and fruitful periods in the history of the Christian Church have been those in which the Laymen have most vividly realized and most earnestly sought to discharge their responsibility to propagate the Christian faith.

Meaning and Purpose

A brotherhood is a group of consecrated Christian men, preferably all of the men in a Missionary Baptist Church, seventeen years old and above, who have banded themselves together for the sole purpose of promoting the full program of their Church and Denomination. The Brotherhood is built upon four cornerstones: EVANGELISM, STEWARDSHIP, BIBLE DOCTRINE AND CHURCH LOYALTY.

Its Function

It is a service organization which seeks to harness and utilize the manpower in the Church and to provide an outlet for men to put into action those impressions for Christian witnessing they received while attending various services of the Church. The following seven vital functions carried out by the organization will enable one to see something of its challenges and objectives:

(1) The Brotherhood offers a great Christian fellowship to all of the men.

(2) Programs are planned and offered which will give the men visions of the great program of Christ carried on by the Church and Denomination.

(3) The sponsorship of Royal Ambassadors and promotion of the Man and Boy Movement.

(4) The Brotherhood offers and endeavors to give every man in the Church a definite responsibility and service to render in undergirding and promoting the full Church and Denominational Program.

(5) The enlistment and cultivation of that large group of delinquent Church members.

(6) The Brotherhood seeks to lead the men to witness for Christ and to win lost souls to the Saviour.

(7) The Brotherhood endeavors, through its Educational Committee, to enlist every home in the Church for the Biblical Recorder and other Denominational periodicals.

We have in North Carolina eight hundred and seventy-two Brotherhoods at present. These Brotherhoods will represent over fifty thousand men. Forty-eight of these seventy-three Associations and eight of the ten Regions have been organized thus far. During 1954 Horace Easom, State Brotherhood Secretary, has given one-half time to the Brotherhood work and the other half of his time to the Baptist Foundation. The Associational Brotherhood meets quarterly and the Regional and State Brotherhood

Organization meets annually. Brotherhood Retreats were held this summer at Caswell Baptist Assembly, Fruitland Baptist Assembly and Ridgecrest Baptist Assembly.

According to the records in the State Brotherhood Office the following churches of the Yates Association have reported Brotherhood organizations to date: Braggtown, Cheek Heights, Durham Memorial, Edgemont, Grey Stone, Guess Road, Holloway Street, Lakewood, Olive Chapel, Rose of Sharon, Yates.

At present our State Brotherhood Secretary, Horace Easom, has an engagement at Temple Baptist Church, Durham, for November 29, 1954, to organize a Brotherhood. And on November 30, 1954, we have the Associational Brotherhood Clinic for all men who are interested in this phase of the work. This Clinic will be held at the Temple Baptist Church and all interested men are urged to attend and hear the State Secretary, and his three assistants give us instructions on the operations of the Brotherhood in the local churches. We hope to use Mr. Easom more during the year in the Yates Association, in the support and promotion of this Brotherhood Movement.

This report would not be complete if I omitted the meeting held on September 14, 1954, at Harvey's Cafeteria. With seventy-five men in attendance, a very inspiring program, under the direction of our Moderator, Robert D. Holleman, and featuring Mr. Horace Easom, was presented and the following officers were elected: President, Dr. D. R. Perry; Membership Vice-President, E. L. Phillips; Program Vice-President, Roy Watson, Promotional Vice-President, Earl Anderson; Secretary-Treasurer, C. H. Collie; Assistant Secretary-Treasurer, A. L. Wilson; Chorister, A. Clyde Ferrell, Assistant Chorister, Bernard Harris; Pianist, Harry C. Evans; Assistant Pianist, James Long, Jr.; Advisory Committee, R. L. Mills, Charles McKinnon, O. A. Johnson, Rev. W. Chess Smith, Dr. Gerald Naylor, Dr. Willis Bennett, Rev. B. E. Morris, Rev. Charles F. Smith.

Following this meeting at Harvey's we adjourned to meet at Grace Baptist Church for a meeting of all men of the association. Again Horace Easom explained at length the objects and purposes of a Brotherhood in the individual churches. There were seven churches represented at this meeting that do not have a Brotherhood.

Beginning with the new calendar year, quarterly meetings will be held on Tuesday following the second Sunday of the first month: January 11, April 12, July 12, and October 11.

Respectfully submitted,
DR. D. R. PERRY, President,
Yates Baptist Association Brotherhood.

REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

Christian literature does not need defending; it needs more distribution and wider reading. Never before have Baptists had such opportunities as today to magnify and promote the Lord's work through vital Christian literature. The printed page is powerful; its influence is universal. People tend to become like the things they read and absorb in their minds and hearts. The flood of bad literature has spread over our land, with almost every news stand, drug store, bus station, and even grocery stores, selling objectionable comic books, bad magazines, lurid books and periodicals that the U. S. mails refuse to carry. This bad literature very often finds its way into Baptist homes, and its pages are filled with the seeds of evil. Wider reading of good Christian literature would soon destroy the thirst for the bad. Baptists have a great opportunity—to provide the best reading matter they can get for their homes.

Baptists have compelling reasons for securing and reading Christian literature, especially from their own presses. The aim of it all is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. Dr. M. E. Dodd said: "A non-reading Baptist is a non-informed Baptist. A non-informed Baptist, is a non-interested Baptist. A non-interested Baptist is a non-cooperative Baptist, and a non-cooperative Baptist is not much of a Baptist."

In North Carolina, the *Biblical Recorder* is the one publication covering the entire field of our Baptist work. Without our state Baptist paper, successful promotion of our Lord's work in all Baptist channels would be well-nigh impossible. The *Recorder* has carried the message of Baptist progress into Baptist homes for 121 years. Wise pastors, associational missionaries, consecrated Baptist leaders have over the years promoted its circulation; and they have rejoiced to see the fruits of much good reading. People always do more when they know more. As they read, they lead. As they are informed, they are inspired. People usually are not interested in, and will not support, that which they do not know about.

The present circulation of the *Recorder* is approximately 57,000 each week. It should go into every Baptist home. We wish to thank our pastors and other church leaders for their fine interest and cooperation. We appreciate the support and interest of General Secretary M. A. Huggins and all other State workers in promotion of the *Recorder*. Many *Recorder* representatives in the churches have faithfully secured renewals and new subscribers. We wish to thank every one.

The *Recorder* has three subscription plans: Individual subscriptions at $2.50 a year; $2.00 a year in clubs, with at least 3 subscriptions for a church with less than 100 members, and 5 subscriptions for a church with more than 100 members; and the Every-Family Plan, the best of all, at the low rate of $1.50 a year. The requirement for the Every-Family Plan is that each resident family of the church be on the list to receive the paper each week. Payment is made usually through the church budget for this plan, but the money may be secured by any other method which the church may prefer. We earnestly urge all pastors, deacons, superintendents, W.M.U. and Training Union leaders, and others to help us get the *Recorder* into every home possible. About 1,500 churches in North Carolina now either have clubs or are in the Every-Family Plan.

Remember us in your prayers. The *Recorder* and its staff members seek to be of every possible service to North Carolina Baptists. We want to be faithful to our task; and we want the *Recorder* to be a comrade and helper in every Baptist home and church in this State. We must all work together in support of every cause dear to the hearts of our Baptist people.

Faithfully yours,
L. L. Carpenter, Editor and Business Mgr.
C. W. Bazemore, Associate—Circulation.

NORTH CAROLINA BAPTIST HOMES FOR AGING REPORT FOR 1954

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this newest phase of our North Carolina Baptist program.

A step forward was taken when the Albemarle Home opened its doors on December 7, 1953. It afforded space for 35 additional residents, making the total capacity of the two Homes 54 residents—Resthaven, Winston-Salem (19), and the Albemarle Home (35). The purchase price of the property at Albemarle—Hospital and Nurses Home buildings and 3 acres of land—was $25,000. The cost of renovation was about $75,000, thus making the total cost of this plant $100,000. But, with the value of the equipment donated, the property there should now be worth at least $300,000. Good fortune was ours again in securing the splendid staff of helpers at Albemarle. Rev. Zeb. A. Caudle, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albemarle Home. Both the residents of, and all who have visited, the Home have been greatly pleased with the program of service.

Resthaven, at Winston-Salem, which began operating March 16, 1951, has been filled to capacity throughout the year. Although the ages in both Homes range from 67 to 94 years, there have been only two deaths within the past year. The general health has been remarkably good, and the spirit of satisfaction on the part of the residents has been most encouraging.

A tract of 34 acres of land, just outside of the city limits of Winston-Salem, was purchased in 1953, for a central site for new buildings. The cost was $25,000. A topographical map has been made and an architect engaged to prepare sketches of buildings to be erected on this central site, as money and circumstances will permit. It is the intention of the trustees, however, to proceed with one building at a time. The first unit will furnish space for additional residents and for offices, chapel, infirmary, laundry, refrigeration, etc. It is hoped that construction of the first unit can get under way within a year.

Inquiries have been received as to the possibility of a couple erecting a cottage on the central site, so that they might live in it until death, and then the cottage would be available to another couple. The cost of erecting and furnishing it would be paid by the couple, but it would become the property of the North Carolina Baptist Homes.

The second Special Day Offering, February 21, 1954, was encouraging. The total amount will probably be $65,000 to $70,000. In addition, the Homes received $21,000 as their share of the Nine-Year Program. Word has come, too, of wills, from which the Homes will receive gifts. At least one will was probated in 1954, from which estate the Homes will receive $2,000. But the most encouraging progress has been the response, on the part of our churches, to the program of the Homes. More and more of them are beginning to support the Homes through the Special Day Offering, or by special designated gifts. These evidences indicate the future success of the Homes in providing more facilities and accommodating larger numbers of aging friends.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and continued support of our Baptist constituency in the future.

It is requested that an Associational representative be elected at this session, and the name be sent to General Superintendent J. M. Hayes, Kentucky Avenue, Winston-Salem, N. C.

Respectfully submitted,
Rev. J. M. Hayes.

REPORT OF ASSOCIATIONAL SUPERINTENDENT OF MISSIONS

(February 4-September 30, 1954)

Since coming to the Yates Baptist Association as Superintendent of Missions I have been very busy and happy. God has richly blessed us! We have felt an ever-increasing spirit of unity and cooperation. It has been wonderful! I deeply appreciate the willingness of the pastors, board members, and churches to "pull together."

The Associational office has been moved from 511 to 409 Snow Building. The new quarters have been painted and air-conditioned. Two 4-drawer files, a typewriter and table, secretary's desk, two bulletin boards, fluorescent lights, and venetian blinds have been added or installed. Mrs. Charles A. Maddry and Miss Shirley Blackley both have worked efficiently and sacrificially as part-time secretaries during the year. Thousands of letters and circulars have been sent out in addition to the monthly *News Bulletin* with a mailing list of over 800.

Every church has supported the Associational program financially during this last year. We are ending our budget year with a gain of nearly $1,000 in the treasury. Only two churches have not given to the Cooperative Program. We rejoice with Miss Nannie Mae Herndon, Associational Training Union Director in the fact that every church has qualified for study course awards for the second year in succession.

Explanation for "Certificates of Merit"

Several months ago our Board adopted the general idea of awarding to the churches at the annual meeting each year what will be known as "Certificates of Merit." These will be awarded on the basis of "conditions" adopted by the Association. The "conditions" can and probably will be changed from year to year. These "Certificates of Merit" will be awarded for the first time a year hence, October, 1955.

A church may qualify for a Certificate as a BLUE RIBBON CHURCH by fulfilling fifteen of the following eighteen conditions including all four organizations. A church may qualify for a Certificate as a RED RIBBON CHURCH by fulfilling twelve of the following eighteen conditions including at least three organizations.

The following conditions apply to the year, 1954-55: The church has a(n) (1) Sunday School, (2) Training Union, (3) Woman's Missionary Union, (4) Brotherhood, (5) Cradle Roll, (6) S. S. Nursery, (7) Extension Department, (8) Financial

Plan (Budget), (9) *Biblical Recorder* Club—at least, (10) Film-strip or motion picture projector, (11) Library, (12) Home for Pastor, (13) Duplicator; the church gave to (14) Associational Missions, (15) Cooperative Program; the church had people attend (16) an Assembly—either Ridgecrest, Fruitland, or Caswell; (17) the church contributes toward the Minister's Retirement Plan; (18) the church had a Vacation Bible School.

Goals and Gains

All four organizations have had a gain in enrollment. We have gained one Training Union, and five Brotherhoods with several more in the process of organization at the present time. A tabulation (revised since Association) of our "Goals and Gains" follows:

REPORT OF SUPERINTENDENT OF YATES W. M. U.

I have visited sixteen Churches in the Yates Association this past year. During 1953 and 1954 I have presided over four Executive Meetings with an average of twenty-five present. At one of the four meetings twenty-three Presidents were present at Watts Street Baptist Church on August 21, 1954. We also had a Youth Rally in August, 1954 at Bethesda Baptist Church with 201 present. During Sunbeam Focus Week August 12 to August 17 we met at Temple Baptist Church with eighty-six Sunbeams and their leaders present. We had Miss Beverly Neilson, State Sunbeam Leader, with us that evening.

As we of the Association look back over the past year I believe our most outstanding accomplishment has been our Young People's work.

For four quarters of this year the thirty-nine Churches have been 100% reported.

Dr. M. T. Rankin once said, "We have done little because we have unconsciously put the task of world missions in a small place in our interest and thinking. We must take it out of this bracket and put it up at the top of the important affairs of life." God expects us to seek first the Kingdom of God and His Righteousness.

Respectfully submitted,
Mrs. E. T. Newton,
Superintendent.

VACATION BIBLE SCHOOL REPORT

Since its organization, the Yates Baptist Association has stood high in the records of the Baptist State Convention in number of Vacation Bible Schools held in our churches. The great increase during the past year in the number of Standard Schools and in the high quality of work done in all schools is indicative of the importance of trained workers, long-range planning and broader vision. Recognizing the importance of training the young people in our local churches, we suggest that we do all in our power to step-up, even higher, the quantity and quality of Vacation Bible School work in 1954-55.

Respectfully submitted,
Mrs. Harrell B. Perry,
Vacation Bible School Superintendent

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL SUPERINTENDENT

(1953-54)

During this Sunday School year we have had four regular meetings. These meetings were held at the following churches: Gorman, Edgemont, Watts Street and First. The attendance at these meetings was just "fair." We plan to build attendance this year.

In addition to the regular meetings, we had a Sunday School banquet in February at Harvey's Cafeteria with about 130 in attendance. This was so much a success that many wish it to become an annual affair. It may be.

Mrs. Gordon Chandler led our Association in a B-day at Angier Ave. with her usual zest and all those present profited greatly. The program included many practical hints for improvement in provision for and teaching our children.

Our workers attended various Associational, State and Southwide meetings. Our Superintendent attended the Southwide Sunday School Clinic in Atlanta, Ga. (Some others from our Association attended this meeting also.) Some of us attended a State wide Clinic at First Church, Charlotte. Some of us attended the State wide Vacation Bible School Clinic at Fruitland.

The Associational Vacation Bible School "one-day" meeting was a great success. Mrs. Harrell Perry has proved her worth as Associational Vacation Bible School Superintendent. When all the reports are in we hope to have more than 40 Vacation Bible Schools for the year.

In the report for last year, Dr. Willis Bennett offered the suggestions from the officers of 1953 to the newly elected officers and all Sunday Schools of the Association. These suggestions were: (1) Let every church adopt an enrollment goal and plan necessary steps leading to the enlistment of prospects. (2) Every church should become fully organized with needed officers and teachers and with a Cradle Roll and Extension Department. (3) Mission or Branch Sunday Schools should be organized where needed. (4) Every church should have at least one Training School annually.

In our efforts to carry out these suggestions we have been only partially successful. Of our 40 churches little more than half of the reports were up-to-date at our Victory meeting; but of these, 12 reported reaching or going over their goal for the "Million More In '54" attempt. Our Cradle Roll and Extension Department leaders have made definite efforts to get new Cradle Roll and Extension departments oganized. Our reports are not complete at this writing, but these two leaders feel that our churches should do more in this line of work. One Mission Sunday School has been reported. First Baptist Church has done some real work in this way. As for Training, we feel that all of our faces should be red. Temple leads with a total reported of 92 Study Course awards. All forty churches together reported only 492 with some churches reporting not a single one. We feel this is a key to any failure we might have made.

Since our new officers have not had a meeting as yet, we have only general plans for the future. These are: (1) To create more interest in and better attendance at our regular Associational meetings at which all Associational officers will have conferences with their groups. (2) To cooperate with our Superintendent of Missions and Moderator in whatever they wish our Sunday Schools to do. (3) To get and use reports from our churches on a monthly basis. (4) To meet in an Associational Sunday School officers planning meeting once per month if at all possible. (5) To begin this year with a study of *ASSOCIATIONAL SUNDAY SCHOOL WORK,* by J. N. Barnett, with all Associational Sunday School workers attending.

We call for your cooperation and offer our help in any way that will make our Sunday Schools more efficient in their work of teaching the Word to the Glory of God and the edification of His people.

Alex L. Booth, Jr., Supt.

REPORT ON THE BAPTIST HOSPITAL

The North Carolina Baptist Hospital was incorporated in 1922 and received its first patient on May 28, 1923. During 21 years the healing ministry of the hospital has been extended to thousands of sick people.

Originally planned as a 100 bed hospital, the institution has been enlarged through the years to care for more people. The medical school of Wake Forest College was built adjoining the hospital in 1941.

Above ten thousand patients were cared for in Baptist Hospital during the past year, and thousands more were cared for in the clinic. Service patients are cared for by the Mother's Day offering, various health and welfare agencies, the Duke Endowment, and individual gifts. These service patients often have little or no money and must have the help of Baptists if they are to receive medical help.

The Department of Religion of the hospital and medical school is growing more effective as a part of the life and work of the institution. This department seeks through its ministry to help make the Baptist Hospital a genuinely Christian institution of healing and teaching.

Respectfully submitted,
Robert L. Costner

ARTICLE 2. The Association in session shall be composed of the duly elected messengers from the cooperating Baptist Churches in Durham County and its adjacent territory, and duly elected messengers from these Baptist Churches which may become cooperative in the future under the provisions hereinafter provided.

ARTICLE 3. Each church shall be represented at the annual meeting of the Association and at any special meetings during the year by messengers who shall be duly certified, and in the following ratio:

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

ARTICLE 4. Churches seeking to seat messengers in the Association shall apply to the Church Extension Committee prior to the annual meeting of the Association, giving evidence of their faith and order, and their agreement to be received under the watch-care of the Association for a period of one year. It is understood that during this period such churches will be accorded all of the services of the Association and its privileges with the exception of the right to seat voting messengers. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under the watch-care of the Association. At the conclusion of the period of watch-care the church or churches shall be authorized to seat duly elected messengers with voting privileges.

ARTICLE 5. The Association shall have power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, or that fails to represent itself either by messenger or by letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

ARTICLE 6. Any church may decline to send messengers to the Association at its pleasure. Whenever this constitutes a withdrawal of fellowship on the part of the church, the Association shall not as a body, or through a representative or representatives, seek to restrain by coercion or law the withdrawal action of the church.

REPORT OF THE FINANCE COMMITTEE

Your Finance Committee wishes to thank the churches and their leaders for the fine support they have given our associational program this year. We also appreciate the excellent cooperation we have received from the Association Office in making reports.

We would like to call your attention to the following important matters:

1. Let every church adopt in its budget an amount for the Association. If any church has not yet done this, let it consider the matter at its earliest convenience.

2. Let every church consider the goal asked by the Finance Committee. The Committee worked out a formula which divides the responsibility as fairly as possible and asked for no more than the amount needed to meet the budget. Please consider the goal suggested for your church.

3. Let every church make regular monthly remittances to our treasurer. As we urge regularity of giving among our church members, so let our church contribute to the Association's needs.

Respectfully submitted,
Charles A. Maddry, Chairman

YATES ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Associational Sunday School Officers began their work this year with a study course. We met at a local cafeteria for the evening meal and then each officer discussed one chapter of *Associational Sunday School Work*, by N. N. Barnette.

In January our meeting was at Calvary Baptist Church where we put on a three-act play called "Let's Get the Facts." This was in connection with our Association-wide census. The purpose of the play was to show the wrong and right ways of taking a religious survey. The play was given again by request, later, at Grace Church.

The April meeting was held with Lakewood Baptist Church, where our program was on the "Value of a Family Altar in the Christian Home." In addition to some fine messages a little skit was given. The skit consisted of a family of five gathered around the table having family altar.

Our Vacation Bible School clinic was held with Westwood Baptist Church where with the help of some folks from Raleigh Association, we had a well-attended and successful clinic.

Our July meeting was held with Grace Baptist Church. At this meeting we attempted to show the value of Promotion Day. A panel discussed the good points of having completely graded adult departments. We emphasized the importance of having a complete organization, including Cradle Roll, Nursery and Extension departments.

The meeting in November will be a banquet at First Baptist Church which will be utilized to prepare for the State-wide Sunday School Leadership week that will be in Durham in January.

During the last year the following awards have been earned:

DIGEST OF CHURCH LETTERS

From the Church Letters and other reports sent in it seems that the Yates Association Churches have been busy doing the following: calling pastors and other full-time workers, purchasing property and delving into new fields of activity.

The following churches called pastors or added workers to the church staff during the year: Bells, Bethesda, Calvary, Cedar Fork, Edgemont, Holloway Street, Immanuel, Park View and Roberson Grove.

Property and equipment was purchased as follows: Berea, an electric stove; Bethesda, a 16 mm. Sound Propector; Cheek Heights, a Hammond Organ; Durham Memorial property for pastorium, parking and recreational facilities; First purchased and dedicated a new pastorium; Guess Road purchased property for off-street parking and recreation; Holloway Street, houses for Sunday School rooms and a piper-cub for missionary work in Brazil.

New fields of endeavor in our churches are: Angier Avenue, began a Building Fund for an Educational Building; Berea piped water into church and church hut; Braggtown voted to employ first full-time Minister of Education; Calvary completed an eight-room pastorium and Cheek Heights added a room to the pastorium; Durham Memorial brick-veneered and built a kitchen to the Fellowship Building and had their first Girl's Auxiliary Coronation; Gorman added a steeple, remodeled and enlarged their sanctuary; Grey Stone commemorated sixtieth anniversary in October 1954 with R. G. LeTourneau, guest speaker; Immanuel organized a Brotherhood and voted to build a pastorium; Lowe's Grove built and dedicated a pastorium; Lystra organized a youth choir, equipped and opened a two-room Nursery and voted to install memorial windows in the sanctuary; Park View dedicated a new sanctuary on June 5; Mount Gilead built a pastorium; Red Mountain established a Building Fund for a Pastorium; Rose of Sharon built a church community center building and Temple broke ground on Easter Sunday for a new sanctuary; Yates worshipped in this new sanctuary the first time on May 15, 1955. They had the largest number of persons ever assembled on the grounds at Yates that day with 893 in Sunday School and more than 1,100 attending the morning worship service.

REPORT OF THE YATES ASSOCIATIONAL BOARD

Under the provisions of our Constitution, the Associational Board is empowered to act in the interim between the annual sessions. To some who have not studied the provisions of the Constitution and are not aware of the composition of your Associational Board, this might seem a broad delegation of power. However, since each church is represented on the Board by its pastor and two lay representatives, I respectfully submit to you each church has a voice in the transaction of the business coming before the Board.

Further, under the provisions of our Constitution your Moderator serves as Chairman of the Associational Board and presides over its meetings, and therefore, in order for the Association to be fully advised as to the actions of the Board pertaining to the business of your Association I submit this report.

Your Associational Board meets each month at the conclusion of each Association night. The first meeting for the year just concluded was on November 23, 1954 at the First Baptist Church. This was an organizational meeting and the most important matter at this meeting was to urge each church to send in the names and addresses of their messengers on the Board. Also the executive committee of the Board was empowered to process the applications of the churches receiving aid from the State Convention and application for the supplement to the salary of the Association Missionary and to see that the necessary papers were in the hands of the Missions Committee of the General Board of the State Convention on or before January 1, 1955.

Other actions taken by the Board during the past year are as follows:

1. Approved the purchase of a 16 mm. sound projector for use by the Associational Missionary and the various churches.

2. Approved the various dates concerning events in preparation for the simultaneous evangelistic meetings last Spring.

3. Approved a request from the Durham Baptist Ministerial Association for $50.00 for miscellaneous expenses of said Association.

4. Agreed to cooperate with the First Baptist Church and invite the Statewide Sunday School Clinic to Durham in January 1956.

5. Pursuant to a motion passed at the last annual Associational meeting, authorized the Program Committee to plan a night session of the Association to be held on the first night of the Annual Meeting of the Association at Yates Baptist Church on Tuesday, October 25, 1955.

6. Authorized the Moderator to appoint committees on Juvenile Delinquency and a Yates Association Retreat or Assembly Ground.

Your Moderator appointed the following committees:

Assembly Ground:

(1) O. A. Johnson, Chairman; (2) John A. Buchanan; (3) Owen B. Nichols; (4) Charles Cheek; (5) D. J. Booth.

Juvenile Delinquency:

(1) L. C. Goodwin, Chairman; (2) Chris Hamlett; (3) E. L. Phillips; (4) Mrs. W. C. Lyon; (5) R. E. Freeman; (6) Dr. D. R. Perry; (7) Rev. Benjamin R. Bruner.

7. Authorized the Associational Missionary to plan Association-wide schools of missions in the Fall of 1956.

8. Secured the services of Miss Sylvia Mangum to aid in the conducting of Vacation Bible Schools in the Association.

9. Approved a proposition to seek and cooperate in joint simultaneous Revival Effort among all denominations in the Spring of 1956, with our own Associational Missionary directing the effort.

10. Approved and recommended to the Association changes in the Constitution and By-Laws as presented by the Constitution and By-Laws Committee. This report will be presented by that Committee during this session of the Association.

11. Approved and recommended the conditions to be met to qualify for a certificate of merit in 1956.

The above is a summary of the important items of the action taken by your Board and is presented for your information.

Now, if I may, I should like to make a few recommendations.

1. (a) That your church elect and send to the Associational Board messengers that can and will attend. (b) That your church clerk advise the office of the Associational Missionary the names and addresses of your messengers to this Board, so that they will receive notices of the meetings and other information on behalf of your church and (c) That you give your messengers an opportunity to report to your church so that it will be better informed of the activities of the Association.

2. In my opinion, the work of the Assembly Ground Committee and the Juvenile Delinquency Committee has not been completed, although these Committees will give a report of their progress to this Session of the Association. Therefore, I recommend to you that the said Committees be continued together with the personnel now composing them with your Moderator being empowered to make individual changes in the Committees if the necessity arises.

Respectfully submitted,
Robert D. Holleman, Moderator

REPORT OF SUPERINTENDENT OF MISSIONS

Another happy, profitable associational year came to a close on September 30, with increases in both Training Union and Brotherhood organizations, in financial support from the churches, in attendance at the associational meetings, in laymen participating in our various activities, in gifts through the Cooperative Program.

Most of the standing as well as special committees and associational officers have done superb jobs. I want to thank them personally for the long hours and the conscientious effort put forth. I would not dare to single out individuals for special praise but I will say that no moderator could possibly be a better and more sympathetic friend than Mr. Robert D. Holleman has been. I long to see him go up the ladder of leadership in our denominational life.

I want to take this opportunity publicly to thank my wife and family for being so understanding when "Daddy has to go to another meeting," Mrs. J. C. Crutchfield, Jr., my very efficient secretary, for relieving me of so many, many details and in general "holding the fort," Miss Sylvia Mangum who did such a splendid job during the summer months in conducting Mission Vacation Bible Schools, and assisting in detail work in the office.

Our pastors may differ slightly in doctrinal position, and a great deal in methods, which is normal, but they are one in a common love of the Lord Jesus Christ. They are increasingly sympathetic toward, appreciative of, and cooperative with our Associational Program that is gradually taking shape. In going in and out among the churches your Superintendent of Missions has always tried to foster a greater love between pastor and people. We sometimes hear a wife say to her husband, "If you say you love me why don't you show it?" True love demands expression. If you love your pastor, show it at Christmas time, on their anniversaries, and on special occasions.

We rejoice with the Angier Avenue and First churches in the establishment of two more chapels; we rejoice with the Grey Stone church in the organization of a new church on the Roxboro Road at Northern High School. We welcome under the watchcare of our association this new church, called the Ridgecrest Baptist Church, along with the Mt. Carmel and Chapel Baptist churches from the Mt. Zion Association.

Nearly 10,000 News Bulletins and approximately 5,000 other letters and postal cards have been mailed this past year. Many thousands of other mimeographed materials have been made available to the churches. Addressograph plates are kept on file for the Durham Ministerial Association and also the Ministerial Alliance in addition to all the mailing lists of our own Association groups. A second-hand electric typewriter has been acquired to facilitate neater work.

This last year many things happened in the churches that were not reported in your *News Bulletin.* This next year they will be reported IF the churches will cooperate in sending in simple monthly reports, the forms for which we are supplying. We remind you that October is nearly gone.

Have I been in your church enough this year? Because your Superintendent of Missions is preaching at least twice every Sunday and sometimes during Sunday School and Training Union as well as several times during the week, he probably shall not get into your church as much as he would like unless you invite him and/or solicite his help in some way. In other words he must go where invited. A member of one of our smaller churches said recently "I see where we have been making a terrible mistake in not asking our Superintendent of Missions to help us!" We are increasingly a "Servicenter"; let us help you!

Now a look into the future! On November 22, Dr. G. S. Dobbins will be here for our next monthly Associational Meeting at First Church. This will mark the launching of our real preparation for the "State-wide Sunday School Leadership Week" on January 22-28. 200 clinicians from all over North Carolina besides the faculty will be coming for that great week.

On March 11-18, something unique is happening in our area. During that week all denominations are cooperating in what will be known as the "Durham Area Revivals." Each denomination and individual church will carry out its program in much its own way but will cooperate in the matter of a common week, and a tremendous campaign of publicity and promotion. In our own denomination most of the general publicity will come out of the associational treasury.

Next September 22-28, the biggest event of our whole year will take place. We are planning on 35 of the 40 churches to participate in schools of missions. Concentrated preparation will begin with the coming of Dr. Lewis Martin in May. Each participating church will have a study period and an inspirational period each night with a different associational, state, home or foreign missionary. Study course credit will be given for this week.

One year ago this body adopted and launched the idea of awarding to church at this session "Certificates of Merit" with either a blue or red ribbon affixed, depending upon the degree to which they met certain conditions. The conditions were listed in last year's Minutes.

The following churches have qualified for a certificate with blue ribbon: Bethesda, Berea, Braggtown, Durham Memorial, Edgemont, Gorman, Grey Stone, Guess Road, Holloway Street, Lakewood, Olive Chapel, Temple, Yates.

The following have qualified for a certificate with red ribbon: Angier Avenue, Calvary, Cedar Fork, Crfeek Heights, Ephesus, First, Grace, Lowe's Grove, Lystra, Mt. Gilead, Mt. Pisgah, Park View, Watts Street, Westwood.

We recommend that the following conditions be adopted for the year 1955-56:

A church may qualify for a certificate as a BLUE RIBBON church by fulfilling 18 out of the following 22 conditions including all four organizations.

A church may qualify for a certificate as a RED RIBBON church by fulfilling 15-17 of the following conditions including at least three organizations.

REPORT OF YATES ASSOCIATIONAL BROTHERHOOD

The Associational Brotherhood is the key promotional and coordinating unit in the Brotherhood work. An aggressive Brotherhood will automatically reflect itself in the life and the work of the church and the Association.

The local church organizations, because of their closeness to the churches, reach the masses of the men with regular and definite messages concerning the work of the associational, state and Convention-wide Brotherhoods.

They can, through purposeful programs, acquaint the men of the churches with the work of the denomination and the part they are to fill in its promotion.

They can, through well-planned promotional activity, encourage the men of the churches to have an ever-enlarging part in the work of their churches and denominations.

They can, through and under the leadership of the associational moderator, associational missionary, and advisory council, project a program of promotional activity that will command the attention and respect of all men—church member or not—of the local church. At the same time, through such activity, every cause of Christ will be greatly strengthened. The possibilities of aggressive, properly directed associational Brotherhoods are unlimited. Those who have been chosen to places of leadership in the organization must not take their responsibilities lightly. They are to *study* the work of the association and denomination. They are to *discuss* (in regular executive committee meetings) ways and means through which more of the men of the association may be reached and informed as to the purposes and possibilities of the denominational work. And finally, they are to *plan* and *project* a program of promotional activity that will encourage the men of the churches to become more active in the promotion of every phase of the work of their churches and denominations.

During this year quarterly meetings were held by the Associational Brotherhood. The number of churches with Brotherhood has increased from 11 to 18.

Highlights of this year's activities include the Man-Boy Night held July 12 at Ephesus Church. 216 men and boys attended and participated in fun, food and fellowship and heard messages by the Rev. Charles F. Smith, Mr. Charles McKinnon and finally by Dr. I. G. Greer of Chapel Hill.

Another highlight of the year was the Region Four Convention supper held at First Baptist Church on May 12. Our own moderator, Robert D. Holleman, presided over this meeting. After supper Brother Horace Eason, Secretary of N. C. Baptist Brotherhood, conducted a very helpful clinic. The evening was climaxed with special music and a very inspiring message by Dr. I. Beverly Lake, Assistant Attorney General of North Carolina.

On October 11 our annual Ladies Night was held at Harvey's with a report on last summer's brotherhood week-end conference at Caswell by Mr. Robert Wetherspoon, a talk on the "World Baptist Alliance" by the Rev. Benjamin R. Bruner, and finally a message on "The Christian's Attitude Toward Delinquency" by Congressman C. B. Deane.

The following officers will serve the Yates Association Brotherhood organization this new church year:

President—Dr. D. R. Perry.

Program V. Pres.—Roy Watson.

Attendance V. Pres.—E. L. Phillips.

Promotion V. Pres.—O. A. Johnson.

Secretary-Treasurer—C. H. Collie, Jr.

Chorister—W. W. Scott.

Asst. Chorister—E. C. Baker.

Pianist—John Cleo Faucette.

Asst. Pianist—James Long, Jr.

Advisory Committee—A. L. Wilson, R. L. Mills, Chas. McKinnon, W. Ches Smith, B. E. Morris, Chas. F. Smith, Benjamin Bruner, Chas. A. Maddry.

Quarterly meetings in 1955-56 will be held as follows: January 10 at Berea; April 10 at Immanuel; July 10 at Mt. Moriah; October 16 at Angier Avenue.

Respectfully submitted,

Dr. D. R. Perry, President

REPORT OF COMMITTEE ON JUVENILE DELINQUENCY

On August 29th, our Moderator, Robert D. Holleman, authorized by our Association, appointed a committee to study the problem of juvenile delinquency in Durham County. The committee consisting of L. C. Goodwin, Mrs. W. C. Lyon, R. E. Freeman, Chris E. Hamlet, E. L. Phillips, Dr. D. R. Perry, and the Rev. Benjamin R. Bruner has met twice, September 9 and October 13, with good attendance at both meetings.

Since September 9 a survey has been made of juvenile delinquent cases that have occurred during the past four years, July 1, 1951 through June 30, 1955. The committee feels that the facts gleaned from this survey should be studied thoroughly by the Baptist of our Association. As a basis for their work, the committee has adopted the program suggested by the Home Mission Board as found in the pamphlet entitled, "The Christian's Attitude Toward Delinquency" by Leland H. Waters.

At their next meeting on November 10 the committee plans to continue their study with the hope of making some definite recommendations in the near future.

Respectfully submitted,

L. C. Goodwin

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR AGING

1955

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both Homes—Resthaven and Albemarle—have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residental Building, costing $300,000, will get under way, and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the value of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Memorial gifts may be made in the following ways: A gift of $300 will furnish a room; $1,000 will endow—furnish and maintain—a room; $3,000 will pay cost of building a room. In either case, a memorial plaque—bearing the name of the donor and the name of the person memoralized, or honored—will be placed on the door of a room.

Miss Nettie Pearl Willis gave her homeplace at Vale, N. C., as a memorial to her mother, Mrs. Laura Elliott Goode Willis. The property will be sold and proceeds be used to erect a cottage on the permanent site of our Homes. In addition, Miss Willis made her will in favor of the Homes.

Increasing support on the part of the churches and denominational program gives great encouragement. So far this year, their Special Day offering has reached almost $70,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of $100,000 for the special offering will be nearly reached. In addition, the Homes will receive $39,850 as their share of the Nine Year Program, according to the estimated budget.

With increasing aid from denominational sources, the Homes are helping a larger number who do not have sufficient funds with which to pay the cost of keep as residents. In fact, about ninety per cent of all the residents are being helped by the Homes—some with about two-thirds of the cost of keep, and others with about one-third. Less than ten per cent of the residents in the Homes have turned over enough assets to pay their cost of keep on the life plan. Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available.

All connected with the Homes—staff and residents—are most grateful for the prayers and support of their friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptist should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

Respectfully submitted,

C. E. Byrd

REPORT ON THE BAPTIST HOSPITAL

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area in our State.

In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are in training to become nurses, doctors, technicians, pastors and other Christian workers.

The Department of Pastoral Care provides Christian counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

The cost of carrying on this program for such a multitude of people is tremendous—more than two million dollars a year. One-half million dollars of this is spent in helping to care for sick people who are not able to pay for the service they need.

The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous support through our Mother's Day offerings and the Cooperative Program. The churches of our association gave almost $4,000 to the hospital this year through the Mother's Day offerings.

Respectfully submitted,

Robert L. Costner

REPORT ON OUR BAPTIST ORPHANAGE

During the year the orphanage cared for a total of 713 children. At the same time we gave services to and helped in the placement of more than 600 other children. There has never been a year in the history of the orphanage when the children's needs were more adequately met.

Charity and Children

Our orphanage publication carries the message direct from the orphanage to more than 47 thousand homes each week. The subscription rate in clubs of 10 or more is only 60c per year. Each church in the Yates Association should have a club.

Building Program

Special gifts have made possible the continuation of the building program. The new Church building at Kennedy Home is almost completed. It is considered one of the most beautiful in the state.

During the year a swimming pool was constructed at Mills Home. This was a gift from the Broyhills of Lenoir, N. C.

Our New Plan of Support

In 1954 our income from the churches was an all-time high.

The Baptist State Convention voted for the orphanage to come into the Cooperative Program beginning January 1, 1955. From the Cooperative Program it is to receive "That part of its support not otherwise provided for."

Under this plan the vast majority of the churches continue to send to the orphanage the Once-A-Month offering just as in the past.

Some, however, have put the orphanage in their Cooperative Program Budget. It now looks as if about $60,000 of our income this year will be through the Cooperative Program.

Thanksgiving Offering

Under the new plan of support the Thanksgiving offering becomes more important than ever before. Any future expansion of our Child Care program will depend largely upon this offering. We need to get a worthy offering from every church this year at Thanksgiving.

The Host of Homeless children who cannot help themselves will thank you from the bottom of their hearts.

REPORT OF ASSOCIATIONAL ASSEMBLY GROUNDS COMMITTEE

The committee has investigated and thoroughly discussed 21 different sites situated in almost every section of Durham County. We have under consideration a tract of land composed of 55 acres on the Wake Forest highway about 10 miles from Durham, which seems to be ideally situated for our purpose. For the Association as a whole, the committee feels that this Wake Forest location is the best one. Five special meetings have been held in regard to this piece of property. It can be obtained for $5,500 if the party agrees to dispose of it. To this date we have not been advised definitely that it can be secured but your committee will continue to work on it and bring a more definite recommendation as quickly as possible.

Respectfully submitted,
O. A. Johnson, Chairman

REPORT OF BIBLICAL RECORDER REPRESENTATIVE

To the Yates Baptist Association meeting at Yates and Cedar Fork Baptist Churches, Oct. 25-26, 1955.

Speaking of the *Biblical Recorder*, it has increased in subscriptions this year about 4000 new subscriptions having now about 60,000 or more subscriptions in North Carolina. It is in my opinion the best weekly paper in the State. It costs less than four cents a copy.

The *Charity and Children*, our Orphanage paper now has more than 47,000, going to Baptist homes of North Carolina.

I would like to call your attention to other magazines that come into our homes, such as *Home Missions* and the *Commission* both carry out the Missionary Movement of our Baptist Churches, and will keep you in touch with our Missionaries on the Foreign Mission and Home Mission fields.

And there is the *Home Life*, a Christian home magazine that serves to keep the home happier and holier, and we who read the *Home Life* think that it is one of the best magazines that come into our homes.

And there is *Royal Service*, the magazine that our W. M. S. uses and finds that they cannot do without it.

And the *Our Brotherhood* magazine that we of the Brotherhood get each month, and find that it gives an insight to all types of missionary work.

And last the little booklet called the *Open Windows*. Published quarterly, it has the Daily Devotions that can be used on all occasions, and it will help all who read it. I would like to recommend that all of us use these magazines and papers.

Respectfully submitted,
O. A. Johnson

REPORT ON RELIEF AND ANNUITY

Southwide

The past year has been marked in particular by the death of Dr. Walter R. Alexander, the second executive secretary of the Relief and Annuity Board, who was succeeded by Dr. R. Alton Reed. Dr. Alexander had served the Relief and Annuity Board as associate secretary and then secretary for a number of years and had endeared himself to many people as well as demonstrated marked ability in his work. In his successor an able and experienced administrator has been found and there is every reason to feel encouraged concerning the personnel of this board.

In so far as the annuity plans are concerned this was the highest year in the 37 year history of the Board. In the area of outright relief, however, the states did not provide sufficient funds.

North Carolina

In common with the other states North Carolina has had progress in the annuity end of this program. It is understood that a committee will recommend to our State Convention at Asheville that we go into the Minister's Security Plan for new men coming into the plan after January 1, 1956. North Carolina is the only state that has not gone into this plan up to this time, perhaps because many of the provisions of the Minister's Security Plan were already in operation in the North Carolina plan.

In the area of relief there are in North Carolina 67 ministers and 94 widows. According to reports from the Relief and Annuity Board payments to these North Carolinians last year amounted to $24,038.50. In the preceding year the North Carolina State Convention made up the deficit between what was paid through the Cooperative Program receipts to the Board and what the Board paid to these on relief. It is to be hoped that a similar action will take place for this current year. Otherwise there will have to be a curtailing of these small payments to amounts of about $12.00 a month for pastors and $8.00 for pastors' widows.

In General

Social Security is now becoming available to our pastors but will in no way supersede the work of the Relief and Annuity Board. The time that retired ministers may serve churches without forfeiting annuity privileges has been extended from two to three months out of the year.

The future looks bright if we will participate in this work in an even larger way than we have before.

Respectfully submitted,
Benjamin I. Bruner

REPORT OF CITIZENS' COMMITTEE ON GOOD GOVERNMENT

One phase of our associational work which needs much more emphasis in our churches today is the program of the Citizens' Committee on Good Government and that of its parent, the Allied Church League. It is the conviction of the writer of this report that we will never make any headway toward a solution of the problems and evils created by the sale and use of beverage alcohol until our people are informed and aroused about the situation which confronts us. We shall never get any action by our General Assembly until the people who elect its members are concerned enough to demand that action be taken. A state-wide referendum will come only when our churches are sufficiently aroused to create a sentiment in their respective communities that will become vocal enough to be heard in the halls of the General Assembly.

During the 1955 session of the legislature, the League had three representatives in Raleigh most of the time: Hon. Marvin T. Leatherman of Lincolnton and its two regular employees. A sincere effort was made to get a bill through, calling for a referendum, but without success. The League did succeed in rendering ineffective a beer bill which would have brought back to every county in North Carolina 3.2 beer and a second beer bill was killed in committee.

The League is greatly handicapped by lack of funds to promote an effective program and it seems that it may be forced to curtail what it is now doing. This will be tragic in the face of what should be done. There is a need for additional personnel, funds for an educational program, new films, and a more vigorous effort in the field of Good Government. There is also a need to combat liquor propaganda by radio and television and, with a reasonable amount of money, the League could do a very effective job in this wide open field.

The Drys have recently won two major victories in North Carolina. On July 23rd, an election was held in High Point on the question of establishing ABC Stores. The city remained dry by a vote of 5446 against stores and 2,283 votes for them. Then on August 6th, the voters of Henderson County voted out beer and wine by a vote of 5,976 against beer and wine and 1,499 for beer and wine. We now have forty-nine counties in the State that have voted out beer and wine since local option was granted in 1948.

Problems created by the use of beverage alcohol are increasing as time passes. Under the constant urging of liquor advertising, more and more people are using it, and becoming its victims. It is said on reliable authority that 250,000 people are becoming alcoholics each year. It kills one-fourth of those slain on our highways, and is said to be rapidly becoming the number two health hazard. During the past year, seven liquor or beer emporiums sprang up for each new church built in this country. During the three month period ending June 20th, new liquor outlets increased by 9,053, but in all of 1954, there were only 5,697 churches built. As a result, there are today 141,733 more saloons, bars, cocktail lounges and liquor stores than there are churches, synagogues and temples. Last year the nation spent $9,855,000,000 on alcoholic drinking, as compared with $2,964,000,000 on churches. Putting it another way, the average church budget in the United States is between $15,000 to $20,000 a year, but the average annual business of a typical bar is $55,807.

One of the major problems in dealing with the situation in our State is that of indifference on the part of many church members. One dangerous attitude expressed today is that liquor is here and we can do nothing about it. This is the position of the defeatist. Whatever conditions exist in North Carolina and Durham County today, do so by the permissive will of the members of our churches. There are enough Christian people in our State to do whatever needs to be done if we will only stand together.

It is possible that we need a new approach to some of the problems, certainly in those sections of the State where liquor is entrenched. The Allied Church League program is flexible enough to meet any situation. It is anxious to work with any group who wants to make an effort toward a solution of local problems. Because the law permits local option on the legal sale of beverage alcohol, every county or city having legal sale could call an election upon the signing of a petition by 15 per cent of those who voted in the last general election for Governor.

Every church should promote a vigorous program of social education. We are not only concerned by the liquor problem, but with such things as divorce, parental delinquency (commonly called juvenile delinquency), immorality, gambling, and other social problems. Each church could elect a Committee for Social Education which would carry on a constructive, vigorous program of investigation, education and action. Our association could work in cooperation with other protestant groups in educating their members and the public in general about these vital matters. May we continue to go ever forward in the cause of Christ and in accordance with his teachings.

FOREIGN MISSION REPORT TO THE YATES ASSOCIATION IN 1955

The New Testament teaches that churches are not to be containers to hold what comes to them but rather they are to be channels through which the blessings of God are directed to the uttermost parts of the earth. Churches, like individual Christians, should be prepared to give an account of their stewardship to Almighty God. Southern Baptists are moving and are being moved now more than ever with this concept of stewardship as the motivating force. Dr. Baker James Cauthen, Executive Secretary of the Foreign Mission Board, recently said: "Never before has there been such widespread undergirding of the whole mission task by the entire constituency of the Convention."

In Foreign Mission work Southern Baptists now have both great opportunity with great responsibility. To meet the challenge of this post-war situation the late Dr. M. Theron Rankin instigated a program of mission advance which has been tirelessly pursued by Dr. Cauthen. This program of advance calls for a staff of 1,750 active missionaries. The Board expects to appoint more than 100 new missionaries this year, for the second time in its history. At present we have some 1,020 active missionaries. Our Board is now in contact with over 3,000 young prospects who are seeking God's will about foreign service. Of the 1,020 active missionaries, we now have about 380 men and 390 married women and 250 single women. These are supported in their work by about 4,000 national personnel. Across the Southern Baptist Convention there are approximately 11,000 ministerial students who may be prospects for appointment to mission posts.

Financially, the Board is in better shape than ever before in its history. This year's receipts are expected to surpass last year's total of $305,573,654.00. It should be pointed out, however, that if a tithe of all gifts to churches were given to Foreign Missions it would raise the total missions receipts by $30,000,000. Churches cannot expect their members to tithe when the churches themselves do not tithe their receipts. The average Southern Baptist church keeps $5.00 out of every $6.00 it receives. Let it be said also, that our Foreign Mission Board is the most efficient one in the world! 94.23 per cent of the Foreign Mission Board receipts go directly to the foreign fields. Only 5.77 per cent is used for administrative expenses!

If Southern Baptists are to do the job of obeying the Great Commission much must be done which has not been done heretofore. At least four things are necessary:

(1) There must be genuine concern in our hearts for the lost in the nations of this world. If we care we will share!

(2) There must be intercessory prayer for our missionaries and the native workers in foreign lands.

(3) We must realize the financial privilege and obligation which is ours as Christians. The only kind of giving of which the Bible speaks is sacrificial giving. Only sacrificial giving will suffice to meet the challenge of our generation.

(4) We must meet the need for missionary personnel. God gave His Son and we must give our children in dedication to God. Our youth must be challenged in homes, churches and schools to give their all to God.

We must do more to make disciples of all men. Surely God is not satisfied that in our denomination it takes 8,000 church members and thirty churches to support one foreign missionary. The church at Antioch sent out three missionaries from its own membership. We will never evangelize the world by our giving only $1.11 per year per capita to Foreign Missions. Let us care more, give more, pray more and appoint more that every person in this world may have at least one chance to know our Christ as Savior.

Jack B. Wilder

RESOLUTIONS COMMITTEE

Your Resolutions Committee offers the following for your consideration:

1. We are grateful to the members of Yates and Cedar Fork Baptist Churches for so generously and graciously entertaining us. Their hospitality, their generosity and their Christian spirit are unsurpassed. They have lived up to the scriptural injunction showing "hospitality one to another."

2. We commend the officers of our Association in the splendid way they have served us during the past year. We are especially grateful to our Clerk, Mr. Harrell Perry and our Moderator, Mr. Robert Holleman for they have truly been the servants, never the rulers of our Association. We believe that in the annals of Heaven their record will go down as "well done, thou good and faithful servants."

3. Over many months our Program Committee has worked hard and assiduously.

They have faced difficulties due to illnesses of those whom they had invited to be on our program and other providential hindrances. Yet with a good spirit and great efficiency they have persevered to the end. The result has been an excellent program, well planned and executed. We will return to our churches the better servants of God because of their work.

4. We single out our Associational Superintendent of Missions for commendation in his untiring efforts to promote the Master's cause. His long hours, diligent work, spiritual insight and winsome Christian manner have contributed much to our progress.

5. We express our deep and abiding gratitude to God for all the blessings material and spiritual which have characterized our work. We confess our own inadequacies and readily admit that but for God's guidance we would have retrogressed rather than advanced. We earnestly seek to show love one for another, and more fully consecrate ourselves to the tasks God gives us, praying without ceasing we shall be useful tools in His Hands for the coming year.

6. We note that less than a week ago, God called to his eternal and well deserved rewards one of our denomination's most efficient servants, the beloved Perry Morgan. Mr. Morgan has left his footprints in our Association when as State Sunday School Secretary he advised and assisted our churches. In later years at Ridgecrest, he served the whole Southland. We thank God for his life and extend to his son, James P. Morgan, formerly of our Association, and his wife our deepest sympathy.

2-Second day to be with the Berea Baptist Church

II. That—
The Associational Sermon be delivered by the Rev. Dennis W. Hockaday, Pastor of the First Baptist Church of Durham.

REPORT OF ORDINATION COMMITTEE

The Ordination Committee has served a number of times in examining candidates for the Ministry. A statement prepared by the faculties of our seminaries has been made available to all the churches. At present, preparations are being made to make certain insights a required "must" for all candidates. We feel the ordination of a candidate should come after careful study and should be culminated only after thorough examination. We feel progress has been made and solicit the prayers of all that we shall ever press forward toward an ideal standard in the Ministry.

REPORT ON HOME MISSIONS

The past year closed a special Five-Year Crusade in Home Missions. Some of the results of the five years as reported by missionaries of the Board were as follows:

167,247 professions of faith;
1,440 new churches constituted;
2,974 missions started and
131,527 added to the churches.

The Four-Year Conquest for Christ was planned to begin in 1955 and to be concluded in 1958. The emphases for the Four-Years for Christ are as follows:

1955 Evangelism and Conservation;
1956 Church Extension and Revitalization;
1957 Reaching the Minority Groups, Language Groups, and Underprivileged
1958 Promotion of Rural Work, City Missions, and Missionary Education.

A summary of the work done by missionaries of the Home Mission Board of the Southern Baptist Convention during 1954 indicated a total of 1,324 missionaries, 370 of whom were summer student missionaries.

In the field of Direct Missions the Home Mission Board ministers to the Chinese, the deaf, French, Indians, Italians, Japanese, Russians, Spanish-speaking people, and other isolated and neglected groups. Through Rescue Missions and Good Will Centers, as well as through missions and churches, home missionaries seek to win the lost to Christ.

The Department of Co-operative Missions conducts conferences in cooperation with state convention forces and promotes City Missions, rural church work, mountain missions, western and pioneer missions, a service to broken homes and juvenile delinquents, a ministry to military personnel, a trailer camp ministry, and provides a correspondence Bible course. In 1954 there were 9352 persons enrolled in this study.

In Negro work, evangelism, and Jewish work the Board extends its ministry to millions of Americans in a vital service. Other ministries of the Home Board include Alaska, Cuba, Panama and Canal Zone, migrants, summer student missions, and western missions. And the Board has the responsibility of the Southern Baptist Convention Chaplain's Commission with its service to the military establishment.

Church building loan funds have been very active in helping churches to build. The Home Mission Board was authorized to borrow $3,000,000 to lend to churches. This has been quite a boost to church building as the Board during 1955, has averaged placing approximately $200,000 in loans each month.

The treasurer's report for 1954 shows cash receipts $3,981,689.21.

North Carolina's contribution was $274,054.74 to the Home Mission Board. Texas was the only state that gave more.

Now, as we begin the Four-Year conquest for Christ (1955-1958) let's work together wholeheartedly in this conquest for Christ.

Respectfully submitted,
Leo T. Bridgers

REPORT ON STATE MISSIONS

Dr. E. L. Spivey's expression "State Missions Undergirding all Missions" is a good one, for all phases of our missionary work is dependent upon State Missions, if we are to do the work God is looking for North Carolina Baptists to do. Approximately half of all church members in North Carolina are Baptists. About half of our Baptist churches were established or aided by State Missions. Some of these churches are the strongest ones in North Carolina today. If State Missions had not rendered help to these churches, Baptists would not hold the position we do today.

Our position places upon us both a great challenge and a responsibility for which we shall answer to God. We are told that there are 1,900,000 people above the age of 8 years, who are entirely unchurched in North Carolina. Baptists, more than any other people are responsible to God for these unchurched people. While every church and every Baptist are responsible to reach every unsaved person, the task cannot be done without the cooperative effort of all of our churches through State Missions.

Our State Mission work is so organized that it reaches from one end of our state to the other with a varied ministry of 22 agencies to reach the lost and to train Christians to become better witnesses to His saving grace.

The Sunday School department is doing a wonderful job of leading our churches to reach the lost and to teach them the Scriptures.

The Training Union Department is training even larger numbers of church members to become workers, "unashamed, rightly dividing the Scriptures."

The Rural Church department is encouraging more of our rural churches to a full-time program of reaching the people of their communities.

Through our Department of Student Work, we are ministering to 18,500 Baptist Students attending 58 colleges and approximately 80 professional schools in our state.

Through our Department of Evangelism, the churches have been encouraged and aided in winning and baptizing more people than ever in our history. It is expected that there will be 45,000 baptisms this year, 1955.

For more than 100 years, State Missions has been aiding and establishing churches, forming new fields of churches, and helping to secure and to maintain competent pastoral leadership.

Time and space forbid more than a mention of the ministries of Visual Aids; Assemblies where thousands of our young people answer the call to God for Christian service; Preacher's schools, to help many of our pastors to better equip themselves for richer ministries; the silent people have the gospel in their sign-language; The Allied Church League is doing much to work for a sober populace in our state; Pastoral care is helping our ministers to become alert to and better equipped to minister to our sick; the Student Loan helps many young people to prepare themselves for full time Christian service; Protestants and Other Americans United for the Separation of Church and State; Our Negro Baptist Convention is aided in their training of able leadership to this great race. (There are 1,100,000 Negroes in North Carolina. There are 300,000 Baptist Negroes in North Carolina with 1,150 preachers, only 75 of whom have Seminary Training and only 150 have college training) ; Samarcand has an average of 140 girls where Rev. Eugene Dees is Chaplain; Rev. Ray Gosnell serves as Chaplain at McCain Tuberculosis Sanatorium; and last but not least, State Missions will provide the money to publish "North Carolina Baptist History" to be preserved for all coming generations.

The 1955 budget needs for all these varied State Missions Agencies are $463,445.

Approximately $291,063 will be received from the Co-operative Program. $172,000 will be the balance needed. It is hoped that "State Missions" day this year and the W. M. U. Week of Prayer Offering will make up this deficit.

Next year's urgent needs will go beyond the half-million mark. Will you pray for and give liberally to preserve "The Seed-Corn" of North Carolina Baptists—State Missions.

Henry B. Anderson

REPORT OF SUPERINTENDENT OF YATES W. M. U.

April 12 the Yates W. M. U. met at Olive Chapel with 208 present and 28 churches represented. I presided over the business session and Mrs. Wortham Lyon presided over the program. She helped me arrange the program. This was due to my illness and I do appreciate her helpfulness and the cooperation of the Executive Board.

In November I invited the Executive Board to a luncheon meeting at my home with an attendance of 22.

I attended the State Executive Planning meeting in June at Meredith College.

September 15 the Yates Associational Executive Board met at the First Baptist Church. The purpose of the meeting was to plan for the Raleigh Divisional meeting October 4. A social hour was enjoyed by 31 present, 10 of these ladies were presidents.

October 4 the Yates W. M. U. was hostess to the Raleigh Division at Grace Baptist Church. There were 387 present.

Mrs. E. T. Newton, Superintendent

REPORT OF THE COMMUNITY MISSIONS CHAIRMAN

Community Missions is that phase of W. M. U. work through which our women and young people reach out in the name of Christ to meet the needs of those who live around them. The aims are: 1. Soul Winning, 2. Distribution of Bibles and Religious Literature, and, 3. Christian use of the Ballot, and, 4. Working with the youth of the church to see that they have wholesome recreation.

There are 39 active W. M. U. organizations in the Yates Association and at least 36 of these report active participation in Community missions work each month. Of the 46 G. A.'s in the Association, 40 of these do Community Missions work. 20 of the 29 R. A.'s, 30 of the 39 Sunbeams, and all of the 18 Y. W. A.'s are active in this work. Most of the work is done in the community, but some go into the hospitals, nursing homes, jail, etc. to do their Christian work. A leadership conference was held in October, 1954. Fifteen churches were represented.

Mrs. E. P. Sneed, Chairman

REPORT OF ENLISTMENT CHAIRMAN

We ask ourselves three questions regarding Enlistment:

1st. What is Enlistment?

2nd. What is the method?

3rd. What are the results?

Enlistment, first of all, is one of the most satisfying functions in Christian experience. It enables us to use, to the fullest, the commandment to "go and tell." It gives us an opportunity to reach all people, beginning with our neighbors and friends and to enlist them in the great cause of Christian work which is the love and support of missions through our local church.

This is the heart and purpose of Bible-missions. The telling of the gospel message.

There are various *methods.* The principle method and the most important is *visitation.* There are other methods also where this is not possible, such as cards, notes and phone calls, but these are only fair substitutes. Personal contact is the best means of furthering the cause of missions.

We cannot *give* if we do not *go.*

We cannot expect others to *serve* if we do not serve first.

We cannot sell our ideas unless we first believe in them ourselves.

We cannot feel we have accomplished our goal unless we enlist others to help and find a place for them to function well.

The greatest comfort to a person is the warm feeling of belonging.

What are the results?

We have the assurance of the present, so we must make the most of our opportunity.

In growing each day, from strength to strength as it were, we touch humanity and become a part of the great Christian program. Our *results* are shown in *growth.*

Nothing is accomplished by standing still. We must surge forward through the medium of prayer, love and work.

Mrs. Wortham Lyon, Sr.

MISSION STUDY REPORT

Statistical reports are very valuable, yet seldom remembered. Mission Study statistics of the Yates Association for last year show that more organizations reported Mission Study Activities, more teaching was being done, more time (3-hour requirement) was given over to teaching, and the enrollment in classes increased. This progress is encouraging, but we need to become alarmed because of the fact that the matter of "reading" continues to decrease, particularly among our Young People. We are told that children are reading about 90,000,000 comic books each month. They not only buy them, but swap them. The keynote of crime comic books is violence. Shall we continue to permit our young people to be neglectful of "Giving attendance to reading, to exhortation, to doctrine". . .?

Proof of the value of Mission Study in our Churches is noted in personal statements of people within our own Association such as these (from a layman attending a class for the first time) "I certainly know all about Catholicism now. Where were all our people? We should have had a full house for such a message as this"; (from a Royal Ambassador) "Through Mission Study, I have come to know more fully what Jesus meant when he said 'Go Ye' "; (from a Missions Volunteer) "I believe through the study of Missions, God will in due time reveal to me the place I am best fitted to serve in His Kingdom"; (from a Y. W. A.) "Last Sunday when the invitation was given, I rededicated my life to Christ, events of the year climaxed by the study of our book 'Sixteen to One' caused me to make this rededication." (From a Missionary now serving in Japan) "God used the Mission Study on Japan to open my eyes to see millions of people hungering for the Gospel and He used it to prepare my heart for His call to them" . . . . If we KNOW we care, if we care we give, if we give we GO, therefore we must know. . . .

Mrs. Carl M. Bishop, Chairman

BUSINESS WOMAN'S FEDERATION

The Business Woman's Federation held three meetings during the year, beginning with a Mission Study, "Pilgrimage to Brazil," on November 2, taught by Mrs. Charles Maddry, State Mission Study Chairman.

The other two meetings featured inspirational speakers. Mrs. Marvin Garrett spoke on February 23rd. 123 members were present with 19 churches represented. On June 10th Dr. Albert McClellan, Director of Publications and Associate Secretary of the Executive Committee of the Southern Baptist Convention, was the speaker.

A record of attendance was started in February, 1953. 19 churches in the Association have not had a representative present at a meeting since this record was started. Nine churches have had members present at every meeting.

Our aim is to enlist representatives from each church in the Association into the Business Woman's Federation.

Mrs. Harry L. White, Chairman

YOUNG PEOPLE'S REPORT

We are proud and happy over the progress of the Young People's organizations during the year of 1954-55. The churches, and especially the W. M. S. have become aware of growing needs for the young people. Never has there been such an interest in organizations. We have 20 new organizations—4 Y. W. A., 3 R. A., 7 G. A. and 6 Sunbeams. These 20 new ones with the old ones will do a great work in spreading the gospel around the world.

We have not been interested in merely growing in numbers but we have been conscious of the fact to do our work well for the glory of God that we must be as efficient as we possibly could. As a result we have had a goodly number of A-1 standard organizations. They have been happy in the work and certainly this year has been our best in reporting. The Y. W. A. house party at Campbell College was a highlight to the many girls from our Association who attended. The Sunbeam rally, which is an annual affair, was perhaps our largest in many years with 195 Sunbeams present. Our annual Youth Rally, which is held in August every year is always such a happy occasion, was no exception this year. Surely, God has wonderfully blessed us this year and with His help we shall strive to serve in a greater way in the future.

LITERATURE

In studying the quarterly reports from our literature chairmen of the churches, I find that they are not accurate or complete. Please let us do our best to see that they are. I notice also that there has been a decrease in the number of subscribers reported. Is this an indication of a lack of interest, or of incomplete reports? Let us hope it is the latter. Our small churches, in most cases, have a higher percentage of their members subscribing to our W. M. U. periodicals than do the larger churches.

Literature plays a very important part in our W. M. U. work. Let's put more emphasis on it. Our W. M. U. periodicals contain our program material, and also much helpful information about carrying on other phases of our work. In them too, we find our calendar of prayer for our missionaries. This we should use every day.

We should subscribe to and read "The Biblical Recorder," "Home Missions" and "The Commission." These tell us what is going on right now in State, Home, and Foreign missions. If subscriptions are sent in clubs of ten or more from your church you can receive "Home Missions" for forty cents (40c) per year, and "The Commission" for seventy-seven cents (77c) per year. Let us subscribe to and read these magazines that we may be well informed about our work, and thereby become better workmen in the Master's Kingdom.

STEWARDSHIP

The following words of Matthew 25 have a message and a commitment for all of us, "I have a stewardship entrusted to me." It is with joy that we, as members of the Yates Association Woman's Missionary Union, work together carrying out the stewardship, educational plan, teaching our people the needs and to enlist their personal support in a world mission advance program. We emphasize the three parts of our plan of work: (1) Enlistment of Tithers; (2) Support and Magnify the Cooperative Program; (3) To Promote Woman's Missionary Union Special Offerings.

TITHING

It brings to us a sacredness of money. Tithing increases spirituality.

Total number of tithers at the close of year—3,900.

This shows a decrease of 470 tithers.

Total number of new tithers enlisted—187.

This shows an increase of 39 tithers. While these figures show an increase in new tithers, they also show a decrease in number already enlisted. We believe this situation is due, not to the actual loss of tithers, but to the failure of reporting.

THE COOPERATIVE PROGRAM

This program makes our churches "a part of the world field." It helps our churches to witness to the unity that we have as Baptists. 13,025 members contributed regularly through the cooperative program this year. This shows an increase of 1801 members contributing regularly.

SPECIAL OFFERINGS

"The object of the Woman's Missionary Union shall be—to stimulate the grace of giving."

Amount of Special Offerings for Foreign Missions	$11,875.54
Amount of Offering for Home Missions	3,874.00
Amount of State Mission Offering	2,327.75
Amount of Heck Jones' Offering	1,470.92
Total	$19,548.21

This shows an increase of $4,009.19 over last year's contributions.

Let every member of Woman's Missionary Union in the Yates Association take seriously her Stewardship of Possessions that she may be a part of a World-Wide Missionary Program.

CHURCH NIGHT OF STEWARDSHIP

In September and October, Yates Association has used 27 of her churches to bring the local churches to an awareness of the Mission Opportunities before them.

STEWARDSHIP CLASSES

Yates Association Woman's Missionary Union members believe in Stewardship teaching and studying. 65 Stewardship classes have been held this year.

A HISTORICAL SKETCH OF THE BEREA BAPTIST CHURCH OF DURHAM, NORTH CAROLINA

(It is regrettable that few records of historical value of this Church have been preserved. However, information recorded here was secured from the few records now extant and from Associational Minutes and other materials found in the Wake Forest College and Southeastern Baptist Theological Seminary Libraries.)

Berea Baptist Church is located on the Fayetteville Road five miles south of Durham, North Carolina. The Church was organized in 1855 as an off-spring of the "Rose of Sharon" Baptist Church, now the First Baptist Church of Durham.

In the summer of 1855 the people of the community began holding services under a brush arbor on the plantation of Coslet M. Herndon. Before the summer had ended, Rev. Jesse Howell, pastor of "Rose of Sharon" and long time friend of Mr. Herndon, helped make arrangements for his church to organize the new Church. The "infant" was nameless until the Rev. George Purifoy, called in late 1855 as the first Pastor, suggested the Biblical name "Berea" which was readily accepted by the people. The Charter membership consisted of the following: Coslet M. Herndon and wife; G. S. Shepherd and wife; T. R. Shepherd and wife; Erasmus Pope and wife; Walter Barbee and wife; Howell Pope and Anderson Pope.

Coslet and Margaret Herndon gave "four acres, more or less" of land to the Church in 1856, on which a frame meeting house was erected. However, it was not until March 26, 1880 that a deed was drawn up. In that year there was some talk of the formation of a new county (Durham, which at that time was a part of Orange County) and it was deemed wise to convey a title for the land to Berea Church. The deed was made to the "Deacons and their successors forever." Names appearing on the deed included W. A. Barbee, Erasmus Pope, A. N. Leigh and William Atkins. The four acres were located near the Herndon family cemetery, which today is located directly across Fayetteville Road from the Church.

Records indicate that Miss Frances Pope (Mrs. Alfred M. Parrish, 1838-1925) was the first Sunday School teacher. She taught the first lesson using the 20th Chapter of Matthew. Her age was 17; the date was 1855.

Berea Church became a member of the Raleigh Baptist Association at its annual meeting held at Holly Springs in 1861. A membership of 35 white and 9 Negro members were reported. The Church was represented by H. L. Pope and Pastor J. P. Mason. On September 23, 1870, Berea was among the twelve churches which met at Mount Moriah Church to organize the Mount Zion Baptist Association. Representing Berea at this meeting were W. C. Mason, T. N. Shepherd and A. N. Leigh. Rev. A. D. Blackwood was Pastor. A total membership of 52 was reported.

The Mt. Zion Association Minutes for 1871 states that every Church in the Association had a Sunday School. However, it was 1879 before Berea began sending reports on her Sunday School. In that year William Atkins was Superintendent and 55 members were reported. By 1883 enrollment had grown to 110.

In 1891 Rev. P. H. Massey, a Methodist preacher, was holding services for a small group of Berea members who lived too far away to attend (about 7 miles from the Church). Transportation problems had made necessary the establishment of Sunday School and later "preaching" services in what is now the Ephesus Church community. It was in that year he delivered an ultimatum: "Either organize a Baptist Church or I am going to get the Methodists down here to organize a church." Sixteen members left Berea by letter to become charter members of the Ephesus *BAPTIST* Church. A more complete record of this event is recorded in the Mt. Zion Association Minutes for 1936 under "A History of Ephesus Baptist Church."

The present church building, begun in the spring of 1902, was completed and dedicated June 26, 1903. Records indicate an expenditure of about $1,300.00 exclusive of materials and labor which were donated. The building was planned by J. A. Barbee who served as chief carpenter. Other members helped in the erection of the building and leaders among them were Hugh Horner, Bud Barbee, J. A. Fletcher and Tom Horner. During the process of building, services were held in the Massey's Chapel Methodist Church "about 4 miles down the road."

Four Sunday School rooms were added to the back of the church building in 1923-25 at a cost of about $1,700.00. Then, in 1953 the Church was again busy at the business of building. This time Genie E. Shepherd and Garland A. Atkins led the Church in a work that resulted in an Education-Recreation building measuring 20 by 40 feet and at a cost of $1,550.00. In each instance of additions to the church plant the work was done by the men of the community effecting a substantial saving.

Berea has had a long line of illustrious preachers in these 100 years. A complete list of pastors from the ministry of first pastor to the present has been preserved. The first pastor served the church for two years without pay. The fourth pastor, Rev. Orin Churchill, served the church six years without monetary remuneration and often walked fifteen miles to fill the pulpit.

The longest pastorate was held by Elder Matthew S. Ferrell from 1873 to 1886. The second longest pastorate was held by C. H. Norris from 1928 to 1937. Mr. Norris and Rev. C. E. Byrd are the only men who have received two "calls" as pastor of Berea, and each served on two different occasions.

C. C. Newton, pastor in 1887-1888, later went to China as a Missionary. He died on a return trip and was buried at sea. J. W. Davis, pastor in 1941-1942 offered his resignation on Sunday, October 25, 1942 and left immediately after the service to report for duty as a United States Army Chaplain.

Rev. Calvin S. Knight was pastor in 1947 when the Church went full time. During most of her history, Berea had "preaching" once a month. Usually it was on the "fourth Sunday and the Saturday before." Mr. Knight, the first pastor to live on the church field, led the Church in the organization of Baptist Training Union and the adoption of the Unified Budget System.

In 1935 land at the back of the Church (about 1 acre) was purchased from Rev. Pleas H. Massey for $60.00. This was designated for cemetery use. Then, in 1953 Mr. and Mrs. Vernon Pope and Mr. and Mrs. R. N. Barringer gave the Church a parcel of land on the south of the church property.

A Baldwin Electronic Organ was purchased in 1954. In 1955 plumbing was installed in the kitchen of the Church Education-Recreation building and an electric drinking fountain was installed in the Church building.

Berea became a "Four Star" Church upon the organization of the Brotherhood, November 19, 1954. The Church year 1954-1955 was one of growth in every phase of the Church's work. For the first time in her history Berea adopted a Church Constitution. Membership stands at 315 (31 baptisms this year); 206 enrolled in Sunday School; a fully graded Training Union with 89 members; 24 W. M. S. members and 28 members of Brotherhood are the numerical highlights of the year. It was this year which also brought an all time high in giving. Total gifts amounted to $8,818.65.

Berea Church is beginning to catch a vision of what can be done for the Kingdom of God in her community. This congregation hopes that the opportunities now open for growth and a more effective ministry may be used by the Lord in perfecting a history in the years ahead just as illustrious as these first 100 years.

REPORT OF FINANCE COMMITTEE

Your Finance Committee wishes to report that the Association has been able to meet all of its "must" obligations during the past year and for this we are thankful and wish to express our appreciation to all of the Churches and their leaders. However, by the way of explanation of "must" obligation, I wish to call to your attention for illustration the fact that we only paid one-half of the item listed in last year's budget as Associational Commitment for the reason that we did not have the money. Your attention is called to the fact, that although we adopt a budget, we must depend upon the generosity of the Churches to meet this budget, which so far has not been accomplished.

In order to accomplish our goals and our purposes, your Finance Committee would call to your attention the following important matters:

1. Let every Church adopt in its budget an amount for the Association. If any Church has not done this, let it consider the matter at its earliest convenience.

2. Let every Church consider the goal asked by the Finance Committee. The Committee continued to use the formula of your last year's Committee for the reason that we believe that it divides the responsibility as fairly as possible, and asked no more than the amount needed to meet the budget. Please consider the goal suggested for your Church.

3. Let every Church make regular monthly remittances to our Treasurer. As we urge regularity of giving among our Church members, so let our Churches contribute to our Association's needs.

Respectfully submitted,
Robert D. Holleman, Chairman

HISTORICAL REPORT OF THE MOUNT PISGAH MISSIONARY BAPTIST CHURCH

The Mount Pisgah Church was constituted August 26, 1814. It is located about 16 miles out of Durham, just off the old Fayetteville Road in Chatham County. It was first called the "Church at Yates Meeting House," the name "Mount Pisgah" not appearing in the records until a conference held on February 14, 1818.

Upon its organization, the church adopted the Articles of Faith and a covenant. Included among the Articles of Faith was this statement: "That we believe that the washing of feet of the saints is a sacred injunction and ought to be practiced." However it appears the church seldom administered this rite, and then only by appointment.

There were 15 male and 21 female charter members of the church. The following were the first deacons: George Williams, Harrison Trice, and Jethro Yates. The first church clerk was William Yates, who was drafted into the army soon after his election. For this reason no records were maintained until his return from the armed forces. Elder Robert Daniels was the first pastor of the church.

Soon after the church began to record its actions, the church was much concerned with the matter of church discipline; the peace, fellowship and union being ascertained at each conference.

The first record of the church calling a pastor was in February 1819, when Elder Ezekiel Trice was extended the call. It is not to be assumed that the church did not have pastors during this period of time. However, in conference held in March 1821 the following resolution was adopted: "This church, having been destitute of a pastor for a long time, now thinks it expedient to call a pastor." The church seems for many years to have been directed by laymen. This church was blessed to have many able men on its roll, capable in many respects to direct the affairs of the church. Among them was William Yates, father of Matthew T. Yates, the pioneer missionary. At his death the church in conference passed a resolution to the effect that "He was an exemplary Christian, having served for about 50 years as a deacon and 20 years as superintendent or teacher in the Sunday School." This resolution was to be subsequently published in the "Biblical Recorder."

One of the more notable periods in the history of the church was when it was under the leadership of Elder Patrick Dowd, who was called as pastor in 1833. It was during his pastorate that Matthew T. Yates was converted and baptized in 1835. Elder Dowd, after serving the church for many years, died in 1867. The following resolution was offered and adopted by the church: "That in the death of Patrick Dowd, our beloved Pastor, this church has lost a zealous, faithful preacher and pastor—That we bow in humble submission to the will of God, our Heavenly Father—That his eternal gain is our loss—That God in His goodness and wisdom will raise up another to take his place." On April 24, 1869, Mount Pisgah, with the assistance of the Masons, erected a monument to his memory in the church cemetery. A large audience witnessed the dedication service at which time Elder Johnson Olive, a noted minister of his day, delivered the oration.

In 1824, it is recorded that five colored brethren were baptized into the fellowship of the church. Members of the colored race remained as members of the church until after the Civil War, at which time they requested the Mount Pisgah Church to assist them in the organization of their own church.

A request for a Sunday School was approved in 1850. William Yates and M. D. Williams consented to become the managers of the school. The records reveal that the Sunday School has been continuously in operation since that date. The complete records may be found in the minutes of the Mount Zion and Yates Associations.

Mount Pisgah is a praying church as revealed by the records. We note a few instances where this fact is brought out. In December 1828 a day of prayer and fasting was observed for the forgiveness of their sins. In July 1849, a day was set apart for prayer at the request of the President of the United States. The church, by letter, requested the Raleigh Association to join in the observance of this day of prayer. In 1861, William Yates moved that the church set apart one day each year to pray for the soldiers that were already in the army and those who would be going before the close of the war. In compliance with a request of the President of the Confederacy, February 25, 1865 was designated a day of prayer and fasting. There was no conference held on April 22, 1865 due to the two opposing armies passing through the country. The war soon ended and the submission of the people was revealed by these words included in a resolution adopted by the church: "Let the will of the Lord be done."

It is no wonder that God called so many of the men from this church into the ministry for it was an answer to prayer. In conference in 1859, William Yates called the church to prayer that "God would send out more ministers to preach the word and to pour out His Spirit upon all flesh." The best known of those so called was Matthew T. Yates, who went to China as a young man to represent the Southern Baptist Convention as North Carolina's Pioneer Missionary. It was in 1840 that the church granted him the privilege of exercising his gift in public (licensed to preach), and sometime thereafter he entered Wake Forest College to prepare himself for the work to which he felt he was called. He often found his way to a pine forest near Mount Pisgah for a period of prayer and dedication. It was here that he answered the call to the Foreign Field and dedicated himself to the high task of preaching to the lost in China. There stands today a monument on this sacred spot dedicated to his memory. Others who have answered the call to the ministry from this church are M. S. Ferrell, Madison Yates, J. T. Mason, Henry Merritt, Joe Hillard, H. C. Sears, C. A. Upchurch, Emmitt Yates, O. W. Yates, George Howard, C. E. Byrd, Hugh Upchurch, Harry Byrd and Marvin Yates.

In 1869 Mount Pisgah Church petitioned the Raleigh Association for a letter of dismission to unite with a new asociation. In 1871 the Mount Zion Association met with Mount Pisgah Church. The church had a Sunday School with an enrollment of about 200; also a W.M.U. with 84 members.

This is an evangelistic church as evidenced by the large numbers that were baptized into the fellowship. While numbers were not recorded in the early years of the church, in 1875 twenty-six converts were baptized. In 1881, a very great meeting was held, resulting in forty-eight conversions. At a baptismal service in 1850, at which the noted George Purefoy was in attendance, around 1,000 to 1,200 persons gathered to witness the ordinance of baptism. Soul winning zeal continues until now with the church each year reaching her possibilities.

This is a missionary church as attested to by the large number of missionary-minded ministers who have gone out of its fellowship as well as by the growth in its gifts to missions as the church developed. In 1860 the church gave $26 to Foreign Missions, $32 to Home Missions, and $8 to Education for a total of $67. The 1955 minutes reveal the growth in giving to $778.74 to the cooperative Program and a total of gifts for all purposes of $6,979.00.

In 1949 when it was decided to divide the Mount Zion Association, the Mount Pisgah Church not only became one of the charter members, but also provided its name after the famous pioneer missionary, Matthew T. Yates.

Mount Pisgah is a building church. According to some of the brethren, the church has occupied four buildings. The present sanctuary was built during the pastorate of the present pastor, C. E. Byrd, who was called to the full-time service of the church on May 19, 1946. Thus, dreams for a new church came true after much work by the members under the leadership of Mr. H. U. Byrd. The building was completed in record time, has been completely paid for, and has been dedicated to the glory of God. With facilities ample for every department, it seems that Mount Pisgah is destined to go forward to new heights in the future.

Mount Pisgah today offers its members a graded Sunday School and B.T.U. and an active and effective W.M.U. The Vacation Bible School is a part of its yearly program. While Mount Pisgah has not been a large church in numbers, it has enjoyed a great past and is looking forward to an even greater future; even now planning to construct a pastorium in the very near future. Thus Mount Pisgah moves on by the grace of God and for His glory.

The folowing ministers have served this church through the years and made their contributions to the unique history of this great old church: Robert Daniels, Thomas Freeman, Henry Merritt, Thomas Armstrong, J. P. Mason, W. S. Olive, C. V. Brooks, L. M. Hobbs, W. R. Beech, H. C. Sears, J. T. Bittle, M. A. Pegram, Titus Mills, C. H. Norris, H. A. Morgan, W. L. Powers and C. E. Byrd.

REPORT OF ORDINATION COMMITTEE

Your ordination Committee was not very busy this year. The Committee as originally appointed was headed by Marshall Walker. He saw the call to greener fields and before any action was taken, left for Miami, Florida. Henry Morgan was appointed Chairman, and alas, he acceded to the beckoning of the mountainous area of our State going to Wilkesboro. Benjaman R. Bruner of the original committee was then placed as chairman. He and Fred Lipe, the other original member remained in place. Jim Pernell was appointed to keep the other members from being lonely.

At the request of Holloway Street Church we called an examining council to approve Brother William McLean and at the request of Edgemont Church we likewise had an examination from Brother Robert L. Weatherspoon, Jr. Both of these men were approved by the councils.

At years' end we have examined Brother C. E. Ange, and authorize his licensing. He will come up for full ordination later on in the Associational Year. He is the newly called pastor of Alston Avenue Church.

REPORT OF SUNDAY SCHOOL

Our churches have learned to use the Sunday School to reach people, to teach them the Word, to win them to Christ, and to enlist them in Christian service and stewardship. The Associational Sunday School organization exists to help the churches improve their own Sunday School work.

During the past year the Associational Officers held monthly Training-Planning meetings. Each officer has committed himself to a program of training to be better fitted to do his job in the Association. The organization is the most complete that it has been, and we want to be used by the churches.

The Quarterly Associational Sunday School Nights were planned to offer concrete help to the officers and teachers in the church. Two meetings were built around the Department Conferences directed by the Department Leaders, and two featured inspirational speakers, Dr. Gaines S. Dobbins in November, and Dr. E. Luther Copeland in July.

Vacation Bible Schools were held in every church but one. Total enrollment was 6,060, and increase of 479 over 1955. The Clinic held in April brought our workers the latest methods. The Clinic next April is doubly important, because all the textbooks will be entirely new.

"Better Sunday School work is waiting on better trained workers." We have had a distinguished training record this year with workers in 37 churches earning 960 training awards, compared with 578 in 1955. Our workers earned awards as follows:

Alston Avenue	0
Angier Avenue	75

This good record is due in part to the State Leadership Conference held at the First Baptist Church in January during which our workers earned 450 awards. Your Associational Sunday School Officers have planned Group Training Schools for January 28 through February 1, 1957, to provide a similar opportunity for graded Sunday School Training for our workers this year.

We suggest the following goals for our Sunday Schools for 1956-1957.

Enrollment: 20% net increase over 1956.

Enlargement: 20% more classes and/or departments to make room for that 20% enrollment increase.

Training: Every officer and teacher having the award for one general administration book.

Every officer and teacher completing at least one training course.

Every church providing training opportunities by adopting a church training calendar.

Vacation Bible Schools: A Vacation Bible School in every church.

Preparation Week: Every church observing Preparation Week in September 1957.

Let our success this year be a milestone toward bigger and better Sunday Schools with more people reached, taught, won and enlisted for the glory of God.

John A. Moore.

DIGEST OF CHURCH LETTERS

The Churches of the Yates Baptist Association have been actively engaged in a number of individual and joint endeavors this past Associational year.

Faith, Mount Carmel, Roberson Grove and Rose of Sharon have called pastors this year; Gorman called a Minister of Education and Music and Holloway Street and Temple called Ministers of Education. Angier Avenue, Durham Memorial and First Baptist purchased property adjoining their church property for future expansion and Holloway Street purchased Annex number two for Sunday School rooms. Durham Memorial also the recipient of chimes and carpet. Rose of Sharon completed a Community Building and also purchased a pastorium. Lowe's Grove started a building fund for Sunday School rooms, Mount Pisgah started a pastorium building fund and Guess Road began construction of a new educational unit. Ridgecrest observed Ground Breaking Services in May and Westwood began construction of a new Educational Building. Immanuel's pastor has just moved into a new pastorium. Faith installed a new heating system and Lystra built and equipped a play ground and installed an amplifying system and memorial windows. Mount Hermon paid off church debt on the Fellowship Building. This sanctuary in which we are now meeting has been enlarged and redecorated and Gorman worshipped here for the first time last Christmas day.

Four Missions are sponsored by churches in the Yates Association. They are: East Durham Baptist Chapel by Angier Avenue, Jesse Howell Chapel and Columbus Durham Chapel by First and Alexander Avenue Chapel by Grey Stone.

The two churches who had the highest percent of total gifts designated to

Missions in the Association were Olive Chapel and Grace. First Baptist gave the most in dollars and cents to the cooperative Program with Angier Avenue giving the second largest amount.

In the Statistical Tables of your new minutes you will find that Holloway Street reported 52 Baptisms and Gorman reported 50. There were 2,786 Tithers reported from all churches in the Association. I'm sure there are many more tithers in our Association. If you are a tither, then sign the tither's card and make it possible for your church to report you as a tither. Let us covenant with God to make this a better year in our Association.

REPORT ON JUVENILE PROGRAM

The committee on Juvenile Delinquency met nine (9) times during the past associational year. On several occasions representatives of the Social Planning Council and Family Service of the City of Durham met with them. Representatives of the committee also met with the Executive Board of the Social Planning Council to familiarize them with our work thus far. The Board offered its assistance.

Within a few days we plan to have available a simple folder for general distribution giving in outline the thinking of the committee. The monthly associational meeting on Tuesday, January 22, at Angier Avenue Church will be given to a brief presentation of the committee's recommended program. At that time we hope to have a more complete brochure giving these recommendations together with the names of existing agencies in the the city available for help. (At the request of our committee the Social Planning Council is revising its "Directory of Social Resources.")

As the committee continued its research and discussions it has kept in mind:

What can and should be done, in cooperation with existing agencies, by our Association, our Churches, the individual members, and the families implicated, in the rehabilitation of erring youth, in the prevention of juvenile mis-steps, and in the promotion of a wholesome well-rounded, character-building program, that will enable our young people to increase "in wisdom and stature, and in favor with God and man?"

The committee makes four recommendations at this time: 1) that the present committee be continued to finish its work, 2) that a committee be elected each year to carry out this program if and when it is adopted, 3) that the committee be renamed "Committee on Juvenile Program," 4) that money be authorized for mimeographing, multilithing, or printing the materials in the promotion of the program, subject to the approval of the Finance Committee.

REPORT OF ASSEMBLY GROUNDS COMMITTEE

One year ago at the annual association meeting your committee consisting of O. A. Johnson, John A. Buchanan, Owen B. Nichols, Charles Cheek, and Downey J. Booth, announced their selection of a 55-acre track of land 10 miles from Durham on the Wake Forest highway owned by Mr. and Mrs. Silas Upchurch as the most "ideally situated" for the proposed associational assembly grounds. At that time they were not sure it could be bought.

Unexpectedly this parcel of land became available about Christmas time for $100 an acre or $5500. At the January 17 Board meeting at First Church the Finance Committee recommended the immediate purchase of the property with the cost being pro-rated among the churches using the same formula as for the regular budget. A motion was made, seconded, and carried with "no dissenting votes."

On February 21 at Holloway St. Church the Board gave the Finance committee instructions to purchase the land and "if necessary to call on the Trustees to borrow money to complete purchase transactions," using the property as security. On March 27 at Grace Church the Finance Committee urged the churches to send in their checks to cut down the size of the loan. Mr. Robert D. Holleman, chairman of the Finance Committee, moved that the moderator appoint a committee not to exceed five "to recommend long-range plans for the development of the Assembly Grounds," this committee to be announced at the April meeting. It was also in this March meeting that Mr. O. B. Nichols offered "to put a road into the Assembly Grounds and build a dam to facilitate a lake on the property" (at no cost to the Association). This kind offer was accepted unanimously.

At the April 17 meeting at Park View it was announced that the property had been purchased and a $2000 loan acquired to complete the transaction. Moderator Charles A. Maddry announced the appointment of the following committee: O. A. Johnson, Chm., O. B. Nichols, Robert D. Holleman, Dr. D. R. Perry, and Marion A. Ham.

At the August 21 Board meeting at Grey Stone Mr. O. A. Johnson distributed blueprints of the proposed Assembly Grounds and gave a brief explanation of them. He stated that the lake and road were completed at no cost to the association. It was at this meeting that the Board once more empowered the committee to bring back recommendations as to the future development and use of the Assembly Grounds.

Another informal, last-minute report on progress made was given on September 18 at Ebenezer Church. On about October 15 the pastors and board members were given recommendations through the mail. The Board adopted them last week, Tuesday night, October 23, at Gorman Church. They follow:

We recommend:

1. That a committee of fifteen (15) be appointed for the new year, including pastors and laymen and the heads of our associational organizations;

2. That the indebtedness of approximately $1600 be paid before any additional work is started;

3. That the further development of the property be dependent upon the whole-hearted financial support of this year's budget by the churches;

4. That minimum facilities for the immediate, though limited, use of the property be provided this year including a) a topographic map of the area—$1000 (to assure the wise spending of available money, the proper location of water, sewage, and buildings); b) a well, pump, and tank—$1850, and c) two temporary dry toilets, an open shelter with picnic area, and minumum electrical facilities—$1000.

5. That recommendations for the future development of the Grounds including facilities for overnight encampments be left up to the enlarged committee;

We further recommend:

6. That all buildings erected be the property of the association;

7. That the type of construction be of a permanent nature;

8. That we keep in mind facilities for year-round use rather than just during the summer months;

9. That the facilities be available for associational programs first and churches second on the "first come, first served" basis, with reservations through the associational office.

REPORT OF SUPERINTENDENT OF MISSIONS

We can certainly thank Almigthy God for another wonderful associational year. Three major projects claimed most of our attention from the associational level,—the Statewide Sunday School Conference in January, the Durham Area Revivals in March and the Schools of Missions in September.

Every church participated in the Sunday School Conferences and it was acclaimed as one of the finest training efforts ever held in the Yates Association. 1209 were enrolled. Participation in the March Revivals was a unique experience. They were reported as far as Florida, and local editors took time to comment on the value of the effort. Approximately 100 people were added to the participating churches each day during the week, with a total of 728,509 by profession of faith and 219 by transfer of membership.

In most of our churches their Schools of Missions proved to be the highlight of the year. Over 70 young people dedicated themselves to special Christian services. Nearly 900 subscriptions were gained for the Foreign or Home Mission magazines. Over 3,000 study course books were sold. Nearly 1650 applications for Sunday School or Training Union awards are expected from the churches. The enrollment finally reached 3,883 as follows: 1,802 adults, 207 young people, 460 intermediates, 649 juniors, 534 primaries and 231 others. The average attendance was 3,570. Person after person has been heard to say, "That School of Missions did more for our church than any revival or anything else that we have ever had before." (See the financial statement following this report.)

During the last year every church has contributed to the Associational Missions Program—a total of over $21,000 including the general budget, the Assembly Grounds, and the recent School of Missions. All 43 churches have given through the Cooperative Program, a total of $113,336.42 or an increase of $10,955.59 over 1955. The number of churches with Brotherhoods has increased to 23 from 18, and within a few weeks only one church will be left without a Training Union.

Although the coming year will not include as many major associational efforts, yet some extremely important projects are in the offing, implicating all three organizations. Within a few days you may be hearing of a tremendous program of training in our Association. It may include (1) a local Seminary Extension Center offering courses weekly on the college level with local, qualified teachers, and (2) a "book a month club" in which we try to enlist individuals in the churches to try to qualify for a study course award each month, either through individual sutdy, regular study courses in their churches, or associational sponsored study courses.

The "Certificates of Merit" are more and more becoming a part of our association and the individual churches. The churches that qualified for Certificates last year are as follows: WITH BLUE RIBBONS: Berea, Bethesda, Braggtown, Cheek Heights, Durham Memorial, Edgemont, Grace, Grey Stone, Guess Road, Holloway Street, Lakewood, Lystra, Mt. Carmel, Olive Chapel, Park View, Temple, Westwood.

WITH RED RIBBONS: Angier Avenue, Bells, Calvary, Cedar Fork, Chapel Hill, Ephesus, First, Gorman, Immanuel, Lowes Grove, Mt. Hermon, Mt. Pisgah, Watts Street, Yates.

Recommended requirements and conditions for this year follow this report.

REPORT OF THE ASSOCIATIONAL BOARD

The Associational Board composed of the officers of the Association, heads of organizations, chairmen of standing committees, the pastors, and two members from each church in the Association has met monthly following the regular meetings of the Association on Tuesdays after each third Sunday.

Since our Association is now well organized and its organizational and committee structure operates so well, the Associational Board has for the most part merely heard the reports of the organizations, supervised their activities, and approved certain recommendations which these will bring before the Association at its Annual session.

The major projects of the year, which have been the State Sunday School Clinic at the First Baptist Church, the Durham Area Revivals, the School of Missions, and the Yates Association Assembly Grounds Committee and its work, have been before the Board, and several actions relative to the progress of these matters have been taken. These will be duly reported by their proper committees.

Major actions taken by the Board during the year were as follows:

January 17, 1956, adopted a recommendation from the Assembly Grounds Committee that a tract of 55 acres on the Wake Forest Highway be purchased and that the churches be requested to pay for the same on a pro-rata basis to be determined by the Finance Committee.

February 21, 1956, appointed a committee to work out the details for the merit awards to the churches and present their report to this annual meeting of the Association.

March 27, 1956, approved appropriation to pay the Association's part in the Relief and Annuity Board's Retirement plan or the entire social security cost the Superintendent of Missions, depending upon which plan he wishes to enter.

April 17, 1956, appointed a permanent Assembly Grounds Committee to continue working with the development of the Assembly Grounds.

June 19, 1956, approved a recommendation from the Extension Committee that the Association support the Gorman Baptist Church in the organization of a Mission in the Glenn School area.

The Moderator would like to take this occasion to thank Rev. Hubert S. Mumford, the Yates Association Superintendent of Missions, and the Yates Office Secretary, Mrs. Marian Crutchfield. Without the devoted and hard work of these two, the work we have accomplished, and the progress we have shown, would not be possible.

Mr. Mumford has worked long hours and has performed many duties which others might have preformed, but his interest in the Association seems unlimited, and his energy in promoting the Lord's work is freely expended.

The Moderator would also like to thank the officers and heads of departments who have given so much time freely to the work of the Association. And to the committees are due thanks as well as to the loyal members of the Board who have attended the meetings faithfully and have joined in the actions with understanding and enthusiasm.

REPORT OF BROTHERHOOD

So says George W. Schroeder, Editor of *The Brotherhood Journal:* "This is Christianity's Hour—Atomic Bomb Era!"

This should cause each individual to realize anew that we are living in a new day—a new era in the history of man. No longer can we act and think as we did a few short years ago. Today a mistake on the international level can bring disastrous results, both to the offender and the offended. Scientists say this new age can be one of bliss or chaos. The decision is left in the hands of man. They also say that we do not have much time to make the decision. These are alarming and startling words. We cannot take them lightly or push them aside with the comment that 'it just can't happen here.' Who says it can't? What assurance does such a person give? Say what you will about atomic energy, but every thinking individual will honestly say that time is running out on the decision we will make concerning its use.

For man to live, and we might even say survive, on this earth, he will need a new concept of life. No longer can individual or nation practice the doctrine of isolation—which is an atheistic approach to life—and expect to continue to exist. The world has become far too small in this new era for such a way of existence to bring peace, happiness, and security. Our outlook on life must be lifted. The individual who does not see a world as he raises his eyes in this day is either blind or shortsighted. He, because of his unwillingness to face the facts, can be instrumental in causing himself and his fellowman to be obliterated from the face of the earth.

But, you say, what does this have to do with the men of our Brotherhood? The answer is obvious. If we are to build a new world using for the good of all men this new instrument of power—atomic energy—then first the hearts of men in the nations of the world must be brought together on a common ground. We Christians say that such ground is to be found only at the foot of the cross of our Lord. We say that it will be there that men can receive a new motive for living which will cause the individual to see life as the Master saw it. Then by putting such a concept into practice man can make the new era one which will be pleasing to God and a blessing to all men everywhere.

What we Christians do in giving the message of our Lord to a lost world within the next few years can be the difference between bliss and chaos. *This is Christianity's Hour.* This being true, then one can readily see that the men of our Brotherhood must work, give, and live for Him as never before. The stakes are too high for us to fail our Lord, our fellowman, and ourselves.

Scientists have unlocked the door of the atom for man. Now let us as Christians work to open the hearts of men for Christ. In so doing, we can boldly, fearlessly and triumphantly enter a glorious new era of life.

The quarterly meetings held this past year were well attended and the programs were well planned. Out of the 43 churches of the Association we now have Brotherhoods in 23. I look forward to more interest and better attendance in the year ahead. I am sure that it is possible to organize Brotherhoods in all the churches. Let us work to that end.

On January 15, 1957 we plan to hold a clinic at Bethesda Church. April 16, 1957, our meeting will be held at Cheek Heights Church. The Man-Boy Night, July 16, 1957, we hope to have at the Associational Assembly Grounds on the Wake Forest Highway, and the Annual Ladies Night we hope to have at Park View Church.

For officers for the year 1956-57, I refer you to the Report Section: Officers of Associational Organizations.

REPORT ON ROYAL AMBASSADORS

The transition of the Royal Ambassador organization from the hands of the W.M.U. to the men of the Brotherhood is gradually taking place. An effort to acquaint the men of our association with R. A.'s was the emphasis of the annual Man-Boy night, which was observed the early part of the summer at the Mt. Moriah Church. There were over 300 men and boys present at this event. Several Royal Ambasador chapters of the association presented various phases of R. A. work. Two chapters also displayed handcraft in the vestibule of the church.

Another effort to acquaint men with the work was the institution of monthly meetings of R. A. workers. This endeavor has produced very satisfactory results. There have been over 15 men at each one of these meetings. Several of our women counsellors have also attended the meetings. Each meeting has been dedicated to a specific phase of the program.

The year's activities were climaxed with a overnight encampment for the boys. The camp, which was held near the Bell's Church, was attended by 114 boys and leaders. A stunt program, devotional services led by a foreign missionary, and other events highlighted the camp.

The new year brings with it a promise of even better things. The monthly meetings will be continued as long as they serve a useful purpose. Proposals for next summer include an associational R. A. camp and a softball league. We hope to aid in the establishment of new chapters, while not neglecting to strengthen those chapters already formed.

REPORT ON SENIOR COLLEGES

Nineteen hundred and fifty-six was a year of decision for Meredith College. Attractive offers to move to new locations were considered, but the decision was made to remain in Raleigh. Meredith is now in the midst of a nine year expansion program which began in 1952, and calls for $2,250,000 for new buildings, equipment, general improvements, endowment and endowment scholarships. It is hoped that $1,500,000 of this amount will be provided for through the Cooperative Program of the North Carolina State Baptist Convention. Meredith is seeking to secure the remaining $750,000 directly from friends of the college during the period 1954-56. A new liberal arts building which cost $385,000 was dedicated on September 25, 1956, and plans are now being made for the Science building.

Meredith had an enrollment of 681 for the 1955-56 year, graduating 119. The Report on Christian Education for 1956 states that a majority of the young women graduating from Meredith are prepared to teach in the public schools of North Carolina. Since 1902 this girl's college has had over 3600 graduates, with 287 going on to receive advanced degrees. Sixteen of her graduates are now serving as foreign missionaries.

President Carlyle Campbell and his faculty and staff seek to lead Meredith with her mission according to the purpose and policy as restated by the Board of Trustees in 1954, "and that, as a Christian college, Meredith should be primarily concerned to inculcate attitudes, provide activities, and promote learning calculated to deepen and broaden the Christian experience of its students, and to prepare them for maximum service in the Christian enterprise."

Nineteen hundred and fifty-six saw Wake Forest College enter a new era in the 122nd year of her illustrious history. The ten year old dream became a reality as the college made the unprecedented move from its lovely old home in Wake Forest to the brand new $20,000,000 campus in Winston-Salem. The focal point on the new campus is Wait Chapel, seating 2500. Other buildings are Wingate Hall, a wing of Wait Chapel, housing the Department of Religion; Reynolda Hall, where administrative and student activities are centered; the Z. Smith Reynolds Library; the Science and Research Building; the William Neal Reynolds Physical Education Building, and the Law Building. These are of modified Georgian architecture, trimmed in granite and limestone. The campus and buildings have attracted the admiration of thousands of visitors. Buildings for residential purposes include four dormitories for men, housing 1500 students; two dormitories for women, housing 400 students; ten faculty apartment buildings, housing seventy-two families, and the President's home.

Dedication services for Wake Forest College were held on October 12, 1956.

Counting the Medical School, the enrollment this semester is over 2100. Wake Forest has a greatly enlarged opportunity for service in her new location, and her growth must be planned and provided for if she is to keep pace with her opportunities. In view of the long range needs President Harold Tribble presented to the Trustees and to the General Alumni Association on the last Commercement Day on the old Campus a building and endowment goal of $15,000,000 for the next ten years.

On the eve of the move to Winston-Salem the harmony was disturbed by the highly publicized struggle among both the members of the Board of Trustees and among some members of the Alumni as to whether President Harold W. Tribble should continue to head the administration of the college. May our prayer be that in the future such matters may be handled in a way which will discourage unfavorable publicity and criticism and work toward understanding and unity.

As Wake Forest continues to train ministers, teachers, doctors, lawyers, and business men and women and send them out to become leaders in our state and nation may our prayers be that the finest traditions transplanted from the old campus may live and grow stronger on the new, and that true to the emblem inscribed above her motto, may Christ be at the very center of her life and purpose.

REPORT ON JUNIOR COLLEGES

It is our purpose in this report to answer some of the questions in the minds of our people concerning the junior college and its place in our modern educational program, as well as its relation to the senior college. To this end letters were written to the presidents of our Baptist junior colleges, requesting their personal conviction in regards to these matters. Replies were received from presidents Blackwell, Campbell, Elliott and the late Mixon. We herewith present a brief résumé of the main facts brought out by these educational leaders.

The junior college idea was born in a great university on the assumption that the university's chief field of emphasis was in the junior and senior year of undergraduate work and in graduate study; that the normal and proper break was at the end of the sophomore year. The idea has grown, and the most phenomenal development in the field of education in this century has been the junior college.

One of the problems in our present educational system is that of adequately bridging the gap between high school and college work, There are many students graduating from our high schools who are young and immature, and not sufficiently experienced to make the transition satisfactorily from high school to a senior college or university. The complexity of life on a big university campus causes them to become lost and confused before they can become adjusted. They are unable to cope with the intellectual and spiritual problems with which they are confronted. Because of its closely knit organization and stricter supervision, the junior college can help such youngsters to adjust more easily to college life. The personalized teaching and guidance possible in a small junior college means a great deal to immature young people. As a rule, it is more practicable for a junior college to follow through with a program of guidance that reaches each student individually. There is the widespread conviction that educational institutions can become too large for meeting individual needs.

The matter of expense looms large upon the horizon of our young people. The cost in the two year college is about one half the cost of that of the four year college. For example, the budget for Chowan College this year is $250,000, the enrollment is 250. The budget for Wake Forest College is four million dollars for 2,000 students. Thus the cost at Chowan is exactly half of the cost at Wake Forest. In the four year college, the freshmen and sophomores must help bear the much greater expense of the junior and senior years. The cost of expanding universities and large colleges calls for increased expenditures, both because of the necessity to build dormitories and eating facilities, and because educational costs in the third and fourth year are much higher. This all results in greater costs on the part of students. The less expensive junior college enables many of our finest future citizens to attend college who otherwise would not attend.

Many young people are encouraged to undertake college work for a two year course, who otherwise would not attend college at all for they feel that they could not begin a four year college course. Then some who plan to attend college for two years only, have transferred to a senior college or university following their graduation at the junior college.

One of the chief assets of the junior college is the definite moral tone and Christian atmosphere that can be achieved on the campus. This makes for the training of dedicated denominational leadership. A denomination that does not have a vital educational program must develop one or die. We will preserve our greatest denominational asset by keeping our junior colleges, and keeping them strong and efficient, binding them ever closer to Christ and His Kingdom's program.

In summing up, we would say that among the greatest assets and advantages of the junior college are its closely knit social life, the vital touch between teacher and pupil, the freedom of fellowship, the comradeship in study, the economy of its charges, and the vital interest in individual problems of every kind which emerge in the search for and discovery of human values. It was these things that led Dr.

Ernest Caldwell, Vice-President of Emory University, to say recently, "The last bright hope of liberal education is the junior college."

REPORT ON CHILDREN'S HOMES

A CONTINUING NEED

During the year of 1955 a total of 824 applications for the care of needy children passed over the desk of the general superintendent. A decision had to be made on each case. We were able to admit to some phase of our program *only 137 of these children.* To the other 687 we had to say no.

In 1955 there were *58% more applications* received than in 1950. Thus the need, based on the number of applications, grows greater each year. Last year we cared for a total of 736 children, or *23 more than the year before.* The increase was in foster home care and was *made possible by an increase in the Thanksgiving offering.*

PLAN OF SUPPORT

Last year for the first time the Orphanage recieved part of its support through the Cooperative Program. *About ten per cent* of the total income was given through this channel. *Most of the churches continue to place the orphanage in their budgets* or else take the once-a-month offering through their Sunday Schools. The income for the Orphanage is fixed and will be the same amount each year. Therefore, the only way for the Orphanage to get more money to meet the ever increasing needs for child care is through a greater *Thanksgiving offering.*

In North Carolina there are more Baptists than ever before; the income of our people it at an all-time high; they have given more money to our total Baptist program than ever before. Surely this year *we will make a greater Thanksgiving offering to help the homeless child if our church learders will give them a chance.*

BUILDING PROGRAM

During the past year a *new church building* and a *new parsonage* have been completed at *Kennedy Home.* These are buildings of which every Baptist can be proud. *A contract will be let sometime this fall for a new boys' cottage and a swimming pool at Kennedy Home.* Bear in mind that *all of these buildings* are erected with *special gifts or bequests.*

CHARITY AND CHILDREN

We believe your Orphanage publication, "Charity and Children" *is now making a greater contribution to our Baptist program than ever* before in its glorious history. *Today more than 51,000 copies* of "Charity and Children" are mailed out *each week.* These are filled with information about some phase of our Baptist program.

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR AGING

The North Carolina Baptist Homes for the Aging are in their sixth and greatest year of operation. The Special Day offering this year to date is $88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches responding increases each year. Resthaven and the Albemarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Construction of the Administration and Dormitory Building began in February. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents—20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Moreover, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among these will be ample space for craft shops, sun parlors, library, infirmary and other additional features. In fact, the building was planned and is being constructed to provide a well rounded program with the most up-to-date facilities.

Effort was made in Winston-Salem during June and July to raise $100,000 for the new building. In addition to the money raised, the response on the part of a large number of splendid business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They range from $300 to $3,000—$300 to furnish, $1,000 to endow, and $3,000 to pay cost of constructing a room.

A trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to $3,000 to construct a room in the new building, $1,378 to pay cost of excavating a lake on the grounds of the new building.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. It interested, contact James M. Hayes, general superintendent, N. C. Baptist Homes, Kentucky Avenue, Winston-Salem, N. C.

REPORT ON THE BAPTIST HOSPITAL

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. In 1955 our churches gave the largest Mother's Day Offering they ever made, and the Hospital was able to serve more sick people than ever before. The Hospital has 400 beds, 50 bassinets and last year admitted 14,918 persons as bed patients rendering a total of 115,300 days of patient care.

No other hospital in North Carolina has better equipment and we now have the best x-ray department in the South.

Through our pastoral care every patient admitted to the hospital is visited at least one time. Other visits by the Chaplains are based upon particular need and special request. The hospital provided free services in the amount of $455,709 in 1955 in addition to free doctor's care for all service patients, made possible bv individual contributions, welfare agencies, the Duke Endowment—and, *mainly through the Mother's Day Offering.* We need to give every member in every church an opportunity to make a generous gift through our Mother's Day Offering to help care for those who cannot care for themselves. We know not what the future holds for us but we do know who holds the future.

H. L. Ferguson

REPORT ON STATE MISSIONS

1. State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

1) There are 4,300,00 people in the State. About 2,000,000 of these above the age of eight years are affiliated with some kind of church. 1,900,000 of these above the age of eight years are unchurched. If 25% of the affiliated church members are unsaved, then 62½% of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is far from being half Christian.

2) We have over 800,000 Baptist Church members in North Carolina. Perhaps 40% of these are enlisted and are being taught and trained in Christian living, giving, and serving. This means that 60% of our church constituency is not dedicated in the Christian profession. In this undeveloped area, the churches have their primary challenge.

2. Other areas of need constantly challenge the resources of State Missions, namely:

(a) *The Allied Church League.* This organization is doing a tremendous job in helping to produce a sober and sane citizenship in North Carolina.

(b) *The Silent People.* Three thousand of them beckon for our care, love and concern.

(c) *The Assemblies—Fruitland and Caswell.* Our people greatly need the fellowship, inspiration and training they offer. Perhaps 12,000 attended these assemblies this summer. The organizations of the Women's Missionary Union had 2,150 women and young people to attend State and Associational W.M.U. Camps this summer. They serve all phases of our Baptist work.

(d) *Other ministries:* Summer Student Work—Student Aid—Ministry Through Service Institutions—Baptist History—and Separation of Church and State.

The Department of Church Planning. This department serves many churches through counsel and guidance in planning for beautiful and adequate churches and educational buildings.

Brotherhood and Royal Ambassador Work will become departments of State Missions in 1957. Here will be an unlimited ministry through men and boys.

3. The Total State Missions budget needs are $500,000. The goal for state Missions Day on October 28 is $123,000. Remember, this day for Missionary Baptist

churches in North Carolina is the oldest of our Mission emphases. It has constantly undergirded our total World Missions program. If this goal is reached by our people, your 24 ministries of State Missions will have their 1956 needs met and the long standing over-drafts on State Missions could be met in December and we could begin the year 1957 with a clean slate.

Therefore, will you as an individual and your Sunday School and church do your part so that the first part of *The Great Commission* might be obeyed—and that these rich ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

C. N. Royal

REPORT ON THE BAPTIST STUDENT UNION

QUANTITIVE REPORT: Rev. Boyce Medlin, Duke B.S.U. Dircetor
QUALITATIVE REPORT: Rev. James O. Cansler, Carolina B.S.U. Director

QUANTITATIVE REPORT

We are grateful for this first opportunity to report to the Yates Baptist Association on the Baptist Student Union within the area of the Association.

Since 1921 the Baptist Student Union (BSU) has been Southern Baptists' program for Baptist students in college. It is church centered and seeks to develop mature churchmen of deep personal faith in Christ who are prepared to make a significant Christian contribution to the world in which they must live. The North Carolina BSU Department is a division of the State Missions program. The BSU at Carolina and Duke are integral parts of the N. C. BSU, which in turn is an integral part of the Southwide BSU.

There are more than 2,120 Baptist students enrolled in colleges within Yates Association. More than 510 of these are at Duke and more than 1,600 are at Carolina. This means that more than one-tenth (1/10) of the 20,000 Baptist students in colleges in North Carolina are in our association. We are concerned that these receive full benefits from our Baptist program.

The Reverend James Cansler is the Director of BUS at Carolina and the Reverend Boyce Medlin is the Director at Duke. At Carolina, a six-room dwelling house has been bought by the Baptist State Convention and converted into a BUS Center. It is hoped that a student center at Duke will be a reality in the near future. These centers will give the students a home away from home and, along with a local Baptist Church, provide a base of operation for the program. Adequate student centers are a necessity for a more effective student outreach and program.

Trends for the future reveal much. First, it is estimated that by 1967 the enrollment at Carolina will be doubled. The enrollment at Duke will surely increase greatly. This means at least three things. (1) The Baptist enrollment might well be 2,500 at Carolina and 800 at Duke, or 3,300 in the Association. (2) The BSU Director at Carolina needs an associate now and it is imperative to have one as soon as possible if the large number of students is to be enlisted. (3) Adequate student centers must be provided to take care of the increase in enrollment if the Baptist Student Union is to maintain maximum effectiveness.

The task of the BSU is crucial and indispensable in our denomination's growth and participation in the Body of Christ. The students and workers in BSU request your prayers and your financial support through the Cooperative Program as they seek to carry out the task committed to the Baptist Student Union.

QUALITATIVE REPORT

I am of the firm conviction that we must grow qualitatively in our faith as well as quantitatively in the numbers of the faithful. Dr. E. Y. Mullins is quoted as once expressing delight at the numbers of Southern Baptist people, but at the same time expressing the fear that Baptists might become "many, but not much." At the college level, I share that concern. We are constantly faced with the question of what shall we do with, what shall we do for the thousands of young men and women on our campuses. We have the "many." We have work to do at the point of "how much." As I understand it, it is the purpose of the BSU to do this at the college level.

The role of the BSU cannot be understood or fully appreciated apart from an understanding of the nature of the college-university community and the role of the BSU in it. We need to go into the kind of spiritual and emotional pilgrimage a student goes through after entering college in order to show BSU's purpose and need. But we do not have time for that. Let me briefly describe it in order to get on to our program, for programs become important only in light of the circumstances which prompt them.

Young people come to college for many reasons. Basically, they come to learn something about their world and about themselves as persons. They are nominally religious—practically all are baptized members of our churches—but they possess very little concrete understanding of their faith. They are at the crucial stage of spiritual adolescence. Their faith, adequate enough for high school, begins to be too small, and they have not yet found a new one that is adequate for their enlarged and enlarging horizon. In a very real way, they are people in search of a relevant faith adequate for their age and time. They are committed to Christ, relatively speaking. The commitment lacks content, however, and the faith suffers from a need of specific knowledge, to make it relevant to college life and to all of culture. The task of helping these find a faith adequate for all of life, the job of relating one's dedication to the God of Christ to one's studies, to one's work, to one's dating and recreation—this is the work of the campus church and the BSU. Needed is an organization that can proclaim the faith in Christ meaningfully, that can provide the means of understanding it, and that can present it as a live alternative in the midst of the varying and conflicting faiths on campus that clamor for attention and allegiance. This is the task of the BSU and forms the foundation upon which its program is built.

Now, what about program? Our program is theoretically pitched on three levels, and is divided into four general areas of emphasis.

Students on campuses can be divided into three classes: undergraduate single students, unmarried graduate students and professional students, and married students. The first comprise roughly 70% of the Baptist students at UNC, and our program is geared primarily to their needs. The married students together with their wives and children offer the most challenging and unreached group on campus. Unmarried graduate students constitute the only group with no specific program at present, and this is due entirely to lack of time. I will dwell mostly on the undergraduate program, but I would like to just mention the fact of our work with the married students because I see this as a very important and grossly overlooked area that needs added attention.

The program with undergraduates is divided into four general areas of emphasis —worship, study, work, and play.

A. *Worship.* From verification of God's presence in worship comes understanding of and commitment to God, and as such, it comprises an essential aspect of any Christian work. It is given emphasis in our program. It centers, of course, in the Sunday worship in the local churches, and the role of the BSU here is to encourage and emphasize attendance. Its work goes beyond that, however, at the point of need. Thus, we hold our own small group devotions, spiritual life retreats, Council workshop, and the like.

B. *Study.* Study group activity and general efforts to understand the Christian faith plays an increasing role in BSU programs. If faith in Christ is to form an adequate framework for the interpretation of all of life and one's world, then that faith must be understood, what it *is,* and what it is *not.* To see the relevance of Christ for our culture, we must understand both Christ and our culture. Both require specific and intense study. Sunday School in the local church plays a large role here, particularily at the point of understanding our faith. BSU here works hard to enroll students in it and encourage attendance. Training Union in some churches supplements the Sunday School. Supper Forums and discussion groups are held weekly on most campuses for the purpose of exploring Christian issues and social needs and topics of timely significance. For instance, the Supper Forum at Chapel Hill last week discussed the topic "The Christian and Politics."

Increasingly, study groups are being formed for the purpose of providing a more or less formalized investigation of specific issues confronting Christian students. Meeting weekly at this convenient for the students, these groups run for three or four months and cover a wide range of topics from the perennial "Love, Courtship, Marriage," to Science and Religion, the Person and Work of Christ, and Baptist doctrine. Groups formed for the specific purpose of Bible study are increasingly common.

Retreats are held in which students leave the campus for weekends or for several days for the specific purpose of doing basic study and discussion of Christian doctrine and ethics.

C. *Service.* The Christian faith shows itself in large part through service. Therefore, service to others is an integral part of any Christian endeavor. In addition, it provides a laboratory for Christian experience that is intensely valuable to one's growing faith. Thus, each BSU has a large number of service activities to which it gives itself. Prison services, mission churches, community services, summer mission work, work camps, Operation Outreach, LISTEN, and hospital visitation teams are among service projects.

D. *Recreation.* The fourth area of activity is recreation. It need not be described other than to say that it is neither emphasized nor ignored. It is considered an integral part of a well rounded religious life and of any religious program.

One final part of the BSU program must be mentioned. You would have an incomplete picture of our work if you did not know of the state-wide and nation-wide functions to which we contribute, for which we plan and to which we go. In

North Carolina there are two state-wide functions held, one in the fall and one in the spring. The BSU Fall Convention will meet in Raleigh November 2-4 for a full weekend of worship, study, planning and discussion. Dr. J. B. Weatherspoon, Dr. William Strickland, Dr. Luther Copeland, and Dr. Olin T. Binkley will be the main speakers on the theme "Christ the Lord, My Lord." There is to be a Southern Baptist Student World Missions Congress in Nashville, Tenn. from Dec. 27-30, and will feature such men as Dr. Theodore Adams, Dr. Baker James Cauthen, Howard Butt, Billy Graham, and others. Students from every campus in the Southern Baptist Convention will attend this conference on missions. Each summer a Baptist Student Week is held at Ridgecrest and Glorietta and our students participate in these.

This, then, is our program. I will sum it up by saying that the purpose of the Baptist Student Union is to help college students leave college as well versed, mature, and committed in their Christian faith as they are in their chosen major field. That, by the grace of God, they may have grown spiritually as well as physically, intellectually, and emotionally. The program is planned to meet this purpose.

The BSU at Duke is expressed in First Baptist, Temple Baptist, and Watts Street Baptist churches. At Carolina it is expressed in the Chapel Hill Baptist Church.

REPORT ON THEOLOGICAL SEMINARIES

In the past Baptists were frequently accused of admitting untrained and uneducated men to the ministry. The charge was often justified. If some of our churches and associations today continue to ordain men who are only high school graduates or have spent only a year or two in college, it will be hard to convince people generally that our denomination is not deliberately obscurantist. In an enlightened age like ours when educational standards in every field rise higher and higher, it is a crime against the Christian religion to ordain men to the ministry who are not just as well qualified for their work as doctors, lawyers, or business men. The requirements for ordination in the Episcopal, or Presbyterian or Roman Catholic, or Methodist Churches all indicate that these branches of the Christian faith have recognized their obligation to provide a trained and intelligent ministry. Since no authority in our denomination can enforce the high standards which prevail in other denominations, there ought to be cultivated amoung us a sense of moral obligation, an obligation resting squarely upon the church calling for ordination and upon the candidate offering himself for ordination. To set up stop-gap schools to train unlettered men already in the Baptist ministry is to work on the wrong end; it is locking the stable after the horse is stolen! It should be required of all candidates for ordination that they hold a degree from an accredited seminary. If we are to give "our utmost for His highest," how can we permit anyone who is poorly prepared to become an ordained minister, or how can a man so poorly prepared square it with his conscience to offer less than his best to God's service in a desperate world like ours?

When the Baptist movement began, first on the continent of Europe and later on in England, the early pioneers who hammered out the doctrines of our faith were educated men. No untutored minds could have propounded those basic doctrines of spiritual freedom—"believer's baptism," "the individual soul's competency before God," "the right of private interpretation of the scriptures," "the separation of

Church and State," "the autonomy of the local congregation." Conrad Grebel in Switzerland was trained at the Universities of Vienna and Paris. Balthasar Hubmaier in Germany was a doctor of theology. John Smyth in England was an ordained minister of the Anglican Church with a Master's degree from Christ's College before becoming a Baptist. Dr. John Clarke, pastor of perhaps the first Baptist Church on American soil, at Newport, Rhode Island, was a learned man.

When the Established Church in England persecuted Dissenters, Baptists among them, a phase of the persecution involved the refusal to admit Dissenters to the universities. With the universities closed to them there was some excuse for Baptist ministers not having an education. But the people in the Baptist Churches did not long tolerate an illiterate ministry. It was a Baptist laymen who, when stung to the quick by the charges brought by outsiders that Baptist ministers were uneducated, rose up and did something to correct the condition. EDWARD TERRILL (thank God for him!) a lay member of the Broadmead Baptist Church in Bristol, England, determined that Baptists should not continue to be reproached. In his will dated the 3rd of June 1769 he left the bulk of his estate to support a Baptist minister at Broadmead who should be "well skilled in the tongues, to wit, Greek and Hebrew." Three half-days a week this good man is to devote "to the instruction of young men, not exceeding twelve, members of any baptized congregation in or about Bristol, for two years at most." In addition, the will made provision for the maintenance of students who could not support themselves. Terrill records that it was a reproach against the Baptists by the Presbyterians that their ministers were not brought up in the University and did not know "the original tongues." Out of this layman's concern came Bristol Baptist College, the first Baptist Seminary and Baptist college in the world.

How difficult it was in those days for Baptists! How easy today! Southern Baptists alone maintain and operate five splendid seminaries, all strategically located, dedicated to preparing men and women for Christian ministry in our Baptist Churches. Let us look briefly at what each of these Seminaries is doing today to equip and train ministers and other full-time workers for our churches:

It cannot be said today that Baptists have not provided for an educated ministry All over America Baptists are operating many splendid colleges and seminaries. Our Southern Baptist seminaries are steadily raising their standards and are a credit to our denomination. They are now offering extension courses in Pastoral Training and Religious Education as a new service. Baptists in America have more money invested in education than any other denomination, operating all told more than 100 universities, colleges, junior colleges, academies and seminaries. If Edward Terrill could see us today he no longer would feel a sense of shame nor would he be embarrassed by the Presbyterians! Let us make the best use of what we have to the Glory of God. With so many educational facilities now available how can any Baptist Church disgrace God by ordaining an untrained man for the Gospel ministry? With no authority to coerce us to do what we ought save our own consciences, let us keep those sharpened. Let no church ordain a man merely upon the promise that later he will complete his education and do his seminary work. Let him prove himself and his concern for Christ by being fully prepared before receiving ordination.

The concept of the ministry today has changed greatly from former years. The minister now is expected to render many, many services not demanded or even thought of a half century ago. This puts a great responsiblity upon our seminaries. Today's seminiaries must continually expand and enlarge their facilities, curricula and faculties in order to equip, train, and prepare men for the modern ministry to the churches. Dr. Richard Niebuhr has defined the theological seminary as "the intellectual center of the church's life." How important to keep alive, alert, and growing the brain centers of Christendom! Among Southern Baptists the Cooperative Program is the financial life-line of our seminaries. Let us bear this in mind as we prepare our budget and bring our tithes and offerings to God!

REPORT ON CHRISTIAN LITERATURE

"Reading is to the mind what exercise is to the body. As by the one, health, is preserved, strengthened and invigorated: by the other, virtue (which is the health of the mind) is kept alive, cherished, and confirmed." The vigorous expansion and growth of Southern Baptists is due in large measure to the wholesome and well-rounded religious literature provided and read by many members throughout the Convention area.

For 123 years the Biblical Recorder has borne the message of Baptist life and progress in our state. This publication should be in every Baptist home in North Carolina. The club plan makes it easy for the average layman to receive the Recorder.

The readers of the Recorder are informed Baptists. Informed Baptists are enlisted Baptist—workers together with God. Informed Baptists are Missionary Baptists.

Other publications that should be in Baptists homes are: Charity and Children, Southern Baptist Home Missions, The Commission, Home Life, W.M.U. Magazines: Royal Service, Window of Y.W.A., Tell, Ambassador Life.

If we would strengthen our faith, increase our knowledge, open our vision, inspire our minds, we must "Give attention to reading" Christian literature.

Respectfully submitted,
Mrs. H. E. Gwin

REPORT ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

Our Baptist history is filled with the names of past warriors in the fight for Christian liberty and practice in the areas of sociology and civics. We must remember, however, that today's battles are not fought by yesterday's heroes. This generation must produce its own champions of righteousness, and those of us who stand in pulpits must be numbered fearlessly among them. We must every day fight the battles that Roger Williams fought in the seventeenth century and E. McNeil Poteat waged in this generation; and there are many more such challenges that confront us now. There is the one that our Lord dealt with in Samaria: the problem of racial strife. Let us look quickly at some of the areas in modern society where social service and civic righteousness must be applied. And let us feel the need and the challenge of this hour for some present-day Amoses and Hoseas.

CHRISTIAN HOME LIFE

If the home is "the bulwark of a nation" and if "as goes the home, so goes the nation" is true; it is high time for action on our part. Never before have there been so many centrifugal forces and so few centripetal forces at work on the Christian home both at once. It is curiously tragic that many times the church is with the majority here. With our many church activities we do have very active churches, but we have also very little home life. Wherever practical our churches need to promote stay-at-home nights and integrated midweek meetings. Family altar demonstrations and sermons on home life meet a great need also. We can discover more uses for the *Home Life* magazine in the promoting of Christian home life.

Ill-planned marriage and its divorce counterpart is another area of need in the field of Christian home life. More emphasis needs to be placed upon marriage and family counseling and upon the sanctity of the marriage vows. Inter-church cooperation is necessary if much is to be done in this field.

There are no problems connected with marriage and home life that consecration to Christ and devotion to the Bible will not solve; so we must "preach the word" and proclaim "Christ crucified."

RACE RELATIONS

Here is a social problem to which none is immune. In some ways it has been made more critical by the now historic decision of the United States Supreme Court. An incident of racial integration that would have been ignored several years ago would now bring revolution. We must be Christian in this matter of race relations in view of several considerations: (1) its effects upon our mission work, (2) its effects upon our own hearts, (3) its relation to the Lordship of Christ, and (4) its relationship to our citizenship responsibility.

No one can speak for all in stating a definition of the Christian position with regard to race relations. However, there are several certainties in the matter which can be stated. (1) There is no room for hate and ill-will in the Christian heart. (2) All men are God's creatures and as such are equal in His sight. (3) The golden rule of doing unto others as we would be done by them must be applied here.

BEVERAGE ALCOHOL

Against beverage alcohol we must declare total warfare and press for total abstinence and total legal prohibition. It is not enough to have our church covenants read "to abstain from the sale of, and use of, intoxicating drinks as a beverage," and then sit passively by while our members both use it and sell it. This effort, like all missions, must begin at home.

We earnestly plead for every Christian in every church to make every possible effort to secure a state-wide liquor referendum by which this damnable evil may be eradicated on the legal level if not in its entirety. Petitions to this effect are now being circulated among all the churches in this area. See that your church participates in this and also in the study of the new "Alcohol Series" of Training Union Study Course books which will be available next spring.

ENTERTAINMENT

From newstands, book stores, theaters, Television and youth centers, have come such a deluge of degrading influences that sexual enjoyment has become the great idolatry of the American people. Our churches and homes can and must do something about this despicable condition. Let our churches organize youth choirs, Young Women's Auxiliaries, Junior Brotherhoods, Royal Ambassador Chapters, Girls' Auxiliaries, and recreation teams. Our church libraries can offer clean literature and our church groups can sponsor wholesome fellowship and recreation. We need to press the work on our Association Assembly, urged by the need for providing that which is wholesome to replace that which is forbidden among young people.

SEPARATION OF CHURCH AND STATE

In this area, of which Baptists have been the traditional champions, we must be forever vigilant. With Communism on the one hand and Catholicism on the other, we dare not relax our guard or allow our convictions to become slackened and flabby. Here in North Carolina, where Protestants outnumber Catholics by a ratio of 100 to 1, it would be easy to feel that our religious liberty is not threatened—but it is. If Rome had its way every Baptist church in this association would be closed.

Knowing our opposition, we must plan strategy that assures victory. We can teach and preach religious liberty in classrooms nad pulpits, sounding appropriate warnings as we do so. We can inform our people about the inroads and ulterior motives of Catholicism. We can have converted priests, who are now available to us all, to help us spread the truth, sound the warning, and plan our combat strategy.

We Baptists must forever carry on the "Crusade for Christian Morality." The moral crises of our day demand moral, social, and civic commitments to service and righteousness.

Jack Wilder

REPORT ON THE RELIEF AND ANNUITY BOARD

The 38th year of service for the Relief and Annuity Board closed in July of this year. Organized in 1918 with a $100,000 grant from the Sunday School Board, the Board has worked continually to enlarge its services to Southern Baptist pastors and layworkers.

The Operation of the Plan in North Carolina

As of July of this year, 787 individuals are participating in the Minister's Retirement Plan. Of these 232 are carrying the Widow's Supplemental Annuity Plan. Beginning with the first of January 1956, a new plan, the Southern Baptist Protection Plan, was offered. It is more flexable and includes the Widow's benefits. One Hundred thirty-two pastors and layworkers have joined this plan (the Southern Baptist Protection Plan) during the first seven months of 1956. It will be to the advantage of our youger pastors who are in the Minister's Retirement plan to transfer to the Southern Baptist Protection Plan. Until the first of January 1957, full credit for Minister's Retirement Plan dues can be transferred without deduction. Let it be stressed that the new Plan (the Southern Baptist Protection Plan) includes widow benefits in case the minister dies before he reaches the age of 65.

With the cooperation of the churches and the State Convention all pastors and layworkers now have the opportunity to provide for their families in case of death and for retirement income in the sunset years. Dues are payable in the Southern Baptist Protection plan by the member at a rate of 5% of the "salary base" up to a maximum salary of $4000. This is matched by a 5% contribution from the Church and 5% from the Convention.

At the present we have 80 age annuitants. There are four ministers receiving disability benefits and 36 widows receiving benefits, all under the Minister's Retirement Plan which was first offered in 1940. All of these have paid into the Plan and are now receiving benefits in proportion to their dues and the matching contributions by the Church and the Convention. The amounts being received vary from a very small amount up to 125 monthly. The individual amount received by the annuitant or disabled worker depends upon the "Salary base" on which he has paid and the number of years he has participated in the Plan. The monthly benefits amount to $4,869.66, or a total of nearly $60,000 per year.

Another phase of the work of the Relief and Annuity Board is "direct relief" in grants to retired ministers and/or their widows who have not had the opportunity of participating in any annuity program. There are 64 of these soldiers of the Cross receiving a total of $10,948 annually, and 97 widows are receiving $11,340 for a grand total of $22,488. This comes from the Relief and Annuity Board's Cooperative Program receipts. It is to be understood that the individual amount is necessarily small and that the recipitant has paid no dues whatsoever. This is purely and simply aid in the name of a compassionate Saviour to those who by reason of age and disability have been unable to provide for the years of retirement.

Since the middle of February, Ottis Hagler has been working with this part of our program, devoting a part of his time to the enlistment of our workers and churches in the retirement Plans. He will be glad to help in any way possible. He may be contacted at 119 Hillsboro Street, Raleigh, North Carolina.

REPORT ON WOMAN'S MISSIONARY UNION

Should we dare to try to report the work of the Woman's Missionary Union? How can one measure the tireless efforts of the 2,444 women, and the 3,862 young people who have studied and labored together so that all of the world may have the message of Jesus? Who can know the time spent in prayer and meditation and study? Who can measure the deeds of service to the sick, and lonely, and needy through Community Missions? Who knows the hours of purposeful planning used to present programs of interest, and mission studies of information and inspiration? Who can ever know the fruits of careful training and guidance of our young people? Who has time to think of the steady stream of letters and reports sent and received during a year's time?

However, it is through these same letters and reports that we get a glimpse of our work as a whole. During the associational year October 1, 1955 through September 30, 1956 we have had a very definite part in 116 "Seasons of Prayer" for state, home and foreign missions. Through these observances our special offerings have totaled $20,801.79 with $2,160.25 given to the Heck-Jones Memorial Fund.

Approximately 190 organizations with an average of 3,782 of our members have participated in Community Missions each quarter.

Through the efforts of the Mission Study chairmen 285 books have been taught with 3,490 members in attendance, and 2,335 approved books have been read during the year. These studies have helped us to increase our tithers to 860.

At the present there are 40 Missionary Societies, 19 Young Women's Auxiliaries, 55 Girl's Auxiliaries, 29 Royal Ambassador Chapters, 42 Sunbeam Bands, 15 Business Women's Circles. The periodicals used included 1058 Biblical Recorders, 902 Royal Services, 60 Windows of Y.W.A., 135 Ambassador Life, 188 Tell, 735 Sunbeam Activities, 259 The Commission, 266 Home Missions.

Important meetings of the year include:

1. The Annual Meeting of the W.M.U. at the Yates Baptist Church, April 12, 1956. Mrs. W. K. McGhee, our new North Carolina W.M.U. President, and Mrs. Fred McCaulley from the Home Mission Board were our guest speakers.
2. The Executive Committee met to plan four Leadership Conferences for October 1956. The aim of these conferences is to inform our leaders of their responsibilities, and to explain the new aims for advancement. By having four conferences, it is our hope to reach more of our leaders.

Activities in which the Women's Missionary Union has participated include:

1. A part in sending gifts to the Margaret Fund students through the Burney Fund.
2. The attendance of many women and young people at Caswell and Ridgecrest for Mission Weeks. It is important that we give more time to such meetings provided for our spiritual guidance.
3. The Business Woman's Federation is functioning successfully with Miss Helen Lowe as chairman.
4. Woman's Missionary Union had a vital part in the leadership of the Yates Association Schools of Missions held September 23-28, 1956. We studied the Foreign Mission series on Japan and every W.M.U. participated with larger attendance than ever before. This was due, in part, to having classes for every age-group in the church and to smaller individual classes. The reports of attendance will be made in the report for next quarter and are not included in the mission study report of this year.

Let us hasten to thank God for the opportunities of spiritual service in Woman's Missionary Union and the blessings they have afforded us. Our strength comes from the Lord, so let us, "Serve the Lord with gladness!" Psalm 100:2

Respectfully submitted,
Mrs. Robert L. Costner, Superintendent

REPORT ON FOREIGN MISSIONS

Advance continues to be the word. Yet we are not advancing as fast as we both should and could. To reach the Advance Goal, it will take 125 new appointments each year for the next eight years. We will not appoint that many this year, so our annual average will be higher.

We have voted to go into Pakistan and Tanganyika. Other fields will open when and if we have the personnel and funds.

There are about 1,100 missionaries under appointment at the present time. We have or will have before year's end just barely passed the 1,100 mark. Yet we have requests now for 500 more!

Total income for last complete year was $11,287,752.72. Yet Southern Baptists spent on themselves at home many times that figure. Lottie Moon receipts continue that upward spiral. Many churches are making this a church-wide special offering.

The challenge was never greater. Our ability was never greater. Doors have closed, it is true, in China, but opened elsewhere. Southern Baptists seem more like a sleeping giant bound by the twigs of indolence. The awakening must be at the grass roots if it is to be at all. This means we must begin NOW.

Our Schools of Missions helped us to see something of the heroism of our missionaries. Let us do more than praise them and admire them. Let us SUPPORT THEM.

Respectfully submitted,
Benjamin R. Bruner

REPORT ON HOME MISSIONS

The 1956 Report of the Home Mission Board indicated that 1955 was a year of "unprecedented growth and achievement." Special emphasis was placed on evangelism. The Convention-wide crusade, led by C. E. Matthews and other members of the Home Mission Board's evangelistic staff, in cooperation with all other agencies and state leadership, netted the greatest results in baptisms in the history of the Convention. The Board's income for the year was $3,134,340.86.

Church loans were made to 237 churches and surveys made with approval for loans to be consummated later. At the end of the year 604 loans in the sum of $5,826,970.03 were outstanding.

Statistics for 1955 indicated at the close of the year 1,493 missionaries (including 388 summer student missionaries), a gain of 151 in personnel; 37,475 professions of faith; 105,426 sermons and addresses by missionaries; 4,423 dedications for special service; 725 new missions started; 410 new churches constituted; and 430 Southern Baptist chaplains in service. There were 15,249 conversions reported by chaplains, not listed in missionary statistics.

Advancement in 1956

During 1956 changes in personnel included the selection of Leonard Sanderson as secretary of the Department of Evangelism; Leland H. Waters as Executive Assistant; J. T. Gillespie to direct the Rural Church Program; M. Wendell Belew in City Missions, the downtown church, and the church-centered mission program; and William B. Mitchell succeeded Frank H. Halbeck in the Department of Jewish Evangelism.

Major emphasis in the "4-Year Conquest for Christ" for 1956 is on church extension, with a goal of 2,666 new churches. Surveys reveal that there is specific need for 10,000 new churches now. New churches and new meetinghouses in which to worship mean more workers, more converts, and more money for the promotion of world missions. The Board is girding its forces in preparation for the Convention's emphasis in 1957 on World Mission Year.
